HARVEY WARD SMITH
Grand Master 1960-61

HARVEY WARD SMITH

By birth, our Grand Master is a Hoosier, having been born in Columbia City, Indiana, on January 20, 1908. As of this writing, however, that is about the only thing that would indicate he has ever spent any great length of time above the Mason-Dixon Line, for he is as Southern as fried chicken and collard greens.

He was the son of J. Howard Smith and Blanche O. Grimes. His father was engaged in the fish processing business and built up quite an extensive industry in this field. To all of this, the Grand Master has applied his observable skill in organization and business acumen and has achieved remarkable success in extending the business in such manner that its operations now are spread out along the Atlantic and Gulf of Mexico coastlines, and even into South America. His firm is the biggest in the business and our Grand Master is the operating head of his Empire.

Harvey has been living in Beaufort so long that actually it is difficult to realize any other place could have claimed him. This little and beautiful coastal town in North Carolina has been proud to boast of his residence there and is confident of the fact that the first Carteret County resident ever to become Grand Master of Masons in North Carolina is going to represent them, wherever he goes, in a manner truly befitting the high type of Masonic citizenship for which they have long been noted.

The Grand Master received his public schooling in the Middletown Township Public Schools, New Jersey. Then he attended the New York Military Academy from which he was duly graduated, later going on to Washington and Lee University for his college training. Following this, he entered the business world in the industry his father has founded and gave such steadfast attention to the duties required of him that he now, not only has become the operating head of the corporation, but he is also known all over the country and in several foreign countries by leaders in this business and also in government.

Harvey is a civic-minded man and is always alert to the needs of his people. He is a member of the Board of Trustees of the Red Bank Hospital in Red Bank, New Jersey. He is genuinely warm-hearted; he loves people, and especially Masons. He gives liberally to all good causes and he does this completely without ostentation. As a matter of fact, when he was District Deputy Grand Master he put one lodge on its feet, paying all of the costs of the same out of his own pocket. Furthermore, the beautiful Chapel at the Masonic and Eastern Star Home is now a much more beautiful place and far more conducive to worship because of the Memorial Windows, all of which were installed therein through the generosity of our Grand Master.

He was initiated an Entered Apprentice on December 19, 1940, and it is said that when the hood-wink was removed, the future Grand Master opened his eyes and for the first time saw and realized that the men who had made this opportunity available to him, in many instances were men who worked for him in the local plant in Beaufort.

He was so filled with gratitude it is reported he declared, "This is what I've been wanting all my life." He has never ceased to show his appreciation for the levelling influence of Masonry. This occurred in Franklin Lodge Number 109. He was Passed to the Degree of Fellowcraft on February 17th, 1941, and Raised to the Sublime Degree of Master Mason four days later, February 21st, 1941.

Evidence of his immediate interest in and concern for Masonry is found in the fact that only four years later he was serving his lodge as its Master, 1944. His brethren from Beaufort will tell you that this was the year in which their lodge was re-activated and that Harvey was the motivating force behind the re-activation.

In 1946 he was appointed District Deputy Grand Master by Most Worshipful William J. Bundy and he was subsequently re-appointed in 1947, and in 1948. The District meeting that he held in 1946 in Morehead City is still regarded as one of the highlights of Masonry in Eastern Carolina. In fact, no meeting in North Carolina that year had larger attendance. The report that he filed on his activities as D.D. G.M., for that year is regarded as one of the classics in this type of reporting.

He was appointed Grand Steward of the Grand Lodge by Most Worshipful Edwin T. Howard and rose steadily through the various places and stations until April 20, 1960, when he was elevated by his brethren to the exalted position of Grand Master.

He is a member of all the York Rite Bodies, of the Allied Masonic Degrees, (of the Societas Rosicruciana in Civitatibus Foederatis) and of the Red Cross of Constantine. He was a DeMolay in Red Bank, New Jersey, and in 1953 was elected by the International Supreme Council to the DeMolay Legion of Honor. He is also one of the few men in North Carolina who hold membership in the Royal Order of Scotland. He was made a Master of the Royal Secret, or 32° of the Scottish Rite, in April 1944. As a reward of recognition for his efforts for the Scottish Rite, he was invested with the Rank and Decoration of Knight Commander of the Court of Honor, on October 24, 1945. In recognition of his continued devotion and service to Masonry, he was, on October 23, 1959, coronetted Sovereign Grand Inspector General, Honorary, or 33°, by the Ancient and Accepted Scottish Rite for the Southern Jurisdiction.

Our Grand Master has also taken a great interest in the Shrine, being initiated into that Mystic Circle on May 22, 1941, Sudan Temple of New Bern. In 1956 he was appointed by Illustrious Brother Clarence H. Parker, Potentate of Sudan Temple, and beloved citizen of the metropolis of Belcross, as Outer Guard. He has advanced each year and now holds the position of First Ceremonial Master. This means, of course, that in about four or five years we may expect to see him occupying the honored position of Potentate of Sudan Temple. It is worthy of note also that he is the proud possessor of a permanent Contributing Membership in the Shrine's Crippled Children's Hospital.

There are many other orders and clubs in which our Grand Master holds membership for he has always yielded to his innate desire to be among friends and to associate with them.

There are also many other achievements that might be listed, but no doubt his greatest achievement, and the source of his greatest pride and inward happiness, was in the selection of his life's companion, the former Evelyn Chadwick, of Beaufort, North Carolina, a young lady of charm with a keen and discerning mind, to say nothing of her intense and sympathetic interest in her husband's Masonic activities. No greater asset does he possess.

And, incidentally, he is a Methodist.

APPRECIATION

Your Grand Secretary is profoundly grateful to a good many people in our Grand Jurisdiction for help, guidance and counsel during the year. Without the help and cooperation of everyone concerned, we could not have accomplished what we did in cleaning up a tremendous backlog of uncleared items.

To most Worshipful Brother WILLIAM ELI HAND, Grand Master of Masons in North Carolina, I am deeply indebted. So many of the problems encountered during the year were without precedent, and it was necessary to saddle our Grand Master with an unusual quantity of cases requiring a ruling or decision. Brother Hand has been most helpful and cooperative during the entire year, and in every ruling and decision made, he has been extremely fair and impartial. Thank you, Grand Master, for a great job for Masonry in North Carolina.

To Most Worshipful Brother CHARLES BAILEY NEWCOMB, Past Grand Master, I am also deeply indebted. This great Mason stayed with us and helped us for several days at the beginning of our year, and we are indeed grateful for this assistance. His unselfish devotion to Masonry in North Carolina deserves the plaudits and sincere thanks of every member of the Craft in our Grand Jurisdiction.

To Worshipful Brother ADAM ANDREW HUSMAN, who has worked in this office without pay for nearly a year and a half, I am sincerely grateful. "Doc" has made an outstanding contribution to the work of this office and he, too, deserves the grateful appreciation of all Masons in North Carolina.

To all those officers and brethren of the various lodges who have cooperated by mail or in person with the Grand Secretary's office during the year, we extend our sincere thanks. It has been a great

PROCEEDINGS OF THE

pleasure to have many of you bring your problems to this office in person; many others have written us when difficulties have arisen; to all of you we say again, "THANKS." Come to see us when you can. You are always welcome. Write us when we can be of service.

To Brother Bob Sanders and the girls of our office staff, we extend our warmest thanks. It has been a very busy and difficult year, and without each and every one of you we could not have gotten along as well as we did. Each of our associates in this office deserves the hearty thanks and appreciation of the entire Craft in North Carolina.

Respectfully submitted,

CHARLES A. HARRIS, *P.G.M.*,
Grand Secretary.

**REPORT OF
COMMITTEE ON FRATERNAL CORRESPONDENCE
RE COMMISSION ON INFORMATION
FOR RECOGNITION**

(Docket No. 7)

A report of the Committee on Fraternal Correspondence regarding the Commission on Information for Recognition was read by M. W. Brother Wallace E. Caldwell, P.G.M., and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The Committee on Fraternal Correspondence recommends the appropriation of \$100 for the support of the Commission on Information for Recognition. This is an occasional appropriation, not an annual one. The Commission has done a very great work in providing information about Grand Lodges all over the world for chairmen of committees on fraternal relations. They have requested an appropriation to enable them to carry on their work. No further requests will be made until the money they get this time has been exhausted.

Respectfully submitted,

WALLACE E. CALDWELL, *P.G.M., Chairman*,
Committee on Fraternal Correspondence.

**REPORT OF
COMMITTEE ON FRATERNAL CORRESPONDENCE**

(Docket No. 8)

The following report of the Committee on Fraternal Correspondence was read, entered on the record, and unanimously adopted as to (1) *the wording of our recognition to be changed from the United Grand Lodge of Germany to the United Grand Lodges of Germany*, and (2) *the recognition and fraternal relations with the Grand Lodge Occidental at Cali of Columbia*:

To The Most Worshipful Grand Lodge of North Carolina:

The Committee on Fraternal Correspondence reports as follows:

With the union of the Grand Lodges in Germany reported last year, the name was changed to the United Grand Lodges of Germany,

as a matter of form therefore, we recommend that the wording of our recognition be changed from the United Grand Lodge of Germany to the *United Grand Lodges of Germany*.

We have received two requests for recognition during the year, one from the Grand Lodge Occidental at Cali of Columbia, the other from the Grand Lodge of Italy. The situation in Columbia is puzzling. Five Grand Lodges exist with headquarters in different cities but all sharing concurrent jurisdiction. The Grand Lodge Occidental at Cali is small consisting of only five lodges. It has been recognized as regular by the other Grand Lodges in Columbia, by neighboring Grand Lodges in Latin America and by several American jurisdictions. We already recognize three of the Grand Lodges there. All Masonic bodies in this country, struggling under adverse circumstances need encouragement. We therefore recommend that the Grand Lodge of North Carolina extend recognition to the Grand Lodge Occidental at Cali of Columbia and enter into full fraternal relations with it.

Two major Masonic bodies exist in Italy, the Grand Orient and the Grand Lodge, the latter of which has requested recognition. Both claim to be regular and to abide by the Ancient Landmarks. When the two unite and form one strong Masonic body in Italy, this committee will be willing to recommend recognition and not until then. We have received private advices that such a union is possible.

The new Grand Lodge of Turkey is making satisfactory progress. A new Grand Lodge has been organized in Belgium apparently under the aegis of the Grand Lodge of Scotland. Since we have received no requests for recognition from either of these bodies, we defer any recommendations about them for the time being.

We must again warn the brethren against entering into fraternal relations with members of such bodies as the two in Italy, the Grand Lodge, the Grand Orient and the clandestine Grande Loge Nationale of France, and the Grand Lodge of Denmark, none of which are recognized by the Grand Lodge of North Carolina.

A peculiar condition exists in Brazil of which North Carolina Masons who visit that country should be informed. Most of the State Grand Lodges of Brazil, which we recognize, have entered into agreements of amity with the Grand Orient of Brazil which we do not recognize though it is recognized by the Grand Lodge of England. These agreements allow intervisitation. A North Carolina Mason may visit a subordinate lodge under the recognized Grand Lodges, but he may not in company with a Brazilian friend or alone visit a lodge under the Grand Orient without violating his obligation.

Respectfully submitted,

WALLACE E. CALDWELL, P. G. M., *Chairman*.

We are happy to report the cost of the repairs made are within the estimate submitted to you in the recommendation approved during the 1959 Annual Communication of this Grand Lodge. The work amounted to the total cost of \$50.00, inclusive of all cleaning and repairing made to the marker.

REPORT ON THE JUDGE ADVOCATE

(Docket No. 12)

The following report of the Judge Advocate was read, entered on the record, and referred to the Committee on Masonic Jurisprudence:

To The Most Worshipful Grand Lodge of North Carolina:

I was appointed the Judge Advocate of this Grand Lodge at the Annual Communication in Charlotte, April 1959, and since that time I have handled and completed all cases that have been referred to me, with the exception of Dockets Nos. 161 and 162.

As for Docket No. 161, the accused is in Florida and will not return to North Carolina until June of this year and, upon advice of his physician, requested delay in the trial until June, when he will be in North Carolina.

As for Docket No. 162, this was filed too late to have been completed before this Annual Communication and will be heard in the near future.

I have received the full cooperation of the members of the Craft, Officers of the Lodges, Trial Commissioners, and the Grand Lodge Officers. To each and all I extend my appreciation.

Respectfully submitted,

J. GILES HUDSON, *P.G.M., Judge Advocate.*

REPORT OF THE COMMITTEE ON MISCELLANEOUS MASONIC CEREMONIES

(Docket No. 13)

M. W. Brother Robert L. Pugh, P.G.M., Chairman, presented the following report of the Committee on Miscellaneous Masonic Ceremonies, which was adopted and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

At the last session of the Grand Lodge, the Committee on Miscellaneous Masonic Ceremonies was charged with the responsibility of returning certain handbook manuscripts, which had been prepared by committees assigned to such purpose, with the request that they be revised and subsequently resubmitted to the Committee on Miscellaneous Masonic Ceremonies for editing and possible publication.

PROCEEDINGS OF THE

As of the present moment, two of these handbooks have now been mimeographed and distributed: One of these was the handbook prepared for the District Deputy Grand Master. The material for this handbook was prepared under the chairmanship of Worshipful Brother Armon E. Baggett, assisted by Worshipful Brothers Berl M. Kahn and Fred C. Kinzie. This handbook has now been mailed to all Grand Lodge officers, to the Past Grand Masters, and to each District Deputy Grand Master in our Grand Lodge jurisdiction. Those who have received them have been requested to examine them critically and to make such suggestions for their correction and improvement as seems proper.

Another handbook has been prepared for the use of the Secretary of the lodge. The material for this was prepared under the chairmanship of Worshipful Brother Norwood P. Parker, assisted by Worshipful Brothers Haywood S. King and James L. Murphy. This also has been mimeographed and distributed to the Grand Lodge officers, to the Past Grand Masters, and to the Secretary of each lodge in the State. They also have been requested to forward such suggestions for improvement as they deem advisable.

Material for a third handbook has been prepared for the District Deputy Grand Lecturer. This material was prepared under the chairmanship of Worshipful Brother Fred C. Kinzie; and, in order that it might be issued to the proper persons and received with a minimum of confusion, it was handed to the Board of Custodians for their immediate examination. This Board has given assurance that it will make such corrections as seem necessary during the session of the Grand Lodge, following which it will be returned to the committee for mimeographing and distribution.

The committee preparing the handbook for the Master of the lodge is working diligently under a new chairman, Brother Neill W. Freeman, who only recently assumed responsibility for the preparation of this handbook. He and his assistants on the committee feel that they will have the material for this handbook ready for duplication within a very short while, following which it likewise will be mimeographed and distributed to the various Masters of lodges in North Carolina.

There is some doubt, and we feel justifiably so, that there is actually a need for a Trial Manual, as had been authorized. When it is realized that only one or two persons are concerned with such a manual, it is felt that THE CODE itself is sufficient for such purposes and the material in it is readily available to those who are charged with the responsibility of using it.

After all the aforementioned handbooks have been distributed, the Committee on Miscellaneous Masonic Ceremonies recommends that a period of sixty days be reserved for the consideration of any criticisms and corrections that will be made. Following this, the committee would like to proceed with the publication in creditable booklet style of the handbooks. For this purpose it is recommended that the sum of \$2,400 be allocated.

REPORT OF THE REPRESENTATIVE TO THE GEORGE WASHINGTON MASONIC NATIONAL MEMORIAL ASSOCIATION

(Docket No. 14)

The following report of M. W. Brother Robert L. Pugh, P.G.M., Representative to the George Washington Masonic National Memorial Association, was read, entered on the record, and referred to the Committee on Finance, and also to the incoming Grand Master:

To The Most Worshipful Grand Lodge of North Carolina:

The George Washington National Memorial Association was convened in the auditorium of the imposing Memorial at ten o'clock on the morning of February 22, 1960, with the president, Brother Clif Jory, presiding. A gracious welcome was extended by the Most Worshipful Grand Master of Virginia, who had been in his august position only eleven days. The response was made by the Most Worshipful Brother Frank Brown, the Grand Master of Louisiana. President Jory directed attention to a beautiful new United States fifty-star flag, which was presented by Masonic brethren of Norristown, Pennsylvania. President Jory then proceeded with his report, which was a story of the fifty years of the history and growth of the Association, having been born fifty years ago when the Grand Masters of the United States received an invitation to meet on February 22 of that year for the purpose of creating a memorial that would forever perpetuate the ideals of our greatest American and our first president. It was agreed at that time that a memorial such as now stands on Shooters Hill in Alexandria should be attempted, and that the Association should proceed only on a "pay as you go" basis. That policy has been followed from the very beginning. More than seven millions of dollars have been spent on land acquisition, construction, etc. The building is complete on the inside, with the exception of a diorama which is being prepared for the assembly room. The great need now is to provide more publicity in our lodges concerning the Memorial. More than one quarter of a million people visit this imposing structure each year. Lodges interested in programs would surely do well to avail themselves of the slides that are available at no expense to the lodges. Several sets of these are now ready and can be had for the asking.

The problem now is the constantly increasing expense of maintenance and upkeep. As one man has expressed it, "Now that we have it can we afford to keep it?" This question, my brethren, must be answered in the affirmative.

Probably the most important item of business transacted at this session was the unanimous approval of the resolution, which had been introduced by Most Worshipful Brother John Hesse, and which because of its utmost importance to North Carolina, I wish to quote in full.

"Resolved that whereas the time has arrived when every Grand Lodge member of the George Washington Masonic National Memorial Association and every Blue Lodge operating under the several Grand Lodges, members of the Association, should make the necessary finan-

PROCEEDINGS OF THE

cial effort to enable the George Washington Masonic National Memorial to be fully opened and operated and that the endowment fund should be completed;

"Therefore be it resolved that each Grand Lodge be requested to contribute an amount equal to ten dollars per lodge within its grand jurisdiction, said contribution to be forwarded to the George Washington Masonic National Memorial Association as soon as possible.

"Be it further resolved that if the Grand Lodge members of the Memorial Association are in a position to underwrite the contribution, that same be done and the contribution forwarded as soon as possible to the Memorial Association, these contributions to be used during the present year of 1959 for the purpose of operation and maintenance of the Memorial.

"Be it further resolved that each Grand Lodge endeavor to immediately solicit one dollar from each individual Mason within its grand jurisdiction, said amount to be paid into and become a part of the endowment fund of the George Washington Masonic National Memorial Association."

As I have said, this resolution was unanimously approved and it is hoped that sufficient number of the Grand Lodges will provide their whole-hearted approval of it. Maintenance of the Memorial is tremendous. During the last years it has averaged \$85,000, whereas actual receipts have averaged only \$45,100.

This presents quite a challenging question to North Carolina, and your representative believes that at the present time we are not in position to give adequate consideration to all of the implications of such a request. It is recommended, therefore, that the Grand Lodge of North Carolina continue its customary appropriation of \$1,000 to the Memorial, and that a committee be appointed by the Grand Master to give consideration to the resolution hereinbefore quoted, and to present a recommendation at the next session of the Grand Lodge.

Respectfully submitted,

ROBERT L. PUGH, *P.G.M., Representative*

**REPORT OF THE REPRESENTATIVE TO THE
MASONIC SERVICE ASSOCIATION
OF THE UNITED STATES**

(Docket No. 15)

The following report of M.'W.'Brother Robert L. Pugh, P.G.M., Representative to the Masonic Service Association of the United States, was read and entered on the record. The recommendation that the Grand Lodge continue its membership in the Masonic Service Association of the United States for the ensuing year was adopted unanimously, and the matter of finances was referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The forty-first annual meeting of the Masonic Service Association of the United States was held in the South American Room of the

Statler Hotel, February 25th, 1960, at nine-thirty o'clock in our nation's Capitol. The meeting was called to order by William P. Sturtz, Past Grand Master of Minnesota, who was the chairman of the meeting. The report of the Executive Commission of the Association was made and this report was divided into two parts: First, general activities; and second, hospital visitations. Attention was directed to the fact that, with respect to printed material prepared and distributed by the Association, all Digests, Short Talk Bulletins, programs, reports, etc., are distributed to Grand Masters, Deputy Grand Masters, Grand Secretaries, and to such District Deputy Grand Masters, heads of committees, and present and past Grand Lodge officers as the member grand jurisdictions designate. During the preceding year 12 very interesting Short Talk Bulletins were published and distributed, bulletins which could make excellent programs for our lodges. The Association also gathers from all Grand Lodges who desire to do so 50 copies of any document, paper, letter, report, or educational material which they issue to send to all Grand Masters so that all may be informed of what others are doing. More than 1,080 documents were sent out for this service.

The Association also has two prints of talking pictures now available that have been in almost constant circulation. It is recommended that our lodges give serious consideration to the use of the motion picture medium to carry educational messages of Masonic interest. These films are available from the Masonic Service Association.

The hospital visitation program exemplifies the great heart of Masonry in a manner easily recognized and greatly appreciated by those who have no other contact with us. Limited finances at the Association still prevent expansion of this program to badly needed areas. For example, there are still at least two veterans hospitals in North Carolina that do not have this program available to them. North Carolina does have, at the present time, two hospital representatives, one who takes care of the hospitals at Camp Lejeune, Fayetteville, and Fort Bragg, and the other who takes care of the hospital at Oteen, which also includes the division at Swannanoa. In 1959 a total of 5,772 bedside visits to sick Masons were made in North Carolina. The cost of this service in North Carolina by the Association is also an interesting item. For example, the Asheville Center expenditures amounted to \$3,820.22 and the Fayetteville Center expenditures amounted to \$4,281.17. Thus, North Carolina is having expended upon Masons within its hospitals considerably more than North Carolina is contributing to the program. This program is a beautiful example of Masonry in action, and it must be continued at all costs. It is recommended, therefore that the Grand Lodge of North Carolina continue its membership in the Masonic Service Association, with the payment of dues which have been in the amount of \$1,425, and that we furthermore continue our participation in the hospital visitation program by allocating the sum of \$3,000 for this purpose in the budget for the coming year. Both of these items are the same amount as was provided in our budget for the preceding year.

Respectfully submitted,

ROBERT L. PUGH, *P.G.M., Representative.*

REPORT OF THE SPECIAL COMMITTEE ON GRAND LODGE LIBRARY

(Docket No. 16)

The following report of the Special Committee on Grand Lodge Library was read, entered on the record and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

The Grand Lodge Special Library Committee appointed by you wishes to submit for consideration by the Grand Lodge the following report and recommendations:

(1) We have examined the quarters allocated for the Grand Lodge Library and find that ample space has been provided for the filing of proceedings and other valuable books but some means must be devised for the handling and filing of papers and periodicals.

(2) Upon examination, it was found that the proceedings of the Grand Lodge and other important record books recorded during the early 1800's are fast deteriorating and in very bad condition and these valuable records should be rebound for protection before they become entirely useless.

(3) May we suggest for your consideration the advisability of employing a Mason to act as an Assistant to the Grand Secretary and to perform the duties of a librarian. This person should be given the necessary training to enable him to properly index all books and other publications of the Grand Lodge that are now in the Grand Lodge Library.

(4) The Chairman of this committee wishes you to know that since the last annual communication of the Grand Lodge, a lot of hard work and long hours have been spent by Brother Adam A. Husman (No. 40) of Raleigh, in arranging the library books and records in an orderly manner and he is to be commended for his efforts.

Respectfully submitted,

ROY R. POOL, P.M. (40), *Chairman*,

REPORT OF THE SPECIAL COMMITTEE ON GRAND LODGE BUILDING AND QUARTERS

(Docket No. 18)

The following report of the Special Committee on Grand Lodge Building and Quarters was read, entered on the record and adopted:

To The Most Worshipful Grand Lodge of North Carolina:

Your special Committee on Buildings and Quarters wishes to report:

The Grand Lodge Executive Building has been completed and is now the home of our executive officers.

During the past year, there have been some necessary repairs to the building and grounds, and these have been made or are in the process of being made.

During the early fall of 1959, the murals, which you authorized the committee to have painted and installed, have been completed and are now on each of the end walls of the reading room. They depict many of the highlights of our early Masonic history in North Carolina.

They are a beautiful work of art created by Brother Allyn Cox of Essex, Massachusetts and New York City. You are urged to visit your Executive Building and see these beautiful murals.

We wish to also state that with the cooperation of the Finance Committee of this Grand Lodge, the cost of the building, in its entirety, has been paid, and there are no outstanding obligations.

With the installation of the murals, the committee has completed the work for which it was created, and we now request that the committee be discharged.

THE 1961 ANNUAL COMMUNICATION**

(Docket No. 19)

To the Most Worshipful Grand Lodge of North Carolina:

The Board of General Purposes, at its regular meeting held in the Grand Lodge Office Building at Raleigh on January 8, 1960, received an invitation from St. John's Lodge No. 3 and Doric Lodge No. 568 of New Bern, and other lodges of the Seventh Masonic District, inviting the Grand Lodge to hold its 1961 Annual Communication in New Bern. No other invitations had been received at that time, and none have been received since.

The Board of General Purposes at its regular meeting on April 19, 1960, held in the Hotel Sir Walter in Raleigh, voted unanimously to recommend that this Grand Lodge extend its appreciation for the invitation and interest of our New Bern brethren and their friends, and this Board unanimously recommends that the 1961 Annual Communication of the Grand Lodge be held in New Bern.

PROCEEDINGS OF THE
REPORT OF THE BOARD OF DIRECTORS
OF OXFORD ORPHANAGE.

Incorporated

(Docket No. 20)

The Board of Directors of Oxford Orphanage presented the following report, which was received, entered on the record, and referred to the Committee on Finance:

*To The Grand Lodge of Ancient, Free and Accepted Masons
of North Carolina:*

The Board of Directors of Oxford Orphanage herewith submits its report to the Grand Lodge of North Carolina, which includes a detailed report of the Superintendent and the Departments of the Orphanage.

We are especially happy to realize that during this year a greater number of Masons visited the Orphanage. We believe that their visit gave them a new insight into the work that is being done with the children and also enlarged their vision of the beauty of Masonry in action. Again we urge each Lodge to arrange a visit for its members in order to adequately portray the program of Oxford Orphanage.

The Board of Directors held its regular meetings throughout the year and administered all the affairs of the Orphanage. The Executive Committee and the Local Advisory Board in Oxford held their regular meetings and made full report to the Board of Directors.

The Board of Directors is most grateful to the Orphanage Committees in the local Masonic Lodges because of the strenuous work that was done through the Thanksgiving-Christmas solicitations for support of the Orphanage. We are especially grateful to the Grand Lodge, the various Masonic related bodies, the Shrine Temples, the Order of the Eastern Star, Rainbow Girls and DeMolay boys for their generosity in promoting the welfare of the Orphanage.

The Board of Directors greatly appreciated the continued support of the State of North Carolina and the approval and appropriation of the Duke Endowment.

Because of the generosity of the Masons and friends, Oxford Orphanage again operated within its budget and completed the year free from debt. During the year, we completed the construction of the new St. John's Building and began the construction of the new Dining Room-Kitchen. With the erection of these new buildings our Orphanage will have adequate buildings for its needs. All of our buildings are adequately covered by insurance.

During the year our Orphanage was filled to capacity. We closed the year with an enrollment of 312 children, serving children from 63 counties, of which 19 are children of Masonic heritage.

We recommend that the Grand Lodge appropriate the same amount for the support of the Orphanage for the year 1960.

Again we urge each Mason to familiarize himself with this report

and to visit the Orphanage so that he may appreciate his part in the development of boys and girls.

ADDRESS OF THE GRAND ORATOR

(Docket No. 26)

The Grand Master recognized and presented W. Brother Lauren R. Sharpe (13), Grand Orator, who delivered the following address:

*Most Worshipful Grand Master Hand, Most Worshipful Sirs, Right
Worshipful Sirs, Worshipful Brethren, and Brethren:*

THE MASONIC QUEST

As I sat here pondering the things that I might say tonight, I somehow sensed that it was my responsibility to convey to you the three prime qualities of a good speech—stand up, speak up and shut up—but as I wondered much about the things that I was to say, I considered that I would be a most ungrateful cur if I did not take time here to express my sincere gratitude and appreciation to our most wonderful Grand Master for the privilege which he afforded me when he appointed me to this great task. I wish also to express my appreciation to the brethren with whom I have been in contact and who have been most cooperative and helpful to me; for as I say this, I feel deeply the fact that this to me has been the greatest year of my life. In my fellowship with Masons throughout our great State, I have found some of the greatest friends that I ever hope to make. You have been kind, understanding, and most helpful. I thank you so much!

One of the greatest difficulties that you and I face with this life of ours is the difficulty of finding ourselves. We wander like misplaced adolescents unless we realize whence we came, what we came here to do, and where we are going. Oft times, I have heard elderly people speak of some of our teenagers and the problems which they face. They become rather distressed at the activities in which they are engaged until at last someone will come up with the words of wisdom, "Don't worry, sooner or later he will find himself."

When we approached the moment wherein we decided that we would like to become a part of Masonry, we were conscious of the fact that we did not possess something which we sought, though we knew not exactly what we were seeking. When at last we made our entrance into the great Craft, and we were received so tenderly and graciously and were confronted with the wisdom of the ages and the hopes of all times to come, then it was that we began to really understand that life has a greater purpose than we had before considered and realized and now we have a means whereby we can better accomplish the purpose for which we are come.

I think some of the most challenging questions which I was ever asked were the ones which sometimes too simply we overlooked, for the sum total of Masonry is to be found in these questions. Whence came ye? When we ask ourselves the source of our beginning, we begin to think deeper than the fact that maybe twenty-five, or thirty, or forty, or fifty years ago we became a living person. We begin to realize that in the great design of things, the Creator had us in mind, too. For actually we go further than coming from the Lodge of the Holy St. John's of Jerusalem; we go not only through that heritage, but we go to the source of their noble lives too. The beauty of our Craft is its ability to last and last through the centuries because it has a well-founded hope, and purpose and knowledge. We come from a source with purpose. When the Great Creator looked out across the great expanse which he beheld and saw that it was now the desire of his heart to make it have form and purpose, he made the things which we know and see and enjoy, but more than that the crowning achievement of his creative ability lay in the creatures he called man. If he made these creatures called man, and we are a part of mankind, then we indeed had a most holy and glorious beginning. When I was a little lad learning the catechism, of which I am still fond, the first question that I was asked that I shall never forget, "Who made you"? First, the answer was God. Then, what was the chief end of man? To glorify God and to enjoy him forever. Oft times in the growing process of life, I pondered these questions and yet when at last I found an entrance into our great Order and I was asked once more, "Whence came ye?", then it was impressed greatly upon my mind that I had a good beginning.

Then, another question which we must inevitably remember—In whom do you put your trust? How forcibly that stands out in our minds too, for our hope and trust being in God, then we have a well-grounded hope, a promise which grants unto us the reality of immortality. What would be the glory of life were it not for the promise of better life to come. What would be the joy of building a life upon ideals were it not for the knowledge that when at last we had built life upon ideals then we would have a life worthy of that which we could find no other way. We find many misconceptions of life, a type of which I experienced on one occasion when a friend of mine and I were talking with a group of young people whom we were going to escort to the beach for a few days. We were trying to tell them the things that we were going to do and approximately how much money it was going to cost, trying always to keep the cost at a minimum. Presently, one of the young ladies stood up and said that she had asked her mother for a certain amount of money which was approximately four times what we had said was necessary and her mother had some-

how insisted that she could not have it, and there in the midst of us she said, "If I cannot go and be like somebody, then I shall not go." How much it is a mark of life that we consider the finding of success and the being somebody dependent upon that which we can hold in our hands, wear upon our bodies, or point to in pride to our friends. In the sum total, life is what we are inside, what we have become by our associations, not that which is material, but that which is divine, spiritual. It is absolutely imperative that we being Masons consider the hope which we have because of the one in whom we possess that hope.

As we continued then our journey, we came face to face with another great question. "What came ye here to do?" If I had a holy beginning, if there were a divine Creator who had me in mind in his creativeness, then surely he had something for me to do, something for me to become, and my responsibility to that is that I should find out what it is. We say that we have come to learn to subdue our passions, to improve ourselves in our Craft. We must have control over the faculties of our lives. A man must know where he stands and how he shall continue to stand. We must know the value of the lives which have been entrusted to our keeping. We must see deeper into the nature of ourselves that we might become truly somebody. We have been loved. We have been tenderly treated and mercifully favored, all because of an interest that someone bigger than we had in us.

Sometimes we are most unworthy of that consideration, but in spite of our unworthiness it has become our personal possession, our esteemed pride. If we are to accomplish much in our journey together, it will be when we realize that we are someone who has a responsibility to the building of a greater world. It can be said of us now as we face a world that is confused, oppressed, and misunderstood that we are men with a destiny. We pride ourselves in the fact that we take men and seek to build better men. We look to the accomplishment on the face of the earth of a society which will bind men together to a point that wars shall cease and that which man does shall be only constructive. Our Order is considered and known to be one of the greatest forces on the face of the earth for human freedom and brotherhood. Our brotherhood and the ideals which we find in it overpass those that normally are found in religious bigots. We look out with great hope that in some tomorrow we shall be greater united and the world shall have a lasting peace. It comes because of our sense of value of the human life, our understanding that all life is sacred. That we belong to the Creator and even more to each other. We have opportunity.

I am reminded of a story—a parable—that was told by a Theologian many years ago in which he said one day he was walking along and he saw a little acorn lying on the ground. He reached down and picked up the little acorn and looked at it and held it very tenderly and suddenly the little acorn began to talk to him and it said to him,

By and by I shall be the shade for the tired wayfarer as he comes walking along the road.

He said, I spoke to that little acorn, and I said to it, *Little acorn, can you do all this?*

He said, *Yes, God and I.*

Then the little acorn said, *By and by, I shall be the great frame-*

work for the ships which sail the seas and bring men closer together.

Little acorn, can you do all that?

Yes, God and I.—By and by I shall be the structure for a great building, for homes in which people shall live. I shall be the furniture to warm that home.

Little acorn, can you do all this?

Yes, God and I.

and I began to think, Joseph, Son of Slavery, can you feed the starving Children of God? "Yes, God and I." Moses, Shepherd of the fields, can you guide the Children of God out from under the oppression and the bondage of Egypt? "Yes, God and I." Jesus of Nazareth, can you successfully teach men the Fatherhood of God, the Brotherhood of Man? "Yes, the Father and I." Little men who through the passing of years have kept and held high the principles of right, truth, democracy, can you bring about upon the face of the earth a nation which will not only be a leader but will somehow set a pattern for men to follow, one even in its newness that could accomplish this, and we hear the Pilgrim Father, "Yes, God and we."

O, Masons of the twentieth century, men of destiny, can you accomplish peace on earth, the brotherhood of men, the worth and value of humanity and the glory of the search for truth? Can you accomplish this? It shall be our answer. "Yes, by the Creator who ordered it to be so and it was done."

Hither we look, let us look with noble hearts, let us look with searching eyes, let us look with receiving love. May the great Creator in this new Masonic year that will begin grant unto us all a clearer sense of direction, a compelling sense of mission, and a realizing sense of companionship—human and divine.

Thank you!

PROCEEDINGS OF THE

REPORT OF THE GRAND MASTER

(Docket No. 27)

M. W. Brother William Eli Hand, Grand Master of Masons in North Carolina, delivered the following report, which was referred to the Board of General Purposes. (SEE page 143 of these Proceedings for the distribution of the report) :

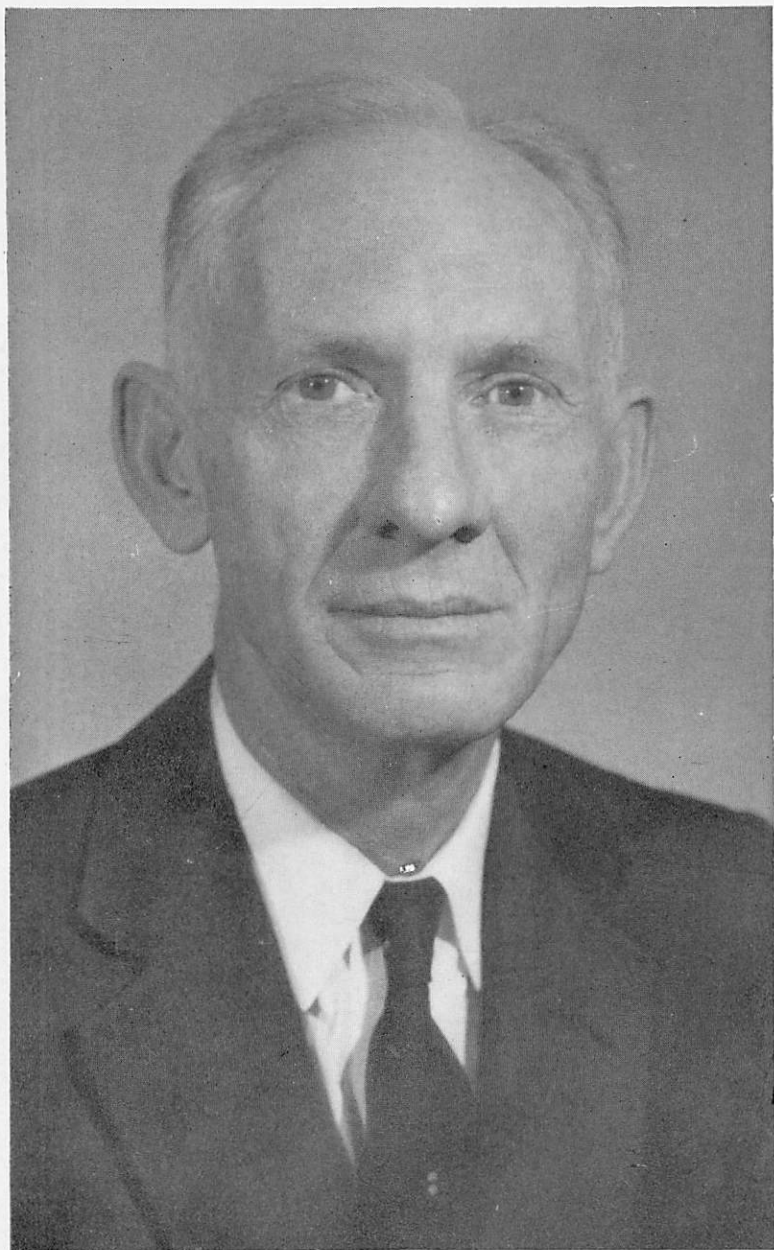

To The Most Worshipful Grand Lodge of North Carolina:
Brethren :

Once again we have returned to Raleigh, our Capital City, for the Annual Communication of The Grand Lodge of North Carolina. On behalf of the Grand Lodge, I wish to express our sincere appreciation to the Raleigh brethren for the very capable manner in which they have planned for this Communication.

It is indeed a privilege and a pleasure to welcome you to our One Hundred Seventy-Third Annual Communication. On this occasion we are honored to have with us distinguished guests from other Grand Jurisdictions. To the distinguished guests and others in attendance, may I say that it is my sincere wish that you will reap benefit from our various sessions and that your stay in Raleigh will be most happy and pleasant.

Last April, after being elected Grand Master, I said, among other things, that the success of Masonry in our Grand Jurisdiction during the year ahead would not result from the ability of your Grand Master, but instead it would depend on the efforts of each individual Mason. Sufficient time has not elapsed to evaluate properly or to make a comparison of our present day condition with that of a year ago, but irrespective of the present status I do wish to express my sincere appreciation to those Masons who, during my term of office, have given freely of their time and their talents for the good of Masonry. To them I shall be grateful always, particularly for their moral support and encouragement.

One of the greatest disappointments during my year as Grand Master was my inability to accept numerous invitations that were extended to me. I do not believe in offering an alibi or an excuse for non-performance of duty and such is not my purpose now. Instead the subject is here mentioned for the purpose of stating to those who received my letters of declination that I sincerely appreciated their invitations

WILLIAM ELI HAND
Grand Master 1959-60

and had circumstances permitted, I would have been in attendance and enjoyed the occasion. At the meetings which I did attend, I was most graciously received, and I was deeply impressed with the respect of the brethren for the office of Grand Master. In my opinion, such respectful attitude of the brethren results from the very capable and dignified manner in which my predecessors in office discharged their duties.

FRATERNAL DEAD

I seriously doubt if there is a person here tonight who has not experienced at some time in his life the passing of one who was near and dear to him. Such an experience is indeed a trying one. The well-meaning friends and associates do all they can to alleviate your suffering, but peace of mind is never attained unless you have sufficient faith to accept such passing as being the will of God. Certainly every Mason who understands and believes in our teachings should have the reserve power to see him through in such an hour of trouble. During the year, 976 brethren in this Grand Jurisdiction have passed onward. As Grand Master, and on behalf of the Most Worshipful Grand Lodge of North Carolina, I wish to express our affectionate sympathy to the families and friends of those departed brethren. Since our last Annual Communication, our official family has been saddened by the death of a devoted Mason, Right Worshipful Lester H. Gillikin, Senior Grand Warden, who passed to his reward on August 13, 1959. I called an Emergent Communication of the Grand Lodge in Goldsboro, North Carolina, on August 15, 1959, and Brother Gillikin was buried with Masonic honors, the grave-side service being conducted by Most Worshipful Robert L. Pugh. Suitable resolutions will be presented later at this Communication. May we stand for a moment in silent tribute to their memory, after which the Grand Chaplain will lead us in prayer.

THE GRAND MASTER'S PROGRAM

Last April, after being elected Grand Master, I stated that it would be my purpose to adopt and promote the program that was initiated by the outgoing Grand Master, M. W. James G. Johnston. Such program included the furtherance of the following objectives:

1. Promotion of "The Lodge System of Masonic Education."
2. Faithful Compliance with Masonic Law.
3. Re-emphasis on the Moral Law.

THE LODGE SYSTEM OF MASONIC EDUCATION

The first objective item just mentioned was not only included on my program and the program of Past Grand Master Johnston, but also on the programs of other Grand Masters who preceded us in office. It is not mandatory for each individual lodge to make use of the "Lodge System of Masonic Education," and some of our outstanding Masonic leaders think that at the present time we should let its adoption remain permissive. There is no doubt that it will be far more effective if we can attain our goal by persuasive efforts rather than by force whereby every lodge will use this educational system. Towards this end I desire to make a personal appeal to the representatives of the lodges here assembled who are not employing the "Lodge System of Masonic Education," that they will upon their return to their lodges give thoughtful consideration to this matter. It would certainly be pleasing if next year we could hear our Grand Master report that all lodges in our Grand Jurisdiction had placed in use the "Lodge System of Masonic Education."

MASONIC LAW

Insofar as the updating and publishing in clear language of the Masonic Law of this Grand Jurisdiction, I can report to you that we are in excellent position. Our Masonic Law is not, as some think, the work of one or two people, but instead it represents the mature decisions of many well informed Masons since the establishment of our Grand Lodge. When a Grand Master makes a decision that will or will not become Masonic Law, it is referred to the Committee on Masonic Jurisprudence which is composed of well qualified men, and to satisfy your minds as to their ability I would suggest that you read the membership of this Committee. This Committee passes on every decision that is made and after their approval or disapproval, it is voted on by the Grand Lodge, which by its structure is controlled by the representatives of the individual lodges. The updating and publishing of our Masonic Law is a tremendous task and during my Masonic career this duty has been accomplished by a few devoted Masons. During the more recent years this job has been placed principally on the shoulders of one man and I now refer to Past Grand Master and Past Grand Secretary Charles Bailey Newcomb.

As previously stated, our published Masonic Law is in excellent condition and I wish that I could report to you that compliance with such law was in the same relative position,

but such is not the case. This is, in my opinion, one field to which our Grand Lodge must give more attention. I think our first efforts to accomplish our objective should be in the educational field and I am encouraged to believe that the result of the efforts of the committees appointed to devise manuals of instructions to the various lodge officers will be the first step in this direction. Further reference will be made in this report concerning such committees. Here again we must employ every persuasive effort possible to accomplish our purpose, but in the final analysis the Grand Lodge must insist on faithful compliance with our Masonic Law. Neither the subordinate lodge nor the Grand Lodge can maintain this grand order of ours by electing men to office who do not have the moral stamina to abide by the laws and the regulations as they are written.

To bring about improvement we will have to handle the problem step by step. First we should be careful in our recommendations with respect to men who petition for the degrees in Masonry; second we should act with diligence if we are members of an investigating committee; third we should be careful in selecting the white ball or black cube at the ballot box; fourth we should choose with care the officers of our own lodge, and fifth we should be careful in our selection of Grand Lodge Officers.

MORAL LAW

For the past forty years I have noticed that most speakers try to emphasize that the subject under consideration was at that time either in its best condition or its worst condition. In other words, the speaker was either pointing with pride or viewing with alarm. It is impossible for me to say whether the average Mason of today is more faithfully complying with the moral law than the average Mason of yesteryear, but I do believe that the present day Mason is more enlightened as to his duty in this respect than the Mason of preceding years. In my opinion, this improvement has been brought about by our educational efforts aimed in this direction.

Insofar as the overall situation, it is my belief that anyone who reads printed matter, or listens to other media of information supplied by radio and television, and who has the intelligence to understand, will agree that the present moral situation throughout the world leaves much to be desired. It has reached such point that one wonders if individuals and nations have not lost their will to distinguish

between right and wrong. Every man must be true to himself before he can be true to his fellowman and every man, particularly a Mason, should live in accordance with the moral law before he requires it of his neighbor. Certainly in these chaotic times we need men who can be relied upon; men whose word is their bond; men who are faithful to their trust, and men who will be true to their God, their country and their fellowmen.

EMERGENT COMMUNICATIONS

During my term as Grand Master eight Emergent Communications were called. One was for the purpose of conducting the funeral service of Right Worshipful Brother Lester H. Gillikin, Senior Grand Warden, to which I have previously referred. Three were called for the purpose of laying cornerstones, and four for the purpose of dedicating new temples.

CORNERSTONES

Thomas M. Holt Lodge No. 492, Graham, on September 5, 1959. The ceremonies were conducted by M. W. Charles A. Harris, Past Grand Master, Grand Secretary.

New dining room and kitchen of Oxford Orphanage at Oxford, on October 2, 1959.

Semper Fidelis Lodge No. 680, Jacksonville, on November 14, 1959. The oration on this occasion was delivered by Illustrious Brother Luther A. Smith, Sovereign Grand Commander, Ancient and Accepted Scottish Rite of Free Masonry, Southern Jurisdiction.

DEDICATION OF TEMPLES

Jeff L. Nelson Lodge No. 605, Tryon, on October 23, 1959. M. W. Charles A. Harris, Past Grand Master, Grand Secretary, conducted the ceremonies.

Union Lodge No. 618, Midland, on December 3, 1959. The ceremonies were conducted by M. W. Luther T. Hartsell, Jr., Past Grand Master.

Colerain Lodge No. 171, Colerain, on January 29, 1960. The ceremonies were conducted by M. W. Charles A. Harris, Past Grand Master, Grand Secretary.

Hamlet Lodge No. 532, Hamlet, on March 18, 1960. The ceremonies were conducted by M. W. Robert L. Pugh, Past Grand Master.

LODGES INSTITUTED

It was my pleasure to grant the following dispensations to form new lodges in Troy, North Carolina to be known

as Troy Lodge U. D., and in Columbus, North Carolina, to be known as Horse Creek Lodge U. D. The Lodge at Troy was instituted on June 10, 1959, at 7:30 P.M., and the Lodge at Columbus was instituted on August 13, 1959, at 7:30 P.M.

LODGES CONSTITUTED

At the One Hundred Seventy-Second Annual Communication of the Grand Lodge, two charters were granted to lodges and they were duly constituted as follows:

High Point Lodge No. 716, High Point, N. C., on Wednesday, May 6, 1959, at 8:00 p.m.

Burnsville Lodge No. 717, Burnsville, N. C., on Saturday, May 16, 1959, at 3:30 p.m.

PHYSICAL DISABILITY

Only four requests for dispensations to waive physical disability came to my attention during the year. In two cases dispensations were refused, and in two cases dispensations were granted.

DISPENSATIONS GRANTED

During the year I granted dispensations as follows:

1. Seven (7) dispensations for lodges to elect various officers because of the failure of these lodges to elect at the time provided for in their by-laws and in THE CODE; and also because several of these officers declined to be installed after election.
2. Dispensations were granted to three (3) lodges for each to hold an emergent communication in a place other than its regular meeting hall. In each case the lodge was instructed to see that the meeting place was properly tyled and protected from cowans and eavesdroppers, which requirement I was not authorized to waive.
3. The Lodge Building of Hall Lodge No. 53 was destroyed by fire on February 27, 1960, and a request was filed for a dispensation for this lodge to meet in the lodge hall of Widow's Son Lodge No. 75, at Camden. The territorial jurisdiction of each of these lodges is not to be affected or changed in any manner by the dispensation, which dispensation will become void and of no effect on the first day of September, 1960.
4. Derita Lodge No. 715 requested a dispensation to hold their communications in the lodge hall of Long Creek Lodge No. 205, at Huntersville, until Derita Lodge is enabled to meet in its own lodge hall, which would be possible in about six months. This change is made necessary since the lodge is required to move from their present building. The territorial jurisdiction of each of these lodges will not be affected or changed in any manner by this dispensation, which dispensation will become void and of no effect on the first day of September, 1960.
5. Four requests were received for dispensations for groups of brethren of other Grand Jurisdictions to confer one or more de-

PROCEEDINGS OF THE

grees according to their ritual in our lodges. The four requests were granted upon the condition that those brethren from other jurisdictions would be visitors in the North Carolina lodges, and that our lodges would be open for the work.

DISPENSATIONS DENIED

Request for dispensations were denied as follows:

1. A lodge requested permission to ask a lodge in Maryland for a waiver of jurisdiction over a resident of Maryland to enable him to petition our lodge for the degrees. A sufficient Masonic reason was not given for this request; therefore, it was denied.
2. One of our lodges requested a dispensation to permit its Third Degree team to confer the Third Degree in a lodge in Louisville, Kentucky, according to our ritual. This dispensation was declined because I have no authority over work done in Kentucky. There is of course no objection for a group of our brethren to accept an invitation to confer Degrees according to our ritual in other Grand Jurisdictions.
3. A lodge requested a dispensation to hold an annual election of its officers on Friday, December 18, 1959, whereas THE CODE required that the election be held on December 26, 1959. I refused the request because I had no authority to set aside the specific Regulations 51-02 and 62-01.
4. A dispensation was denied for a lodge to hold an election to fill a vacancy in the office of Master, because no exceptional reason therefor was presented to me. Regulation 65-16 and 65-19 requires the Senior Warden to automatically fill such vacancy, as Acting Master unless an exceptional reason exists to justify a dispensation to hold an election to fill it.

OFFICIAL OPINIONS

Opinion No. 1

The by-laws of St. John's Lodge No. 3 provide for stated communications on the second and fourth Wednesday of each month, except for June, July, August and September. It failed to hold the first stated communication on November 11, 1959, because there was not a quorum present. At the second stated communication on November 25, 1959, the lodge acted to exclude several members for non-payment of dues, but the required Official Form No. 24 was NOT entered on the minutes of that communication.

There are two important questions involved in the case:

1. If a lodge fails to hold its first stated communication in November for any reason, what is the procedure in handling delinquent members to whom Official Notices of Delinquency on Official Form No. 23 have been properly mailed the preceding September? This is the first time the question has ever been raised and the disposal of this case does not depend upon an answer to this question. The probability of its ever being raised again in the foreseeable future is so remote that we withhold an official opinion on it for the time being, in order to answer the more important question in this case, to wit:

2. Is the action of this lodge in excluding certain members at its second stated communication of November 25, 1959, legal?

The action is NOT legal, but is void, for other, more definite and conclusive reasons than for failure to meet on the first stated communication November 11, 1959.

At the time of the alleged action at the second stated communication held on November 25, 1959, the required Official Form No. 24, "Secretary's Report of Delinquent Members and his Certificate of Compliance with Regulation 85-33," was NOT recorded in the minutes of that stated communication as required in Regulations 85-33(1) and 85-34. Unless that certificate is *actually entered* on the minutes, the lodge does NOT have jurisdiction or right to exclude a member for non-payment of dues at any time. It is the recording of Official Form No. 24 on the minutes that is conclusive evidence that Official Form No. 23, "Official Notice of Delinquency," has been duly mailed to the member and which gives jurisdiction and right to the lodge to proceed under Regulation 85-34. After twenty years it seems that this procedure would be clearly understood by our lodges.

There is not a scintilla of evidence in the minutes to show that any of these members were notified on Official Form No. 23, between September first and fifteenth, 1959, to pay his dues, or to appear before the lodge and show cause why he should not be dealt with for failure to do so, all of which would have been conclusively settled if the Official Form No. 24 had been duly entered on the minutes as required by the Regulations.

It is the intent of the Grand Lodge that we shall not depend upon *memory* for important facts when it is required by law that a *permanent and conclusive record be made of such transactions*. REGS. 85-33(1) and 85-34, first paragraph.

If the lodge had met on its first stated communication, November 11, 1959, and had *failed* to enter Official Form No. 24 on the minutes, any attempt to exclude a member would likewise have been illegal and VOID.

Exclusion of a member for non-payment of dues is a judicial act and should meet all the requirements of the law; otherwise, it is illegal and void.

The members must be restored to the roll of membership of this lodge. Let the records in the office of the Grand Secretary and those of St. John's Lodge No. 3 be made to conform to this opinion. The Grand Secretary will issue such directives as may be necessary to carry out this opinion and to settle any financial matters involved.

Opinion No. 2

1. On September 5, 1952, Brother Paul Tabor Meyers applied for a demit on our Official Form No. 35, to our St. John's Lodge No. 4; this document is now before us.
2. At the stated communication of our Lodge No. 4, September 8, 1952, a notation was made in the minutes as follows:

"A request for a demit to Franklin Lodge No. 14, of Bloomfield, Iowa, was made by Brother Paul T. Meyers."

The entry stated that a demit had been requested, but did NOT specifically state whether or not the demit was granted;

PROCEEDINGS OF THE

however, on the same date, September 8, 1952, the Secretary issued a proper Certificate of Demit on Official Form No. 36, which document is now before us.

QUESTION:

Is the demit, now held by Brother Paul Tabor Meyers, issued and dated as set out above, a legal demit?

ANSWER:

Yes. The only point of regular procedure that is missing is the failure of the Secretary to record in the minutes the *specific action* taken by the lodge on the application for a demit, and I believe this is supplied by the facts stated in item No. 2 above, together with the fact that a member cannot be refused a demit if he is clear on the books and not under charges, and in this case, the Certificate of Demit specifically clears up that point. Brother Paul Tabor Meyers was demitted by our Lodge No. 4, on September 8, 1952. REGS. 84-04(1, 2, 4.); 84-12; 84-33; Official Forms No. 35 and 36.

Opinion No. 3

Answering your inquiry of October 19, 1959, about the above subject, I enclose the original letter of January 11, 1960, from the Secretary of our St. John's Lodge No. 4, stating that he has examined the books showing the financial account of Brother Whaley with the lodge from 1927 through 1959, and at no time has this member been Excluded for NON-PAYMENT OF DUES nor liable for exclusion; and that there is no record in the minutes of his lodge to show this member non-affiliated during that period; therefore, the brother is entitled to the Grand Lodge of North Carolina Service Award.

Opinion No. 4

Brother Edward Charles Erisman was a member of our Phalanx Lodge No. 31. On June 16, 1925, he was excluded for non-payment of dues which action was duly recorded in the minutes of that date. On March 16, 1926, at a stated communication he was presumed to have been restored, but there is no record in the minutes of any communication to that effect. There is a record in the ledger account of this member showing his restoration on March 16, 1926. On May 18, 1937, (About eleven years after this supposed restoration on March 16, 1926) he was demitted which is recorded in the minutes of that date, also in the ledger account.

The ledger account shows the following payments: On March 13, 1926, \$14.00 and \$6.00 (being the arrears for which he was excluded plus the current year, 1926) and each year thereafter, from 1926 through 1935, or ten years, he paid \$8.00 annually. His name was NOT reported in the annual returns of this lodge after 1925, neither has this lodge paid the per capita tax on him for that period of time.

What date was this brother restored to membership?

This is one of the many cases of incomplete and inaccurate records due to the gross carelessness on the part of the former Secretary of this lodge. The restoration should have been properly recorded in the minutes; automatic restoration was not in effect in 1926. The ledger account record in this particular case being as complete in its details as possible for it to be, and the member having paid dues for

ten years (1926 through 1935) and having been demitted by the lodge based upon the supposed restoration, I think this ledger account record, when considered along with the two accurate records in the minutes of June 16, 1925, and May 18, 1937, is sufficiently authentic to establish the date of restoration in this particular case as March 16, 1926, and it is so ordered.

Let the records of the office of the Grand Secretary and those of this lodge be made to conform to this order and the Grand Secretary will issue such directives as may be necessary to carry out this order, and to settle any financial matters involved. This lodge must pay the required per capita tax in this case.

Opinion No. 5

1. At the stated communication of Phalanx Lodge No. 31 on November 16, 1943, the following entry was made on the minutes relating to delinquent members:

"The list of delinquents was read for the third time, and on motion action was deferred until the next stated communication, with the exception of Brother O. K. Davis, whose dues were remitted to date on motion of Brother Person."

2. At the stated communication of said lodge on December 21, 1943, the following is recorded in the minutes as the action of the lodge:

"On motion of Brother Rothrock the following brethren were ordered suspended N. P. D. as of this date unless between now and December 31 their indebtedness to the lodge should be curtailed by not less than one year's dues.

Henry C. Alexander
John B. Halliburton
H. A. McGinn
H. C. Northrop
J. C. Whitsett

M. T. Bethel
H. W. Indell
Carl D. Moore
J. E. Steere
J. E. Willson, Jr."

QUESTION:

Is the action of Phalanx Lodge No. 31 correct and lawful on these records?

ANSWER:

The action of this lodge is not in conformity with the law at the time the action was taken.

The procedure for handling delinquent members in 1943 was the same as it is now, that is to say our Regulations 85-30 through 85-34 are the same as former Section 101 of THE CODE of 1924, as that Section was amended in 1940, because the required Certificate on our Official Form No. 24 was not recorded in the minutes of November 16, 1943; and further because the alleged exclusions for N. P. D. on December 21, 1943, is conditional exclusion which was not permitted in 1943, and is not permitted now; therefore, I am obliged to declare that events recorded in these minutes were in conflict with the law of this Grand Lodge and therefore void.

This opinion will be read at the first stated communication of Phalanx Lodge No. 31 after its receipt and entered upon the minutes of that communication. The Grand Secretary will issue such direc-

tives as may be necessary to have the records in his office and those in the office of the Secretary of this lodge to conform with this opinion, and all financial matters will be adjusted accordingly.

Opinion No. 6

1. March 16, 1959, our Hiram Lodge No. 40 entertained a motion to amend its by-laws to increase the annual membership dues from \$10.00 to \$15.00, effective January first, 1960. Action was deferred to a subsequent stated communication.
2. April 20, 1959, at a stated communication the motion came up for the vote and it was rejected.
3. On July 6, 1959, another new, but similar, motion was made and laid over to the stated communication of August 17, 1959.

QUESTION:

What period of time, if any, should have elapsed between April 20, 1959, and July 6, 1959.

ANSWER:

A motion or a resolution to amend by-laws of a subordinate lodge must lie over at least to a subsequent stated communication before a vote is taken; therefore it may be renewed or made at the same stated communication at which it has been rejected, but it must lie over each time it is made as required in REG. 50-01 (Art. 24), page 113 of THE CODE, and such motion or resolution may be made as often as it has been rejected.

It is not required that the membership have any special notice of a pending amendment to the by-laws, but the lodge may give such special notice if it desires to do so.

Opinion No. 7

Your letter of October 29, 1959, addressed to Brother Robert N. Bass, Jr., District Deputy Grand Master of the Twenty-third Masonic District, about filling vacancies in office during last April and May, has just been brought to my attention. It seems that on April 6, 1959, the lodge received and accepted the resignation of Brother George S. Abshier, as installed Junior Deacon, since he was preparing to leave the State permanently. This action by the lodge is void under Regulation 64-02 and 65-01 (7), last two lines, because the resignations and vacancies were not approved by the Grand Master.

On May 18, 1959, the lodge received and accepted the resignation of Brother Forrest H. Pecht as installed Steward, and he was appointed Junior Deacon and installed, and at the same time, Brother Alton Strickland was appointed and installed Steward.

This action by the lodge is void, because it conflicts with Regulation 64-02, the Grand Master not having approved the resignation of Brother Pecht.

Regulation 65-07 does not apply, because there is no question of physical or mental disqualifications of any party involved, and 65-08 does not apply, because the resignations were not required, that is, demanded, and the consent of the Grand Master was not obtained in any of these cases.

Since the annual election of officers of your lodge will be held within a few days, it will not be necessary to upset the status quo;

however, this order must be read at the first stated communication of your lodge after it has been received and it must be entered in full upon the minutes of that stated communication.

Opinion No. 8

FACTS:

Mr. J. W. P. on February 19, 1959, petitioned Greensboro Lodge No. 76, for the Degrees and at the time he was a patient in the V. A. Hospital, Oteen, N. C., undergoing treatment for active tuberculosis which may require a minimum of thirty-six months, according to his written statement. The petition was read in, but not received by, the lodge on February 26, 1959.

ANSWER:

It is my opinion that the petitioner is not physically qualified for the Degrees in Masonry, as long as he is undergoing treatment for active tuberculosis, which is generally known to be a communicable and highly contagious disease and is often fatal. When he is discharged because his case is arrested, or cured, he may then consider making a petition for the Degrees.

Opinion No. 9

Reference is made to your letter of May 25, 1959, to our Grand Secretary which he mailed to me, about the rejection of two petitioners for the degrees, Messrs. H. M. E., Jr., and G. C. E., in your lodge on May 5, 1959, and you ask for an Official Opinion on two questions, and for a dispensation.

You suggest that brother "X", a member of your lodge, has been heard to say that "so long as he is a Mason, neither of these boys need ever expect to be a Mason or at least a member of his lodge," or words to that effect, and that when the ballot was taken these two petitioners were rejected, but it is not shown that brother "X" was present at the balloting, and whether or not the ballot was passed once or twice, neither is it shown beyond a reasonable doubt that brother "X" made the alleged statement; particularly, there is no statement at all directly from brother "X"; therefore, your various preliminary statements are of very little value in arriving at a proper answer to your two questions.

Almost every case in which a member or members try to overcome or circumvent the effect of a black ball causes discord in the lodge. The black ball, when properly used, is a weapon of defense and security. Among the first principles of Masonry we find that no man should be permitted to become a member unless he is acceptable to every member of the lodge; therefore, we have the secret, unanimous ballot for admission and the penalty of expulsion for divulging a vote either for or against a petitioner, or for purposely seeking to learn the kind of ballot cast by another member. [A.D. 678; REGS. 76-07; 76-28; 97-02 (6, 7,)].

The failure or refusal of some officers and members to fully understand and accept the purpose of this law is too often the cause of improper attempts to pressure the membership to admit a person who is a relative or the particular friend of some influential member, whether or not the person is acceptable to every member.

Neither the lodge nor any officer or member of it is entitled to know how any other member voted. No inquiry can be made on the subject and no member can be called on directly or indirectly, to account for his vote. (REG. 76-28).

It may be indiscreet but it is not un-Masonic for a member to say *before* a ballot that he will vote against a petitioner, but he would be subject to expulsion if he made a statement *AFTER* he had balloted that he had voted *either* a white ball or a black ball.

So much for the general principles applicable to the case. Now I attempt to answer your two questions and your request for a dispensation, as follows:

QUESTION:

Is there any regulation whereby when it is believed that a person is rejected because of personal feeling, jealousy, or prejudice a re-ballot can be had on the petition?

ANSWER:

There is no such regulation or law. There never has been and all informed Masons should hope that there will never be such a Regulation.

QUESTION:

Can a petitioner be informed of the members present at the meeting in which he was rejected in order that said petitioner may talk with and make himself known to the members thereby giving the members personal knowledge of the petitioner and his qualifications?

ANSWER:

It would be a serious Masonic offense to give a rejected petitioner the names of the members of the lodge present at the time of the balloting, to be used for any purpose whatever, particularly when the information could, and no doubt would, be used to purge those members as to who voted for or against the petitioner. The principle of complete secrecy of the ballot and the protection of each member in his right to vote as he deems proper must also be applied to any effort of this nature to purge the members on their ballots. [A.D. 696; REGS. 97-02 (6, 7, 12, 13)].

QUESTION:

If regulations permit, it is requested that a dispensation for a re-ballot in the case of Mr. H. M. E., Jr., and G. C. E. be authorized and that the decision in these cases will be for the good of Masonry.

ANSWER:

Under the circumstances reported in this case, the regulations, customs, and law of our Grand Lodge do not permit me to grant the requested dispensation to re-ballot on these petitioners. (REG. 76-16).

This Official Opinion shall be read in the lodge at the first stated communication after it is received and entered on the minutes of that communication.

Opinion No. 10

R. H. G., as petitioner for the degrees, was rejected by our lodge No. 576 on November 1, 1945; our lodge No. 626 on October 17, 1950; Frank F. Baker Lodge No. 46, Savannah, Georgia, on April 12, 1954, and our Columbus Lodge No. 102 on February 5, 1957. The ballot in

our No. 102 was void because the petition had not been sent to our Grand Secretary for recording and for his certificate before the ballot was taken, in violation of Regulations 73-12; 73-13 and 76-01. However, another ballot is not permitted after the expiration of two months from February 5, 1957, the date of the ballot in our No. 102. See Regulations 76-16 and 78-01.

The action of Columbus Lodge No. 102 in this case will not be disturbed.

Your records shall agree with this opinion.

This opinion shall be read in Columbus Lodge No. 102 at the first stated communication after it is received, entered on the minutes of that communication, and a marginal note shall be made on the minutes of the stated communication at which the ballot was taken (February 5, 1957) referring to this opinion and the date it is recorded on the minutes. [REG. 70-01(1A)].

Opinion No. 11

It now appears that Brother W. T. W. has been properly demitted by Washington Lodge No. 78, Virginia, on December 27, 1952, and by Unity Lodge No. 146, Virginia, on September 11, 1959, and that he was duly elected to membership on September 1, 1959, in our Orr Lodge No. 104, subject to the receipt of a proper demit from the lodge or lodges holding jurisdiction over him; therefore, the case may be closed as provided by Regulations 83-20(2) and 83-24.

Opinion No. 12

On November 10, 1953, at a stated communication of Person Lodge No. 113, the minutes show that the Secretary had notified Brother I. O. W. in September of a delinquency; and the Secretary brought the matter to the lodge because no payment had been received and no reply had been made to the notice. The Secretary had been instructed by the lodge to notify the member that he had been given an extension of time to December 8, 1953, in which to pay the arrears.

On December 8, 1953, at a stated communication, the minutes show that this member had neither replied, nor paid anything on his arrears; but he had that day telephoned the Secretary that the check would be in the mail the next day, whereupon a further extension was granted by the lodge, *provided the check came*.

This act of trying to grant a further extension is void, because no definite date of a subsequent stated communication is given. Any such extension given in cases as this must be absolute, unconditional, and to a definite subsequent stated communication. [REG. 85-34(3, 8)].

This case is further aggravated by the following excerpts from a letter of June 30, 1959, from the Secretary to me, a photocopy of which is in this file, to the effect that the Secretary, not having heard from the member, wrote him Special Delivery in January, 1954, requesting his prompt reply, but without success; thereafter (no date is shown) the Secretary reports that he was authorized (no date is shown) by the lodge to date the suspension of the member as of the former deadline, December 8, 1953, which he did insert in the minutes of December 8. This action was also illegal and void, because it is not a true record of the facts as contained in this file. The lodge has no authority to order a false entry to be made in its minutes; read carefully Regulation 70-01(1A, C).

The member was not legally excluded on December 8, 1953. The current procedure to exclude a member for non-payment of dues, as found in Regulations 85-30 through 85-34, has been in effect for more than nineteen years, and I see no valid reason for a lodge not to properly and fully comply therewith. (See also Order #2, Robert L. Pugh, G.M., 1955, and Order #4 and Official Opinion #24, by James G. Johnston, G.M., 1959.)

Therefore, it is Ordered that Brother I. O. W. be restored to membership in Person Lodge No. 113 as of December 8, 1953—the date the lodge acted in the alleged exclusion, as if no action had been taken on that date; and it is further Ordered that the proper records be made by said lodge, and by the Grand Secretary, and that all financial matters be adjusted accordingly.

Opinion No. 13

1. On March 26, 1952, the Secretary of our Person Lodge No. 113 issued a Certificate of Good Standing on OLD N. C. Official Form No. 9 to Brother Bowen, and it was mailed to the Secretary of Franklin Lodge No. 151, Virginia.
2. On May 7, 1952, the Secretary of Franklin Lodge No. 151, Virginia, reported that Brother Bowen had been elected to membership in his lodge on April 10, 1952.
3. The original Certificate of Good Standing is now before us, and it is in proper form; however it should not have been issued. It is my opinion, and I do so order that Brother Carl Leon Bowen was demitted from our Person Lodge No. 113 on April 10, 1952. That is the date he was elected by Franklin Lodge No. 151, Virginia, in good faith, based upon the Certificate of Good Standing. This case should be handled under the provisions of Order No. 2, issued by M.'W.'.James G. Johnston, G. M., 1959.

Opinion No. 14

Brother Olin Link Bradshaw, residing in Jackson, Mississippi, a member of our Person Lodge No. 113, desired to transfer under the Continuous Membership Plan to Capitol Lodge No. 600, F. & A.M., Jackson, Mississippi.

March 13, 1957, he applied to that lodge for affiliation, based upon a Certificate of Good Standing dated *March 18, 1957*, improperly issued by our Person Lodge No. 113, showing his dues paid to December first, 1957, said Certificate being on the form used exclusively in Mississippi and not recognized by our Grand Lodge. This was a violation of Regulation 96-01.

May 6, 1957, he was elected to membership in Lodge No. 600, Mississippi, under the law of that Grand Jurisdiction, based in good faith upon the Certificate of Good Standing issued by our Lodge No. 113, which information was entered in the minutes of the stated communication of our Lodge No. 113 held May 14, 1957. The Grand Lodge of Mississippi does not require a formal demit in such transfers as this.

Correspondence in this case was handled direct with the lodge in Mississippi by our Person Lodge No. 113, and not through the office of our Grand Secretary, in direct violation of Regulation 95-14.

The following quotations taken from correspondence in this file from the Secretary of Lodge No. 600 to the Secretary of our Lodge No. 113: On March 13, 1957, "Please complete the top portion of the enclosed form, and return it directly to us, at your convenience. *Should this type of demit not be permitted by the Grand Jurisdiction of North Carolina, then let us have the one that you do use.*"

March 26, 1957: "*This procedure is recognized by a great many Grand Jurisdictions, and should yours not be one of these, please institute proceedings for a demit for Bro. Bradshaw.*"

Notwithstanding he was warned twice, the Secretary of our Lodge No. 113 paid no attention to the requests of Lodge No. 600 for him to issue the proper forms or take the proper procedure as required by our Grand Lodge in the case.

It is my opinion that the complications in this case arise out of the failure of the Secretary of our Lodge No. 113 to heed the warning set out above his violation of Regulation 95-14 in communicating direct with the Mississippi lodge, and his violation of Regulation 96-01 in issuing a form of Certificate of Good Standing not recognized by our Grand Lodge.

It is ordered:

1. That the lodge in Mississippi, having acted in good faith on the Certificate of Good Standing, although improperly issued by our Lodge No. 113, and elected the named brother to membership therein, and notified our Lodge No. 113 thereof, the said Certificate of Good Standing will be accepted as sufficient in this case to effect the transfer of membership of Brother Olin Link Bradshaw from our Person Lodge No. 113 to Capitol Lodge No. 600, F. & A.M., Jackson, Mississippi, as of May 6, 1957. Any other procedure would further complicate the case and would serve no useful purpose.
2. That our Person Lodge No. 113 and the office of our Grand Secretary will each make and/or correct their records to conform to this Order. The Grand Secretary will give such further instruction as may be necessary to correct the records and to adjust any financial matters arising out of the case.
3. This Order shall be read at the first stated communication of Person Lodge No. 113, after it is received and be recorded in full in the minutes of that communication.
4. That a marginal note shall be made on the minutes of May 14, 1957, referring to this Order, and to the minutes in which it is recorded. [REG. 70-01(1, A, C)]

Opinion No. 15

1. Brother William Harvey Dempf, a member of our Sanford Lodge No. 151, desired to affiliate with our Queen City Lodge No. 602, and requested a *Certificate of Good Standing* for that purpose.
2. The Secretary of our No. 151, at a stated communication May 10, 1949, orally requested a *demit* for this member, but no request, written or otherwise, was made for a *demit*. The lodge illegally granted the demit. There is no certainty that the Certificate of Demit was ever issued and delivered to Dempf.

3. No action whatever has been taken in the case by our Queen City Lodge No. 602, and no application has been filed with that lodge by Brother Dempst.
4. At a stated communication of our Lodge No. 151, on March 10, 1953, a resolution was adopted to correct the minutes of May 10, 1949, to show that the granting of a demit on May 10, 1949, was illegal and in error, because no request had been made for a demit.

QUESTION:

What is the status of Brother Dempst?

ANSWER:

The action of Sanford Lodge No. 151, in demitting him is illegal and void; therefore, Brother Dempst has had continuous membership in Sanford Lodge No. 151 since May 10, 1949. [REG. 84-04(1)].

Let the records in the office of the Grand Secretary and the records of Sanford Lodge No. 151, be made to conform to this opinion, and all financial matters be settled accordingly.

Opinion No. 16

On September 21, 1959, Yadkin Lodge No. 162, elected Mr. Thomas Howard Dorsett to receive the Three Degrees and at the same stated communication conferred the First Degree on him in violation of Regulation 79-30(2). There was also a serious violation of Regulation 79-02, which states in part, "Should any subordinate lodge confer any of the degrees, *out of time* . . . it would be highly irregular and would constitute a serious Masonic Offense."

It appears from my investigation that this irregularity is due to ignorance of THE CODE and was not premeditated; however, we must insist and demand that the officers and members of our lodges know what they are doing and to do their work correctly and in accord with Masonic Law. The candidate is not responsible for this irregularity.

It is therefore ordered:

1. That Yadkin Lodge No. 162 *heal* Entered Apprentice Thomas Howard Dorsett at the first stated communication after the receipt of this order as provided in Regulation 94-05, and it shall be sufficient, only to *re-obligate* the candidate in the First Degree, which must be done in a lodge on the First Degree. After the healing, the candidate then may be advanced when prepared as required in Regulation 80-01.
2. That this illegal act may not become standard practice in this lodge, the officers of Yadkin Lodge No. 162 are each hereby severely reprimanded, and
3. This order shall be read in full at the first stated communication of this lodge after its receipt and be entered in full in the minutes thereof, and the Secretary of this lodge shall report to me over the seal of the lodge that this order has been complied with, and the date thereof.

Opinion No. 17

September 4, 1953, Claude (NMN) DeBruhl, a member of our Blackmer Lodge No. 170, obtained a Certificate of Good Standing, (Official Form No. 9) showing his dues paid to December 31, 1954,

also there is in the file a proper dues receipt card showing dues paid to that date, and an application for a demit addressed to Blackmer Lodge No. 170, dated September 4, 1953.

October 26, 1953, he applied for affiliation upon the foregoing documents, to our West Asheville Lodge No. 665, on the Continuous Membership Plan. This application was certified by the Grand Secretary November 6, 1953.

November 2, 1953, the foregoing application was read and received in our Lodge No. 665, and thereafter it was withdrawn January 14, 1954, before a ballot was taken thereon.

January 4, 1954, he applied for affiliation to our Blackmer Lodge No. 170, on the Continuous Membership Plan and stated therein that he was at that time a member of Blackmer Lodge No. 170—note, he was applying to the same lodge of which he was already a member, and for that reason this application was VOID, also it was void because it was not complete; there were no supporting documents attached, as required by Regulation 83-22, and it has not been certified by the Grand Secretary; no ballot was taken on this application.

On the foregoing facts it is my opinion that:

1. The named brother has been, and is now, a member of Blackmer Lodge No. 170, and that his application to affiliate with West Asheville Lodge No. 665, is VOID, because it was withdrawn and no ballot was taken thereon before the supporting documents expired by limitation on December 31, 1954.
2. The application for affiliation with Blackmer Lodge No. 170, is VOID, because he was already a member of that lodge not having completed his transfer to our Lodge No. 665, and no ballot could have properly been taken on this application.

Let the records of each of these lodges and the records of our Grand Secretary be made to conform to this opinion. The Grand Secretary will issue further instructions as to the records and to all financial matters involved.

This opinion shall be read in each lodge at the first stated communication after it is received, entered in full on the minutes of that communication and all necessary marginal notes be made on each of the minutes of both lodges affected by this Order, as set out in Regulation 70-01 (1A, C).

Opinion No. 18

Reference is made to your letter without date received today, about C. M. R. It appears from proper and correct records that this brother affiliated with our Statesville Lodge No. 27, on April 16, 1901, from Manville Lodge No. 232, South Carolina; remained a member until March 16, 1909, on which date he demitted from our No. 27 and remained non-affiliated over five years, until January 13, 1915, on which date he affiliated with our Mecklenburg Lodge No. 176, of which he is now a member.

His non-affiliation for over five years, from March 16, 1909, until January 13, 1915, makes him ineligible for the Fifty Year Award under Regulation 88-02 which states clearly that "if he has been non-affiliated for *any reason* for as many as three years" he is not qualified for the Award.

Regulation 88-05 applies *only* to cases in which the records are inconclusive or faulty, or where a Masonic Officer is at fault as to the inconclusive or faulty records, but in this case there are no such conditions; accurate records show that the brother, of his own free will, took a demit and held it over three years, in fact nearly five years; therefore, he is not eligible for the Award.

Opinion No. 19

On November 4, 1958, at a stated communication of Mount Olive Lodge No. 208, the minutes declare that under Regulation 85-34, that Brothers Henry E. Morton and William Isaac Terrell had been duly notified, as required by Regulation 85-33, of their respective debts for dues, but they had neither answered, nor paid the amount due by them. The lodge gave each of them an extension of time to December 4, 1958, in which to answer the Official Notice of Delinquency. *December 4, 1958* was *not* the time for a stated communication. Therefore, this alleged extension was void under Regulation 85-34 (3,8), because it was not given to a stated communication.

On December 16, 1958, at a stated communication it is reported in the minutes that the Secretary reported that Brothers Henry E. Morton and William Isaac Terrell "have been suspended for non-payment of dues by vote of the Lodge on *November 4, 1958, and effective as of December 4, 1958.*" This action was also void because it was in violation of Regulations 85-34(3,8), and automatic exclusion is not permitted.

Therefore, it is *Ordered* that the two named brethren be restored to membership in Mount Olive Lodge No. 208 as of December 16, 1958—the date the lodge acted in the illegal exclusion; as if no action had been taken on that date; and it is further *Ordered* that the proper records be made by said Lodge and by the Grand Secretary; see Regulations 70-01 (1A, C); and that all financial matters be adjusted accordingly.

(See also Order #2 by Robert L. Pugh, G. M., 1955, and Order #4 and Official Opinion #24 by James G. Johnston, G. M., 1959).

Opinion No. 20

Mr. AB petitioned your lodge for the degrees in Masonry. The petition came to ballot on September 10, 1959, and after the Master declared the ballot closed and it had been presented to the Junior Warden for inspection, it was called to the attention of the Master that one member of the lodge had not voted. The ballot was not completed, but was destroyed before it was inspected by the Wardens and before it was announced by the Master.

Upon the facts mentioned, it is my opinion that there has not been a legal ballot on this petition, see Regulation 76-04(12); therefore the petition is still pending as unfinished business before the lodge and the lodge may proceed at any stated communication in the same manner as if no action had been taken on September 10, 1959, and it is not required that a special notice of the ballot be given to the members. Regulation 49-03 (6).

Regulations 76-16 and 78-01 apply only when a petition has been *rejected*; therefore, they do not apply to this particular case, because there was neither an election nor a rejection.

Opinion No. 21

Brother (T) (J) Duncan residing in Mebane, North Carolina, a member of Ashlar Lodge No. 111, Iowa, desired to transfer his membership under the Continuous Membership Plan to our Bingham Lodge No. 272 at Mebane, North Carolina.

On April 7, 1954, his application for affiliation with our Lodge No. 272, was certified and returned by our Grand Secretary.

On April 19, 1954, he was elected to membership on his application, subject, however to the receipt of his demit from Ashlar Lodge No. 111.

On April 24, 1954, the request for the demit was sent by our Grand Secretary to the Grand Secretary of Iowa.

On December 10, 1954, the Secretary of Ashlar Lodge No. 111 advised our Grand Secretary that under the law of the Grand Lodge of Iowa the demit could not be granted until after the member had passed an examination of the Third Degree. Brother Duncan has been urged many times by the Secretary and other members of Bingham Lodge No. 272 to conform to the law of the Grand Lodge of Iowa, but he has failed to this date to do so, and appears to be indifferent about the matter; therefore, he has not qualified for membership in our Lodge No. 272. There is also in the file evidence that he may have been Excluded for Non-Payment of Dues in 1958.

It is my opinion that his election in our Lodge No. 272 on April 14, 1954 is now VOID and of no effect, (1) because the documents on which he was elected have expired by limitation, being over five years since the election, and (2) he has not qualified for a demit under the law of the Grand Lodge of Iowa which governs his membership in Ashlar Lodge No. 111, and appears to be indifferent about doing so.

If he desires to reapply to our Lodge No. 272, he must make a new application for affiliation; therefore, it is Ordered:

1. That our Bingham Lodge No. 272 and the office of our Grand Secretary will each make and/or correct their records to conform to this Order. The Grand Secretary will give such further instructions as may be necessary to correct the records and to adjust any financial matters arising out of the case.
2. This Order shall be read at the first stated communication of Bingham Lodge No. 272, after it is received and be recorded in full in the minutes of that communication.
3. That a marginal note shall be made in the minutes of Bingham Lodge No. 272 for the stated communication of April 19, 1959, referring to this Order and to the minutes in which it is recorded. [REG. 70-01 (1,A,C)].

Opinion No. 22

The records show that a member of our Lodge No. 283 was excluded for non-payment of dues at the stated communication of November 2, 1959; however, he had previously paid the Secretary the amount he owed, and the check had been misplaced by the Secretary; whereupon, as of the same date, he was automatically restored to membership.

The action of the lodge in excluding this member is void.

Let all affected records show that this brother was NOT excluded on November 2, 1959.

PROCEEDINGS OF THE

Opinion No. 23

Returning herewith the original petition of Brother John Lewis Causey for the degrees in our Lodge No. 284, these facts appear from that document and from your letter of June 22, 1959, in this case.

The petition is dated March 12, 1959; it was read and received by the lodge on March 16, 1959; he was Elected on April 20, 1959; he was Initiated on April 24, 1959; Passed on May 15, 1959, and Raised on May 29, 1959.

All requirements as to the procedure for handling petitions for the degrees were complied with, EXCEPT, the petition had not been sent to the Grand Secretary for recording and for his Certificate, before the ballot, in direct violation of Regulations 73-12; 73-13; 76-01 and 79-02.

Since the brother is not responsible for this irregularity and he has received all of the Degrees in due form, he is not at fault, nor can the degrees be taken from him.

It is therefore Ordered: That this petition be sent at once to the Grand Secretary for recording and for his Certificate, with a proper notation on his Certificate to explain the delay in making it.

Also, that the status of this brother is in all respects that of a regular Mason and a member of Greenville Lodge No. 284, without the necessity of healing him.

This Order shall be read to the lodge at the first stated communication after its receipt, entered on the minutes of that communication, and a proper notation made on the margin of the minutes of the stated communication of the lodge at which the ballot was taken (April 20, 1959) referring to this Order and the date it is recorded on the minutes. [REG. 70-01(1A)].

Opinion No. 24

Returning herewith the original petition of Brother Athanasios Thomas Margaritopoulos for the degrees in our Lodge No. 284, these facts appear from that document and from your letter of June 22, 1959, in this case.

The petition is dated November 21, 1958; it was read and received by the lodge on December 1, 1958; he was Elected on February 16, 1959; he was Initiated on March 6, 1959; Passed on April 10, 1959, and Raised on May 8, 1959.

All requirements as to the procedure for handling petitions for the degrees were complied with, EXCEPT, the petition had not been sent to the Grand Secretary for recording and for his Certificate, before the ballot, in direct violation of Regulations 73-12; 73-13; 76-01 and 79-02.

Since the brother is not responsible for this irregularity and he has received all of the Degrees in due form, he is not at fault, nor can the degrees be taken from him.

It is therefore Ordered: That this petition be sent at once to the Grand Secretary for recording and for his Certificate, with a proper notation on his Certificate to explain the delay in making it.

Also, that the status of this brother is in all respects that of a regular Mason and a member of Greenville Lodge No. 284, without the necessity of healing him.

This Order shall be read to the lodge at the first stated communication after its receipt, entered on the minutes of that communication, and a proper notation made on the margin of the minutes of the stated communication of the lodge at which the ballot was taken (February 16, 1959) referring to this Order and the date it is recorded on the minutes. [REG. 70-01(1A)].

Opinion No. 25

Returning herewith the original petition of Brother Pat Thomas Margas for the degrees in our Lodge No. 284, these facts appear from that document and from your letter on June 22, 1959, in this case.

The petition is dated March 12, 1959; it was read and received by the lodge on March 16, 1959; he was elected on April 20, 1959; he was Initiated on April 24, 1959; Passed on May 15, 1959, and Raised on May 29, 1959.

All requirements as to the procedure for handling petitions for the degrees were complied with, EXCEPT, the petition had not been sent to the Grand Secretary for recording and for his Certificate, before the ballot, in direct violation of Regulations 73-12; 73-13; 76-01 and 79-02.

Since the brother is not responsible for this irregularity and he has received all of the Degrees in due form, he is not at fault, nor can the degrees be taken from him.

It is therefore Ordered: That this petition be sent at once to the Grand Secretary for recording and for his Certificate, with a proper notation on his Certificate to explain the delay in making it.

Also, that the status of this brother is in all respects that of a regular Mason and a member of Greenville Lodge No. 284, without the necessity of healing him.

This Order shall be read to the lodge at the first stated communication after its receipt, entered on the minutes of that communication, and a proper notation made on the margin of the minutes of the stated communication of the lodge at which the ballot was taken (April 20, 1959) referring to this Order and the date it is recorded on the minutes. [REG. 70-01(1A)].

Opinion No. 23

Returning herewith the original petition for Brother Clyde Franklin Christopher, Jr., for the degrees in our Lodge No. 284, these facts appear from that document and from your letter of June 22, 1959, in this case.

The petition is dated February 2, 1959; it was read and received by the lodge on February 2, 1959; he was Elected on March 16, 1959, and he was Initiated on April 3, 1959.

All requirements as to the procedure for handling petitions for the degrees were complied with, EXCEPT, the petition had not been sent to the Grand Secretary for recording and for his Certificate, before the ballot, in direct violation of Regulations 73-12; 73-13; 76-01 and 79-02.

Since the brother is not responsible for this irregularity and he has received the First Degree in due form, he is not at fault and he may be advanced without being healed, subject, however, to the required procedure for advancement of candidates.

It is therefore Ordered: That this petition be sent at once to the Grand Secretary for recording and for his Certificate, with a proper notation on his Certificate to explain the delay in making it.

Also, that the status of this brother is that of an Entered Apprentice of our Greenville Lodge No. 284.

This Order shall be read to the lodge at the first stated communication after its receipt, entered on the minutes of that communication, and a proper notation made on the margin of the minutes of the stated communication of the lodge at which the ballot was taken (March 16, 1959) referring to this Order and the date it is recorded on the minutes. [REG. 70-01(1A)].

Opinion No. 27

Returning herewith the original petition of Brother Clifton Whitehead Perry for the degrees in our Lodge No. 284, these facts appear from that document and from your letter of June 22, 1959, in this case.

The petition is dated April 20, 1959; it was read and received by the lodge on April 20, 1959; he was elected on May 18, 1959. He has not received any of the degrees.

All requirements as to the procedure for handling petitions for the degrees were complied with, EXCEPT, the petition had not been sent to the Grand Secretary for recording and for his Certificate, before the ballot, in direct violation of Regulations 73-12; 73-13 and 76-01 (both paragraphs).

The rules declare a ballot to be illegal and void if the petition for the degrees has not been certified by the Grand Secretary before the ballot is taken, and it requires of all of us to make effective such rules when it can be done. The petitioner has not yet received any of the degrees; therefore, it is possible to comply fully with Regulation 76-01.

THEREFORE, it is Ordered that this petition be sent at once to the Grand Secretary for recording and for his Certificate, with a proper notation on his Certificate to explain the delay in making it. When returned by the Grand Secretary, the petition shall be submitted to the secret ballot at the first stated communication in August, 1959, in the same manner as if no previous ballot had been taken thereon.

This Order shall be read to the lodge at the first stated communication after its receipt, entered on the minutes of that communication, and a proper notation made on the margin of the minutes for the stated communication of the lodge at which the ballot was taken (May 18, 1959) referring to this Order and the date it is recorded on the minutes. [REG. 70-01(1A)].

Opinion No. 28

You ask for my opinion on these facts:

Brother James Thomas Huneycutt, a member of our Greenville Lodge No. 284, applied to that lodge for an absolute demit paying \$2.50 dues which was necessary to make him clear on the books; and the old cash book shows this entry on February 28, 1944. The Certificate of Demit was signed February 28, 1944, by the Secretary, now deceased. Brother Huneycutt has applied to our Royal Hart Lodge

No. 497 for affiliation based on the said Certificate of Demit. The problem here is twofold: (1) failure to enter the act of demission on the minutes of a stated communication, and (2) dating the Certificate of Demit on a day when no stated communication was held.

There are in this file, (1) the original letter from the Secretary to Brother Huneycutt, February 28, 1944, acknowledging the dues and enclosing the Certificate of Demit, (2) the original Certificate of Demit dated February 28, 1944, and (3) the following statement signed by R. W. James W. Brewer, Junior Grand Warden and Brother L. A. Bishop, both of them members of our No. 284 in 1944:

"At a stated communication of Greenville Lodge No. 284, A. F. & A. M., held on Monday, February 21st, 1944, a request for a demit was read from Brother James Thomas Huneycutt. The requirements of the code having been met the lodge granted the Demit as of February 21st, 1944.

"We the undersigned state that we were present at this meeting and state that they confirm the facts as stated in the above paragraph are true and that the Demit of Brother James Thomas Huneycutt was granted at the Stated Communication held Monday, February 21st, 1944."

It is the action of the lodge at a stated communication which constitutes the demit, and not the issuing of the Certificate of Demit. When the lodge granted the demit the brother was dismissed from membership at the close of that stated communication. While the date of the Certificate of Demit should, and it is expected to, agree with the date of the stated communication at which the lodge acted, yet the date of action by the lodge governs and controls. See citations to the law at the end of this Order.

On the evidence in this case, which I believe to be competent, it is my opinion that Brother James Thomas Huneycutt was in fact demitted by our Greenville Lodge No. 284 at its stated communication February 21, 1944, and that it was the fault of the Secretary, now deceased, that the proper record was not made in the minutes at the time, also that he used the incorrect date on the Certificate of Demit signed by him.

A copy of this opinion and order has been by me this date attached to and made a part of the original Certificate of Demit.

It is therefore ordered that:

1. Our Greenville Lodge No. 284 and the office of our Grand Secretary will each make and/or correct their records to conform to this Opinion. The Grand Secretary will give such further instructions as may be necessary to that end.
2. This order shall be read at the first stated communication of Greenville Lodge No. 284 after it is received and be recorded in full in the minutes of that communication.
3. That a marginal note shall be made in the minutes of Greenville Lodge No. 284 for the stated communication of February 21, 1944, referring to this case and to this order, and to the minutes in which it is recorded. [REG. 70-01(1,A,C)].

(See Andrews' Digest items No. 407, 533, 740, 810; also CODE of 1915, Regulations 89 and 93; CODE of 1924, Regulations 200 and 207, pages 80 and 81; CODE of 1948-57, Regulations 84-05, 84-19, 84-22 and 84-33).

Opinion No. 29**FACT:**

The Official Notice of Delinquency on N.C. OFFICIAL FORM NO. 23, was not mailed to Brother Henry Marvin Wellman as required in REG. 85-33, but Harmony Lodge excluded him for non-payment of dues on December 8, 1958.

QUESTION:

Was Brother Henry Marvin Wellman legally excluded?

ANSWER:

No.

Official Form No. 23 is not an ordinary notice. It is a positive, official demand on the member to whom it is addressed, for the payment of a specific sum of money by a certain date, with positive assurance that if it is not paid as set forth he may lose his membership in the lodge on the date specified in the notice, and that he must act to protect himself as set forth therein.

Regulation 85-33 requires that this *specific form of notice* shall be mailed to the delinquent member, and no other form of notice can take its place; therefore, failure to properly use the OFFICIAL NOTICE OF DELINQUENCY, N. C. FORM NO. 23 makes all action thereafter by the lodge illegal and void. Unless this specific form is used as prescribed in that Regulation the lodge does not have jurisdiction and all action thereafter to exclude the member for non-payment of dues is illegal and void. See Regulation 85-30.

Brother Henry Marvin Wellman was not legally suspended for non-payment of dues by Harmony Lodge No. 299 on December 8, 1958, and his name must be restored to the records of that lodge, and the records of the office of our Grand Secretary as if no action had been taken by the lodge in the case.

Opinion No. 30

In your letter of April 27, 1959, you ask for my opinion on these facts:

FACTS:

On April 21, 1959, while a secret ballot was in progress and before it had been completed, a member brought to the attention of the Acting Secretary that one of the recommenders on the petition had been excluded for non-payment of dues and had not been restored to membership. The Master and the Secretary were attending Grand Lodge and the Acting Master and Acting Secretary were not able to report on the question raised; therefore, the ballot was stopped and destroyed without examination and declaration, and the petition was held over for advice as to the procedure to be followed. The recommender was, and is a member in good standing, therefore the statement of the objecting brother was in error.

ANSWER:

The ballot, not having been completed, but was destroyed without examination and declaration, there was no legal ballot had in this case. The petitioner was neither elected nor rejected. The petition should be submitted again to the secret ballot at a stated communication as provided in REG. 76-04, in the same manner as if the effort on April 21, 1959, to ballot thereon had NOT been made.

Opinion No. 31

Brother Thomas Lee Midgett was a member of our Mattamuskeet Lodge No. 328. He applied to Norview Lodge No. 113, Norfolk, Virginia, for affiliation under the Continuous Membership Plan and was elected by No. 133, Virginia, on January 23, 1953, subject to receipt of a demit from our No. 328, but he was in arrears for dues and after some delay, the Secretary of our No. 328 reported as follows, which is recorded in the minutes of the stated communication October 13, 1954:

"Motion made by Brother *** and seconded by Brother *** that we send the Grand Secretary the demit for Brother Thomas Lee Midgett and explain that we cannot get the information he asked for in his letter."

The Certificate of demit, the original of which is in this file, is dated October 28, 1954, which was not the date of a stated communication. What is the status of Brother Midgett?

The action of this lodge on October 13, 1954, is sufficient to show that the lodge demitted the member on that date. The date of the Certificate, October 28, 1954, is in error and must be changed to October 13, 1954.

Let the date on the Certificate of Demit be corrected to agree with date the lodge acted, that is, October 13, 1954, and let the records in the office of the Grand Secretary and those of our Lodge No. 328 be made to conform to this opinion, and the Grand Secretary will issue such directives as may be necessary to carry out this order.

Opinion No. 32

Returning all papers received in your file on the above subject. It is my opinion that the proper legal name of the brother is shown in the attached birth certificate and that is the name we should use in our records.

He may have several nick-names, but there is no evidence that he has legally changed his name.

Opinion No. 33

Brother William Green Dozier, a member of our Durham Lodge No. 352, was elected to membership in Columbia Lodge No. 326, South Carolina on March 7, 1950, subject to receipt of demit from our No. 352. On March 28, 1950, at a stated communication our Lodge No. 352 granted an absolute demit and a proper report on Official Form No. 49 was made. On January 30, 1951, the Secretary of our No. 352 advised our Grand Secretary that he was in error in his report of March 28, 1950, and that the demit was granted February 13, 1951, which is in direct conflict with the fact that in our file is the original demit dated March 28, 1950, signed by the then Secretary over the seal of the lodge. The minutes for 1950 and 1951 are lost or misplaced.

It is my opinion that the action of the lodge on March 28, 1950, duly reported is final and governs this case, and that the brother was demitted on that date. Your records and the records of Durham Lodge No. 352 should be made to conform to this opinion. (REG. 84-05).

Opinion No. 34

A member of "B" Lodge whose dues are paid to December 31, 1960, affiliates under the Continuous Membership Plan with lodge "C" on the first day of January, 1960, is he liable for annual membership dues for the calendar year 1960 to lodge "C" with which he affiliated, also having paid "B" lodge dues for 1960?

ANSWER:

Yes. Regulation 85-04 applies only to those who affiliate *after* the first day of January, 1960. The lodge may remit all or any part of the dues under Regulations 85-07(1); 85-37.

Opinion No. 35

Replying to your letter of December 7, 1959, under the above subject, it is my opinion that the minutes are the primary and basic records of a lodge and take precedence over other records. See Chapter 70, particularly REGS. 70-01 (1, 1A, 1C) and 70-02(1).

I do not see that you need my permission to use the dates shown in the minutes of our lodge No. 369, as true dates.

Opinion No. 36

Brother Julius Raymond Timmerman, a member of our Lowell Lodge No. 590, desired to transfer under the Continuous Membership Plan to our Gastonia Lodge No. 369.

He was elected to membership on May 8, 1959, but the ballot was taken six and a half months before the application was certified by the Grand Secretary on November 23, 1959.

It is our opinion that the ballot having been taken before the application was certified by the Grand Secretary, it is illegal and void under the clear and positive language of Regulations 76-01; 76-01(1), and 83-15.

The Grand Master is authorized to order another ballot, but he is denied the right to set aside or annul those positive rules and regulations. (Reg. 16-01).

Therefore, a dispensation is hereby granted to Gastonia Lodge No. 369, to ballot again on the application for affiliation of Brother Julius Raymond Timmerman at its stated communication of February 12, 1960.

The records of the office of the Grand Secretary and those of the two lodges involved shall be made to conform to this opinion and the result of the re-ballot.

If the applicant is rejected his membership shall be the same as it was before Gastonia Lodge No. 369 took any action thereon. The Grand Secretary will issue such directions as may be necessary to carry out this opinion and to settle any financial matters involved.

A special committee of Gastonia Lodge No. 369 has been seriously engaged for several months in clearing up the irregularities and lack of correct records in the office of its former Secretary, and the lodge is now on the way to a recovery from those conditions; therefore, under the particular circumstances of this case, I am not inclined to apply any penalty for this particular illegal act. REG 83-15.

Opinion No. 37

Brother Claude Rollins, a member of our Cleveland Lodge No. 202, desired to transfer under the Continuous Membership Plan to our Gastonia Lodge No. 369.

He was elected to membership on January 10, 1958, but the ballot was taken seven days before the application was certified by the Grand Secretary on January 17, 1958.

It is our opinion that the ballot having been taken before the application was certified by the Grand Secretary it is illegal and void under the clear and positive language of Regulations 76-01; 76-01(1), and 83-15.

The Grand Master is authorized to order another ballot, but he is denied the right to set aside or annul those positive rules and regulations. (Reg. 16-01).

Therefore, a dispensation is hereby granted to Gastonia Lodge No. 369 to ballot again on the application for Affiliation of Brother Claude (NMN) Rollins at its stated communication of February 12, 1960.

The records of the office of the Grand Secretary and those of the two lodges involved shall be made to conform to this opinion and the result of the re-ballot.

If the applicant is rejected his membership shall be the same as it was before Gastonia Lodge No. 369 took any action thereon. The Grand Secretary will issue such directions as may be necessary to carry out this opinion and to settle any financial matter involved.

A special committee of Gastonia Lodge No. 369 has been seriously engaged for several months in clearing up the irregularities and lack of correct records in the office of its former Secretary, and the lodge is now on the way to a recovery from those conditions; therefore, under the particular circumstances of this case, I am not inclined to apply any penalty for this particular illegal act. REG. 83-15.

Opinion No. 38

Brother Pemberton Harrison Slade, a member of our Seaboard Lodge No. 378, requested a Certificate of Good Standing, Official Form No. 9, for the purpose of affiliating with Cary Lodge No. 198, under the Continuous Membership Plan. The certificate was issued showing dues paid to December 31, 1957. He was elected in Lodge No. 198 at the stated communication March 18, 1957, on the certificate. On November 5, 1956, Seaboard Lodge No. 378 undertook to demit the brother, without his knowledge or consent, and in direct opposition to his request for the certificate.

It is my opinion that all action by our Lodge No. 378 in connection with the alleged demit on November 5, 1956, is VOID and of no effect, because the brother did not ask for a demit. The action taken under the Certificate of Good Standing is valid and governs this case.

Your records and the records of both lodges should be made to conform to this opinion and proper marginal notes should be made on the minutes of each lodge.

Opinion No. 39

Brother Ned Crawford Goldston, a member of Fargo Lodge No. 300, Liberal, Kansas, applied in due form under REG. 83-20, to our Jefferson Penn Lodge No. 384, for affiliation under the Continuous Membership Plan. He was elected at the stated communication of February 17, 1953, subject to receipt of a proper demit from Lodge No. 300, Kansas. The request for demit was sent to our Grand Secretary February 19, 1953, to be forwarded to Kansas to complete the election; this request was misplaced and not forwarded to Kansas until June 25, 1959, and thereafter a proper demit was granted by Fargo Lodge No. 300 on July 17, 1959, thus completing the membership of the brother in our Lodge No. 384 as of the date of the demit.

In the file now before me, there is sufficient evidence of the election of the brother on February 17, 1953, in our Lodge No. 384, as follows:

1. Official Form No. 49, Doings at a Stated Communication for January 20, 1953, show that the application was received by our No. 384, and
2. Official Form No. 49, for the stated communication of February 17, 1953, shows that the brother was elected on that date.
3. The Certificate of Election and Request for Demit on Official Form No. 12, signed by the Secretary with the seal of the lodge affixed shows the election on that date.
4. Correspondence from our Lodge No. 384, to our Grand Secretary on June 18, 1953, January 10 and February 1, 1954, confirms the election on February 17, 1953, and requests that the demit be sent to complete the affiliation.

It is my opinion that Brother Ned Crawford Goldston became a member of our Lodge No. 384, in due form, as the date of his demit, that is, July 17, 1959.

The records of your office and those of our Lodge No. 384, should be made to conform to this opinion.

Opinion No. 40

Brother William Earl Litaker, a member of our Jefferson Penn Lodge No. 384, applied for affiliation under the continuous membership plan to Kershaw Lodge No. 29, South Carolina. Attached to the application was his written request for a demit from our Lodge No. 384, with which to complete his affiliation. He was elected in Lodge No. 29, South Carolina, on June 2, 1959. The request for demit was sent direct to our Lodge No. 384, and not through the office of our Grand Secretary. At the stated communication of our No. 384 held on June 16, 1959, a demit was granted *as of June 2, 1959*.

It is my opinion that the action of our Lodge No. 384 on June 16, 1959, is null and void. A demit must bear the date of the day it is granted, and it must *not* be predated or post-dated, and it must be granted at a stated communication. In this case, it was pre-dated to June 2, 1959, and no action was taken on that date to grant it. The statement of the Secretary as to the application of Regulation 60-05 has no bearing here, because it does not apply; Regulation 84-05 does apply.

The request for the demit must be presented again at a stated communication of our Lodge No. 384. If the demit is granted, it must bear the date of that stated communication and sent to our Grand Secretary who will put it in the proper channel for closing the case.

The records of your office and those of our Lodge No. 384 must be made to conform to this opinion.

Opinion No. 41

It appears now from the evidence in this file that the exclusion of Brother Edward Wallace Swindell for non-payment of dues by Ocean Lodge No. 405, on November 13, 1956, was not legal, but void for that:

1. The Official Notice of Delinquency was not mailed as required by Regulation 85-33. (See also 85-30). The brother claims that he never received the notice.
2. The Official Form No. 24, Secretary's Report of Delinquent Members and his Certificate of Compliance with Regulation 85-33, was not made nor was it recorded in the minutes of the first stated communication as required in Reg. 85-33(1). This is *necessary* to give the lodge jurisdiction to exclude a member.

Therefore, Brother Edward Wallace Swindell must be restored to the roll of membership in Ocean Lodge No. 405, as of *November 13, 1956*, as if no action had been taken by that lodge on that date.

The records in the office of the Grand Secretary and those of Ocean Lodge No. 405, shall be made to conform to this opinion and all financial matters adjusted accordingly.

The Grand Secretary shall advise the Grand Lodge of Louisiana of the status of Brother Swindell and as to our procedure for transferring membership to other Grand Jurisdictions; also as to our rules on dual or plural membership.

Opinion No. 42

Brother Channie Row Dennis, a member of our Lodge No. 409, requested a demit and at the stated communication of November 14, 1955, the lodge demitted him "*as of December 31, 1955.*"

The action of Bula Lodge No. 409 on November 14, 1955, is void. The brother must be restored to membership, and the proper records made in your office and by the lodge. A demit cannot be pre-dated or post-dated, but must bear the date of the stated communication the lodge acted to grant it.

Opinion No. 43

Mr. William Lester Ivey petitioned Maxton Lodge No. 417, on July 6, 1959, for the degrees in Masonry. On his petition, in answer to item #2, he shows his residence as Rowland, North Carolina, for seven months immediately prior to the date of his petition.

Answering item No. 3, he shows that he resided from October 16, 1957, to December 17, 1958, at Dillon, South Carolina; therefore on the face of the petition and over the signature of Mr. Ivey, he has not resided in North Carolina for twelve months immediately preceding the date of his petition to Maxton Lodge No. 417, as required in Regulation 47-03. He is not yet qualified to petition any lodge in North Carolina for the degrees.

The waiver of jurisdiction on Official Form No. 61, the original of which is in this file, issued by Fairmont Lodge No. 528 to Maxton Lodge No. 417 dated July 8, 1959, over Mr. Ivey is VOID, because that lodge did not have jurisdiction that it could waive.

Order No. 5, by Past Grand Master James G. Johnston, Proceedings of 1959, Page 95, requires written consent of the Grand Master before a lodge in North Carolina may request a waiver of jurisdiction from another Grand Jurisdiction, and under this authority, I withhold my consent for a waiver to be requested in this case. Let the petitioner bide the time until he is qualified under Regulation 47-03; he has but a few more days to wait.

I am not impressed with the argument by the Secretary of Maxton Lodge No. 417 in his letter to you of August 13, 1959; first, because the statements therein as to the residence of the petitioner are not validated by the signature of Mr. Ivey, and he is the one making the petition; secondly, they are in conflict with the statements in the petition made over the signature of Mr. Ivey, and also in conflict with REGS. 47-03; 47-04 and 47-05.

Regulation 74-02 applies. This opinion shall be entered on the minutes of each of the lodges named herein, at the first stated communication after it has been received to show that the lodge is without jurisdiction; the petition must be withdrawn and the fee returned to Mr. Ivey; all records, reports and marginal notations in minutes, must be properly made as directed by our Grand Secretary.

Opinion No. 44

Brother Alvin Kenneth Pulliam, Sr., a member of our Oconee Lodge No. 427, was not reported on Official Form No. 49 as E.N.P.D., on November 6, 1950, nor was the date (November 6, 1950) reported in the Annual Returns for 1950, but that date was inserted therein later with pen and ink, but there is no other record of the matter. There is no entry whatever on the minutes or other records of the lodge of this transaction; all minutes for 1950 have been examined.

The brother was not excluded for non-payment of dues on November 6, 1950, nor any other date in 1950. He must be restored to the roll of membership of Oconee Lodge No. 427 as of the date of the alleged exclusion, in the same manner and extent as if the lodge took no action in the case. The fact that the minutes of the entire year 1950 do not carry any reference whatever of the alleged action to exclude him, but are totally silent is enough to make VOID all action by the lodge at that time.

A lodge has no authority to exclude a member for non-payment of dues unless Regulations 85-30; 85-33 and 85-34 are *STRICTLY* followed, and it is *Mandatory* in 85-33 that Official Form No. 23 (and no other form) be mailed between September 1 and 15th to each member indebted to the lodge; and it is also mandatory in 85-33(1) and 85-34 that Official Form No. 24 be *copied in full and verbatim in the minutes* of the first stated communication in November. In the absence of these records, the lodge *cannot* exclude a member.

Let the records of the office of the Grand Secretary and those of Oconee Lodge No. 427 be made to conform to this opinion. The Grand Secretary will issue such directions as may be necessary to carry out this opinion and to settle any financial matters involved.

Opinion No. 45

October 11, 1949: Brother Broadus Elwell Singleton was elected to membership in our Biltmore Lodge No. 446, subject to the receipt of a demit from Calhoun Lodge No. 81, S. C.

No report of this election was made by our lodge No. 446 to our Grand Secretary until its annual return December 31, 1953, about five years after the election.

December 31, 1950: On this date, Calhoun Lodge No. 81, S. C., excluded Brother Broadus Elwell Singleton for non-payment of dues. This was about one year and one month after the election (10-11-1949). Our Grand Secretary received this information on September 4, 1959, from the Grand Secretary of South Carolina, about eight years and four months after the exclusion.

No request for a demit has been made on Calhoun Lodge No. 81, S. C.; therefore, the election to membership in our Lodge No. 446 is not complete as of this date, (1-25-60).

The Annual Returns of our Biltmore Lodge No. 446, beginning with 1953 (about four years after the election-10-11-1949) have regularly carried the name of this brother as a member, and that lodge has collected dues from him, all of which is without authority and is illegal.

It appears from the foregoing facts that:

1. The Grand Lodge of South Carolina has jurisdiction over this brother, because of the exclusion for non-payment of dues; therefore, it will be necessary to obtain a proper demit, release or waiver of all rights now held by that Grand Jurisdiction before this membership can be completed.
2. The election of Brother Broadus Elwell Singleton in Biltmore Lodge No. 446, has not been completed. A proper demit has neither been requested nor granted, but he has paid dues to our No. 446.

I suggest that you take this subject up with the Grand Secretary of South Carolina giving him the necessary details, and requesting that he advise you *exactly* what is required of Brother Broadus Elwell Singleton or by us, to obtain a release, demit, withdrawal and/or dismissal of the brother, cleared from any and all claims by the Grand Lodge of South Carolina or its subordinate lodge No. 81.

Opinion No. 46

Brother A. C. H., a member of our Biltmore Lodge No. 446, residing in Florida, on December 8, 1952 requested, in writing duly signed by him, a demit.

On December 23, 1952, at a stated communication the demit was duly granted by the lodge. The fact was entered on the minutes of that date and reported on Official Form No. 49 for that date, but the demission was *NOT* reported on the Annual Return of No. 446 for the calendar year 1952. It appears that the Certificate of Demit, Official Form No. 36, was never issued nor was it delivered to the brother. In this file is a written and signed statement from the brother as follows:

"TO WHOM IT MAY CONCERN:

"This is to advise that I have never received a demit from Biltmore Lodge No. 446, A.F. & A.M., Biltmore, North Carolina, and it is my wish that my membership remain there.

"Witness my hand this 24th day of December, 1959, at St. Petersburg, Fla.

"(Signed) A. C. H.----)"

This brother, having been duly demitted upon a proper written request and at a stated communication, is and has been since December 23, 1952, a non-affiliated Mason. (REGS. 84-16; 84-19). If he desires to affiliate with any lodge, including Biltmore Lodge No. 446, it will be necessary for him to apply to such lodge for affiliation, attaching to the application either the original demit of December 23, 1952, or a statement on Official Form No. 63. (See also No. 62).

The procedure for this will be found in Chapters 83 and 84 of THE CODE, particularly 83-05; 83-06; 83-09; 84-13; 84-16; 84-19; 84-23; Official Forms 36, 62 and 63.

Let the records in the office of the Grand Secretary and those of Lodge No. 446 be made to conform to this opinion. The Grand Secretary will issue such directives as may be necessary to carry out this opinion and to settle any financial matters involved.

Opinion No. 47

Reference is made to your letter of September 30, 1959, about the above subject in which you request an opinion on these facts:

Brother O. A. K., a member of our Rainbow Lodge No. 479, was EXPELLED by that lodge on November 26, 1954, for non-payment of dues.

Is this action of the lodge legal and valid?

The action of Rainbow Lodge No. 479 is illegal and is not valid. Regulation 85-40 does not apply in this case, but 85-33(2) does apply. A lodge has no right to expel a member for *any cause*, except in contempt proceedings strictly as provided in Chapter 108 of THE CODE; in any other case charges must be preferred and the complaint tried before a Trial Commission and not in the lodge. There was no such trial in this case. See Chapter 98 of THE CODE.

The action of this lodge is reversed and the brother must be restored to membership as if no action had been taken on November 26, 1954, and the proper records and reports must be made.

Opinion No. 48

Brother Ralph C. Murray was a member of Spring Hope Lodge No. 481 at the time its charter was arrested on April 14, 1943, and he became a non-affiliated Mason automatically on that date and remained in that status until he affiliated with Perquimans Lodge No. 106 on February 6, 1945, by a Grand Lodge Demit issued October 24, 1944. He was non-affiliated for one year, nine months and about twenty-two days.

You ask if it is proper to allow a period of one year for a member to demit from one lodge and to affiliate with another, the year not to be counted against him in determining eligibility to receive a Grand Lodge of North Carolina Service Award.

I have made a careful search for, but have not found, any previous action by our Grand Lodge or our Grand Masters that would permit the procedure you describe, and the specific qualification in Regulation 88-03, that the membership be continuous for twenty-five years or more immediately preceding the date of the award, is mandatory and does not allow for the exception of any period of non-affiliation. The provisions of Regulation 85-05 do not apply in this case.

It is my opinion that Brother Ralph C. Murray is not qualified to receive the said Award.

Opinion No. 49

Reference is made to your letter of June 25, 1959, about the action of Linville Lodge No. 489, in regard to delinquent dues of Brother Tossie B. Vance and Alvin E. Rash, and I note your request for an Official Opinion on these cases.

1. The minutes of this lodge for its first stated communication in November, 1958 (being November 13) do not contain any entry whatever relative to this subject; it is not shown anywhere in any of the minutes that the required "Official Notice of Delinquency" on Official Form No. 23, was properly and legally sent to these members between the first and fifteenth of September, 1958, as required in Regulation 85-33; furthermore, the minutes of November 13, 1958, do not show that the required "Secretary's Report of Delinquent Members and His Certificate of Compliance with Regulation 85-33," being Official Form No. 24, was read and entered in full on the minutes of the stated communication. The above failure of the Secretary to follow the Regulations 85-30, 85-33 and 85-34 makes illegal and void all of the other transactions by the lodge in these cases.

It is my opinion that these members are not legally excluded. They cannot be excluded for non-payment of dues until after they have been properly and legally notified exactly as required in Regulation 85-33 on Official Form No. 23. Also, that the "Secretary's Report of Delinquent Members and His Certificate of Compliance with Regulation 85-33", on Official Form No. 24, must be fully recorded in the minutes of the first stated communication in November, next following the mailing of Official Form No. 23.

Therefore, it is Ordered that the two named brethren be restored to membership in Linville Lodge No. 489, as of December 25, 1958—the date the lodge reported them as excluded—as if no action has been taken thereon, and it is further Ordered that the proper records be made by said lodge and by the Grand Secretary to conform to this Order and that all financial matters be adjusted accordingly.

This Order shall be read in Linville Lodge No. 489, at the first stated communication after it is received, entered on the minutes of that communication, and a marginal note shall be made on the minutes of the stated communications of November 13, 1958; December 11, 1958, and January 8, 1959, referring to this opinion and Order, and to the date it is recorded in the minutes of the lodge. [REG. 70-01 (1A, C)].

The current procedure to exclude a member for non-payment of dues, as found in Regulations 85-30 through 85-34, has been in effect

for more than nineteen years, and I see no reason for a lodge not to properly and fully comply therewith. (See also Order #2, Robert L. Pugh, G.M., 1955, and Order #4 and Official Opinion #24, by James G. Johnston, G.M., 1959).

Opinion No. 50

David Thomas Calloway, a member of our Elkin Lodge No. 454, applied for affiliation with our Pilot Lodge No. 493. At the stated communication of No. 493 held on May 25, 1959, the application was read and at the same time a ballot was taken. The application had not laid over the required twenty-eight days, it had not been certified by the Grand Secretary and the Committee of Investigation had not reported, all of which was in violation of Regulation 76-01.

It is my opinion that the ballot taken on this application on May 25, 1959, is illegal and void, and there was no election to membership.

The application, not having been withdrawn, was later certified by the Grand Secretary on September 22, 1959, and thereafter admitted to the ballot and the brother was elected on November 23, 1959, without first obtaining authority from the Grand Master.

As provided in Regulation 76-01(1), however, by authority of that Regulation I hereby approve the ballot on November 23, 1959, and rule that Brother David Thomas Calloway became a member of our Pilot Lodge No. 493 on that date.

Let the records of the Grand Secretary and those of the two lodges involved be made to conform to this ruling and the Grand Secretary shall issue such directives as will carry out this opinion and adjust any financial matters involved in the case.

Opinion No. 51

Brother Alva Lesley Turner, a member of our Pilot Lodge No. 493, is *supposed* to have been excluded for non-payment of dues sometime in 1942, 1945 or 1946, but there is no record whatever in the minutes of this lodge to show that the member in fact had been excluded.

In the absence of a record in the minutes, the lodge had no authority to exclude the member for non-payment of dues.

Regulations 85-30; 85-33 and 85-34 must be **STRICTLY** followed. It is *mandatory* in 85-33 that the Official Notice of Delinquency on Official Form No. 23 (and no other form) be mailed between September 1st and 15th to the member; it is also *mandatory* in 85-33(1) and 85-34 that Official Form No. 24 be entered in full in the minutes of the first stated communication in November. In the absence of these records, the lodge *cannot* exclude a member.

The member has not been legally excluded for non-payment of dues and he must be restored to the roll of membership of Pilot Lodge No. 493 as if no action had been taken to exclude him.

Let the records of the office of the Grand Secretary and those of Pilot Lodge No. 493 be made to conform to this opinion. The Grand Secretary will issue such directives as may be necessary to carry out this opinion and to settle any financial matters involved.

Opinion No. 52

Returning all papers in the file on the above subject which you sent with your inquiry of October 9, 1959, it is my opinion that the action taken by Red Springs Lodge No. 501 at its stated communication on November 9, 1950, in excluding for non-payment of dues Brother H. C. Stanton, J. J. Ashenhurst and A. E. Wilkerson is valid and legal, as reported by the Secretary under seal of the lodge in his letter to you of October 5, 1959.

The matter of exclusion at the same time of Brother J. E. Williford was an error which has been properly adjusted as will appear by a resolution, a copy of which is in this file.

The affected records should be made to conform herewith.

Opinion No. 53**FACTS:**

Brother Thomas Merrell Lewis requested in writing a demit from Unaka Lodge No. 506, which was granted on January 21, 1950. The certificate of demit was not delivered by the Secretary.

On February 18, 1950, one month later, the brother requested in writing that his demit be canceled, because he had decided not to change his membership and the lodge granted his request. The certificate of demit had not then been delivered by the Secretary. He had not applied for membership since the demit was granted on January 21, 1950.

Therefore; it appears, and I do so rule, that Brother Thomas Merrell Lewis is now, and has been since January 21, 1950, a non-affiliated Mason by demit and your records and the records of Unaka Lodge No. 506 must be corrected to show that existing status. REGULATIONS 84-05; 84-16; 84-19; 84-22; 84-33 and Andrews' Digest 407; 533; 740 and 810.

Opinion No. 54

In your letter of September 30, 1959, you ask for my opinion as to the procedure in this case:

Brother R. L. Linton was elected for the Degrees in Masonry in our Belhaven Lodge No. 509, and was initiated therein on August 9, 1921. About seven years later request for courtesy work was made on South Norfolk Lodge No. 339, Virginia, to confer the Second and Third Degrees; this was done on April 30, 1929, and June 18, 1929, respectively. It seems that no report of the courtesy work was made by No. 339, Virginia, to anyone.

It is noted that almost seven years elapsed between the First and Second Degrees, making it necessary for Brother Linton to make a written application for advancement and a ballot thereon. Also that it was the duty of our lodge to report this Entered Apprentice on its Annual Returns, all of which imposed the duty on our lodge to keep in touch with its business until it had been properly reported to our Grand Secretary. (81-06; 81-07).

We have no authority over the Virginia Lodge for its failure to notify us of the completion of the courtesy work.

Brother Linton had a duty to inquire as to his financial obligation, because he certainly should have known that he would be required to pay his dues.

It is my opinion:

1. That Brother R. L. Linton is now, and has been since June 18, 1929, a Master Mason, and member of our Belhaven Lodge No. 509. [79-03; 79-15; 82-09(1)].
2. That Belhaven Lodge No. 509, must settle its financial matters with the brother. It may collect the full accrued dues, or it may remit all or any part of the same. [85-01; 85-07(1, 2); 83-35; 85-37].
3. Belhaven Lodge No. 509, shall pay in full the required per capita tax during the membership of the brother. As to this, see Regulation 85-38, wherein it is stated that the Grand Master has no power to remit dues or assessments of the Grand Lodge.
4. The Grand Secretary will issue such further instructions as may be necessary to correct his records and those of the lodge.

Opinion No. 55

You ask for an official opinion as to whether or not the following "Certificate of Transfer of Membership" as issued by Howard Lodge No. 69, Mobile, Alabama, is sufficient to serve as a demit in this case:

** TRANSFER OF MEMBERSHIP **

Howard Lodge No. 69, Mobile, Alabama, Dec. 14, 1948.

Brother William Stanley Jones, late a member of this lodge, having made application for a transfer of his membership to Joppa Lodge No. 530, Charlotte, N. C., which said application has been favorably acted upon and the brother having paid all dues to date, the membership of said Brother William Stanley Jones is hereby transferred to said Joppa Lodge No. 530, Charlotte, N. C.

(Signed) H. E. Palmer, Sr., *Secretary*

(SEAL)

It is my opinion that the Certificate is sufficient to transfer the membership of Brother Jones to our Joppa Lodge No. 530, since on its face it specifically releases all rights that Howard Lodge No. 69, ever had over the brother and such release and transfer is without reservation and is made specifically to our Lodge No. 530, and no other lodge can use it. (84-01).

Opinion No. 56

The named subject received the First Degree in Taylors Lodge No. 345, S. C., on October 26, 1946, while he was a student of Clemson College, S. C.

He is now a resident of Greensboro, N. C., and has petitioned our Corinthian Lodge No. 542, for the Second and Third Degrees.

Taylors Lodge No. 345, S. C., unanimously voted, on November 13, 1956, to waive jurisdiction over this Entered Apprentice in favor of our Lodge No. 542.

QUESTION:

Is the waiver of jurisdiction on November 13, 1956, by Taylors Lodge No. 345, S. C., to our Corinthian Lodge No. 542, equivalent to a demit under our REG. 83-29? Is it now in effect and valid?

ANSWER:

Yes to both questions, and no other lodge in North Carolina can use it, because it is made specifically in favor of our No. 542.

Opinion No. 57

"Mr. 'A' formerly resided and worked in Greensboro. He bought a home and moved to Pinebluff. He continued to work in Greensboro. He regularly returns to Pinebluff every Wednesday afternoon; returns to Greensboro Thursday morning, works until Friday evening, spends Friday night through Sunday night at Pinebluff and returns to Greensboro Monday morning; this is his regular schedule each week. He rents a room in Greensboro to be used when he is there, but his family remains at Pinebluff, which is in the jurisdiction of Roman Eagle Lodge No. 550 at Aberdeen. He has resided within the State of North Carolina for more than one year, and at Pinebluff for more than six consecutive months immediately prior to the date of this request."

It is my opinion that your lodge, Roman Eagle No. 550, at Aberdeen, North Carolina, has jurisdiction over Mr. "A" for the degrees in Masonry under Regulation 47-06(3).

Opinion No. 58

Karl Eugene Gallagher was a member of Vesper Lodge No. 554. On January 26, 1945, the Secretary of that lodge issued to him a Certificate of Demit, which was void because that was not the date of the stated communication. There is no entry in the minutes to show that a demit had been granted this member at any time; this memo appears on the front fly-leaf in the minute book:

"K. E. Gallagher demitted 1-18-45"

and this was the date of a stated communication, but there is no such record in the minutes of that date, and the annual return of lodge No. 554 for 1945 shows him demitted April 5, 1945. He used the Certificate of Demit issued 1-26-45 to affiliate with our Revolution Lodge No. 552, and became a member thereof. On 12-17-51, he was excluded for non-payment of dues by lodge No. 552 and on August 8, 1955, he died.

A legal demit was not granted this member on January 18, 1945, January 26, 1945, or April 5, 1945, and we have here three different dates he had been reported as demitted.

No useful Masonic purpose can be served now by further attempts to clear up this irregularity; therefore, let the records stand as they are and such additional records be made in the office of the Grand Secretary and the lodge to show the confused status of this particular case.

Opinion No. 59

Reference is made to your letter of February 11, 1960, under the above subject, and especially to the third paragraph wherein you state:

"We have been unable to find anything in the 1924 CODE definitely stating that a demit should be dated the same day of the stated communication at which the demit was ordered."

It may be true that you have not been able to find in so many words a definite requirement in the 1924 CODE that a certificate of demit must bear the same date as the date of the stated communication at which the demission was granted by the lodge; it seems very clear to me that by the wording of the certificate of demit, it **MUST** bear that date.

I quote from the photostatic copy of the certificate of demit attached to your letter and have underlined and numbered certain parts for quick reference:

"THIS IS TO CERTIFY, That Brother *** *is at the date of these presents* a Master Mason, in good standing; and
(Note 1)

that having paid all dues, and being free from all charges, he is, at his own request, *by vote of the lodge* dismissed from
(Note 2)

membership in *** Lodge No. ** under the jurisdiction of The Grand Lodge of North Carolina. Given under my hand and seal of the said Lodge, at *** this the *26 day of January*, A.D. 1945. ***"
(Note 3)

The underlined part numbered one, certifies that the named member is in good standing on the date shown below at Number 3, which must be the stated communication at which the lodge granted the demission, see Number 2. If the certificate is to testify to *any* date it certainly **MUST** be the date the lodge acted to dismiss the member.

The foregoing form of Demit was adopted January 16, 1929, see Proceedings 1929, Page 176, and was in effect until April 22, 1948, when the present form was adopted, which contains certain changes.

What constitutes a demit? It is the action of the lodge at a stated communication to dismiss a Brother from its membership. The action of the lodge constitutes the DEMIT, or demission; the form of paper writing used to certify, or testify, to that act is NOT the demit, but is only a certificate testifying to the *fact* that the lodge has acted, and the *date* of such action must be the *date* shown in that certificate, otherwise the document does not testify to the truth.

Opinion No. 60

At the stated communication of Vesper Lodge No. 554 on October 1. 1959, the minutes show that Brother John Randolph Peterson requested a Certificate of Good Standing for the purpose of affiliating

with Tuscan Lodge No. 6, Bartow, Florida, and that the lodge voted to grant the Certificate. He has not yet affiliated with that lodge.

Does the action of Vesper Lodge No. 554 on October 1, 1959, constitute a DEMIT?

A Certificate of Good Standing is one thing and a Demit is an entirely different thing. The action of Vesper Lodge No. 554 is NOT a demission, nor is it the equivalent of a Demit, of Brother Peterson and his membership in that lodge has not been affected by that action.

The records of the Grand Secretary and those of Vesper Lodge No. 554 must be made to conform hereto, and the Grand Secretary will issue such directives as may be necessary to carry out this opinion and to settle any financial matters involved in the case.

Opinion No. 61

J.W.T., a member of our Lodge No. 554, renounced Masonry sometime in 1950; he stated to the Secretary of the lodge that he had done so and that he intended to affiliate with the Roman Catholic Church. No request for a demit has been received. At the stated communication, December 21, 1950, this member was Excluded for Non-payment of Dues "automatically as of January 1, 1951", on the recommendation of a Past Grand Master.

While the exclusion was irregular and is void under the law, I can see no good reason in this particular case to disturb the record as made, or to re-open this matter which is now nine years old and will make no problem for the Craft in the foreseeable future. We certainly would not, if we could, attempt to restore him against his will, nor ask of him the performance of any Masonic duty. It is his privilege to renounce Masonry and he has acted of his own free will.

Let the record stand, with such notations on the records of our Lodge No. 554, and of the Grand Secretary, as will conform to this opinion.

Opinion No. 62

FACTS:

February 4, 1957, Mr. Vaid *Leander* Helms petitioned our Waxhaw Lodge No. 562 for the degrees in Masonry. A special investigation of a reported physical disability was made and a favorable report was returned by the committee, thereafter, on *April 2, 1957*, he was duly elected. The report on Official Form No. 49, dated *March 7, 1957*, under Item IV, "Petitioners for the Degrees Elected", showing Mr. Vaid *Leander* Helms is in error and should read "*Vaid Laree Helms*". Here is where the confusion began: Vaid *Leander* Helms was not elected until *April 2, 1957*, and was properly reported on Official Form No. 49, dated *April 3, 1957*, Item IV.

Because of the physical disability he has not reported for the First Degree; therefore, his election is void under Regulations 72-12 and 77-02.

October 7, 1958, at a stated communication, more than 18 months after his election, the lodge ordered that the fee paid by him be returned, which was done on *October 25, 1958*. See REGS. 72-03; 72-12 and 77-02.

OPINION:

It is my opinion that, except for the error in Official Form No. 49, dated *March 7, 1957*, the action of Waxhaw Lodge No. 562 con-

forms to the Regulations cited above which set out the applicable procedure, and that in the event Mr. Vaid *Leander* Helms desires to receive the degrees, he must make and file a new petition which takes the same course as if he had never petitioned before, because the election on the old petition is now void.

Opinion No. 63

On June 14, 1949, Brother Asa Covington Edwards, Jr., a member of our Tabor Lodge No. 563, residing in Charlotte, North Carolina, obtained a Certificate of Good Standing on Official Form No. 9, expiring December 31, 1949. The original of which is now among the records of Joppa Lodge No. 530.

On July 1, 1949, the named member applied for affiliation with our Joppa Lodge No. 530 at Charlotte under the Continuous Membership Plan on Official Form No. 18.

On August 5, 1949, this application was rejected by Joppa Lodge No. 530. This action did not affect the membership in our Tabor Lodge No. 563, it was reported on Official Form No. 49 for August 5, 1949.

On October 11, 1949, Tabor Lodge No. 563 moved to grant a demit to the brother and the minutes read as follows:

"On Motion Demits granted to Asa Covington Edwards, Jr., for purpose of affiliation with Joppa Lodge No. 530, Charlotte, N. C. . . ."

This action was reported on Official Form No. 49 for October 11, 1949, and was over *three months after the rejection by Joppa Lodge No. 530.*

Strict search has been made for the written and signed request by the brother for his demit, but none has ever been found. It appears from the file now before me that no such written request was made.

On November 4, 1949, Joppa Lodge No. 530 reported on Official Form No. 49 that an Application for Affiliation by this brother had been read and referred to a committee, but the minutes of that date make no reference whatever to the subject.

On December 13, 1949, Tabor Lodge No. 563 moved to rescind its action of October 11, 1949, the minutes read as follows:

"On motion order to rescind motion to grant demit to Brother Asa Covington Edwards, Jr., on Continuous Membership Plan. His demit reclaimed and is hereby cancelled revoking orders October 11, 1949, to unite with Joppa Lodge No. 530, Charlotte, N. C., and he is now voted his membership in our lodge, as it was issued in error by us."

This was more than *five months after the rejection on August 5, 1949.*

Brother Edwards now resides in Charlotte, North Carolina, and has paid his dues regularly to Tabor Lodge No. 563; he now owes only \$10.00 for 1960.

What is the status of the membership of Brother Asa Covington Edwards, Jr.?

His continuous membership in Tabor Lodge No. 563 has not been affected by the reported actions of that lodge, or the reported actions of Joppa Lodge No. 530.

The alleged demit of October 11, 1949, is illegal and void because no written and signed request was made first. REG. 84-04(1).

The rejection of the application for Affiliation by Joppa Lodge No. 530, on August 5, 1949, did not affect the membership in Tabor Lodge No. 563, because no demit was involved in that case; it was an effort to transfer membership under the Continuous Membership Plan based upon a Certificate of Good Standing, Official Form No. 9, see Regulations 83-03(3); 83-22; 83-24; 84-15.

Let the records of our Grand Secretary and those of the two lodges involved be made to conform to this opinion and any financial matters be adjusted accordingly.

Opinion No. 64

We are returning herewith all documents received with your letter of June 30, 1959, about the action on February 14, 1959 by Doric Lodge No. 568 excluding for non-payment of dues, Brothers *Paul Armstrong, William Jennings Gatlin, Jack Merritt Ragan, Charles William Corbin, Victor Vernest Purvis, and William H. Shearin*; and I note that you request my opinion on these facts:

On November 8, 1957, at a stated communication, the Certificate of the Secretary on Official Form No. 24 in compliance with Regulation 85-34, was read to the Lodge and recorded in the minutes. This certificate included each of the members named above. Also at the same communication, the six members were each granted an extension of time in which to pay their dues, to *January 31, 1958*, which date was not the time for a stated communication. This extension was illegal and void under Regulation 85-34(3,8).

On February 14, 1958, at a stated communication it is recorded in the minutes that the six members not having paid their dues by January 31, 1958, they were each excluded for non-payment of dues. This was also illegal and void because no extension was given from November 8, 1957, to the stated communication of February 14, 1958; it was given to January 31, 1958. Regulation 85-34(3). Automatic exclusion is not permitted.

Therefore, it is Ordered, that the six named brethren be restored to membership in Doric Lodge No. 568 as of February 14, 1958—the date the lodge acted in the alleged exclusion: as if no action had been taken on that date, and it is further Ordered that the proper records be made by said lodge and by the Grand Secretary. See Regulation 70-01(1A,C), and that all financial matters be adjusted accordingly.

The current procedure to exclude a member for non-payment of dues as found in Regulations 85-30 through 85-34, has been in effect now for more than nineteen years; and I can see no good reason for a lodge not to comply therewith. (See also Order No. 2 by Robert L. Pugh, G.M., 1955, and Order No. 4 and Official Opinion No. 24 by James G. Johnston, G.M., 1959.)

Opinion No. 65

Reference is made to your letter of May 12, 1959, requesting procedure to dispose of the case, on the following facts:

November 7, 1945. On this date JOHN DANIEL BEE petitioned our Doric Lodge No. 568, New Bern, for the Degrees. He had been

PROCEEDINGS OF THE

a resident of its jurisdiction for 16 months, at the Marine Base, Cherry Point, North Carolina.

November 9, 1945. Petition was received by the lodge.

January 11, 1946. Ballot was taken and Bee was elected.

February 16, 1946. Notice was mailed to Bee to present himself for Initiation, Tuesday, February 19, 1946, 7:30 p.m., Doric Lodge Masonic Theatre, New Bern. Petitioner had already been transferred from North Carolina to Miramar Marine Base, San Diego, California. The notice of February 16th caught up with him in the Corona Naval Hospital, Corona, California.

September 19, 1946. At the request of petitioner, Doric Lodge No. 568, requested, through the proper channel, Western Star Lodge No. 11, Huntington, West Virginia, to confer the Three Degrees.

In 1947, petitioner was discharged from the armed service and moved to Huntington, West Virginia.

May 28, 1947. Western Star Lodge No. 11, refused to confer the degrees, claiming that it had jurisdiction over petitioner under the law of West Virginia. After considerable correspondence this question was never settled, and it remained unsettled for about ten years, until;

September 8, 1957, when petitioner requested our Doric Lodge No. 568 to return to him the fee of \$35.00, paid in 1945 so he could petition Huntington Lodge No. 53, Huntington, West Virginia. The responsibility for this delay is on the petitioner since the efforts by our Lodge No. 568 to locate him during the ten years was not successful.

October 19, 1957. Our Doric Lodge returned the fee of \$35.00, by its check No. 2313, addressed to petitioner at 410 Lower Terrace, Huntington, West Virginia.

The petitioner has not received any degree by, or for, our Lodge No. 568.

On the facts in this case, it is my opinion that:

1. It is governed by SECTION 129 of THE CODE of 1924, which reads as follows:

"FORFEITURE OF ELECTION FOR INITIATION—If a candidate shall have had due notice of his election, and of the time and place when and where he could receive the first degree, but shall fail for a period of six months thereafter to present himself to receive it, his election shall be void and his fee forfeited, unless the lodge shall declare the reason for such failure to be good and sufficient. In the latter case the time may be extended for six months; after that, he must again petition and be balloted for, as in the first instance. (See Sec. 133)."

2. Doric Lodge No. 568 lost all jurisdiction and right over Mr. Bee, and his election automatically became void, on or about February 19, 1947, that is, twelve months after the date set for his Initiation, of which he was duly notified on February 16, 1946.
3. Mr. Bee has not resided in North Carolina for about ten years.
4. West Virginia claims jurisdiction by residence since 1947.
5. No lodge in North Carolina now has jurisdiction and he is free to petition any lodge that has jurisdiction.

Opinion No. 66

Reference is made to your letter of June 4, 1959, about the above subject in which you ask for my opinion as to the present status of the membership of Brother Black.

It appears, from the data you sent me, that he demitted from our Fort Bragg Lodge No. 667 on March 3, 1953. It also appears that our Casar Lodge No. 579 elected him to membership on May 5, 1955, on a demit from our Fort Bragg Lodge; however, there is no record at all to show:

1. That there was an application in due form signed by the Brother. REGS. 83-05 and 83-09.
2. That it was read and received by Casar Lodge. (83-11).
3. That it was referred to a Committee of Investigation and a report filed before the ballot. (83-11).
4. That it was sent to the Grand Secretary for certification. (83-14).
5. That it laid over at least 28 days before the ballot. (76-01).

Regulation 83-05 requires that all of the foregoing *must* be complied with before a ballot; therefore, the ballot in the case by Casar Lodge No. 579 is illegal and void. (83-15).

Brother Marshall Ray Black is now, and has been since March 3, 1953, a non-affiliated Mason by demit from Fort Bragg Lodge No. 667, and the records of your office and those of Casar Lodge No. 579 must be corrected to show that status.

It is not within the power of the Grand Master to set aside the law of our Grand Lodge nor to make records where none exist, nor to make a record that does not speak the truth.

Opinion No. 67

On November 9, 1959, Mr. B.L.N. petitioned our Maiden Lodge No. 592 for the degrees; the petition was returned to the Lodge *uncertified* by the Grand Secretary. On January 11, 1960, the lodge rejected Mr. N. and his petition has not yet been certified. This petition has been rejected by our Lodge No. 592 in 1943, 1948 and 1950, and by our Hibriten Lodge No. 262 in 1951. What is the status of the ballot and the rejection on January 11, 1960?

The ballot taken on January 11, 1960, in which the petitioner was rejected is illegal and VOID, because it violated the express demand of Regulations 73-13 and 76-01, which require the report of the Grand Secretary to be filed with the lodge *before* the ballot.

No request has been made for a dispensation to re-ballot on this petition and since it is too late now (March 9, 1960) to complete a re-ballot within the time set in Regulation 78-01, no re-ballot will be ordered.

If Mr. N. should desire to apply again, he must make a new petition.

Let the records in the office of the Grand Secretary and those of Maiden Lodge No. 592 be made to conform to this opinion. The Grand Secretary will issue such directives as may be necessary to carry out this order.

PROCEEDINGS OF THE

Opinion No. 68

On July 22, 1959, you wrote our Grand Secretary as follows:

"Enclosed find a card of the 'Knife and Fork Degree.' I would like to know if there is a Grand Lodge Regulation prohibiting printing such. If not I would like to have some made up with my own name, address and name of Company on same. Advise if this is permissible."

On the card you sent is a diagram composed of two knives, two forks and the letters "G-R-U-B," also there is a verse of cheap and silly poetry.

The knives and forks are arranged to make the figure which is formed by the square and compasses in our legitimate Masonic Emblem of a Master Mason, and the word "Grub" takes the place of the letter "G".

My answer to your request is this: A Mason who debases and ridicules our ancient and honorable emblems, the square, compasses and the letter "G", and who makes a common, vulgar, stupid or undignified parody on those symbols, which teach Masonic truth and are an integral part of our ritual; shows a cheap and degrading sense of what Masonry is. If he does not know the Masonic teaching of the square, compasses and the letter "G", he should find it out at once.

The suggestion is offensive to good taste and refinement, and is definitely a violation of our Masonic obligations and our law. [REGS. 97-02(44,45)].

If it should come to my attention that a Mason residing in, or holding membership in a lodge in this State, has printed, distributed or has in any manner taken part in promulgating any such parody, I shall do whatever may be necessary to bring him to trial.

Of course you, as a Mason, cannot print this "stuff" on your calling or business cards.

Opinion No. 69

W.A.C., a Fellow Craft of our Goldsboro Lodge No. 634, since he received the Second Degree has suffered a collapse of the skeletal structure of his feet and cannot walk, except with special shoes prescribed by his physician. The Master and Wardens have filed a special report in writing stating that they have examined this Fellow Craft and that by aid of the special shoes you describe, he can practically and substantially perform the candidates part in the ritualistic work of the Third Degree as prescribed in Regulation 74-01(10).

He may be advanced if and when he is otherwise prepared. Regulations 79-07; 79-08.

Opinion No. 70

Brother Robert Gray Copeland was a member of our Goldsboro Lodge No. 634. He applied to a lodge in Georgia for affiliation under the Continuous Membership Plan, and requested a demit from No. 634, N. C. The Secretary of our No. 634 issued and delivered a Certificate of Demit dated December 5, 1949, which was not the date of a stated communication; thereafter, at the stated communication on December 12, 1949, the following was entered on the minutes:

"It was reported that a demit had been issued to Brother ROBERT GRAY COPELAND".

Was this entry on the minutes sufficient to show that the lodge demitted this member on December 12, 1949?

The recorded fact that the subject was placed before the lodge at a stated communication as an item of business, the lodge having complete jurisdiction over the matter and there having been no record of objection to the demission at the time, it is sufficient as a record of a demit granted on December 12, 1949.

The Certificate of Demit dated December 5, 1949, is in error and must be changed to read December 12, 1949.

Let the date on the Certificate be corrected to read December 12, 1949, and let the records in the office of the Grand Secretary and those of Goldsboro Lodge No. 634 be made to conform to this opinion, and the Grand Secretary will issue such directives as may be necessary to carry out this order.

Opinion No. 71

Apparently Brother Homer Burtice Daily has been lost in an airplane accident over King Cove Lake, on Afognak Island, Alaska, the plane having been found upside down, but this is an assumption because of the circumstances in which the plane was found; there is also an assumption that he may have survived the accident and may appear at any time.

REG. 87-04 does not apply since it refers specifically to a *life member*.

There is no other part of THE CODE applicable, neither do I find a case heretofore decided by our Grand Lodge similar to this one.

I do not have the authority to issue any form of order or dispensation to solve this problem, and the only procedure I can find is for your lodge to petition the Grand Lodge next April (1960) for such relief as the lodge thinks is proper and necessary. In the meantime, the brother may be found. If this office can assist you in preparing the petition, please let me know.

Of course the Lodge can follow Regulations 85-07(1) and 85-34(1) or 85-34(2), but Regulation 85-34(2) seems a rather harsh and unsatisfactory procedure in this case.

Opinion No. 72

Our Lodge No. 680, holds its stated communications on the second and fourth Wednesdays of each month. At its first stated communication in November, 1955, being November 9, 1955, an attempt was made to grant an extension of time to several named members in which to pay their dues, and the minutes show that the extension was for "six months".

Regulation 85-34(3) permits a lodge to grant an extension of time to a *definite stated communication* and this lodge now contends that its action on November 9, 1955, to extend the time for *six months* is sufficiently definite to comply with the quoted Regulation.

I do not agree with this interpretation. It is my opinion that the words "definite stated communication" as used in the quoted Regulation requires more definite wording than was given in the minutes of November 9, 1955; for example, "To the first stated communication in January, 1960". This action of the lodge is void.

The definition of the word "month" where used in the law and procedure of our Grand Lodge means a *lunar month* or twenty-eight days; therefore, the extension on November 9, 1955, was for 168 days, and NOT for six calendar months, and the 168th day fell upon the second stated communication in April, 1956, or April 25, 1956, but the lodge did NOT act until two weeks later at the first stated communication in May, or May 9, 1956. For this also, the action of the lodge in excluding these members is void. See Regulation 94-06.

Please give such directives as may be necessary to make this opinion effective and to make the proper records conform thereto.

Opinion No. 73

Brother Leedon Boyd Andrews, a member of our East Gate Lodge No. 692, residing in Florida desires to transfer his membership to a lodge in that State under the Continuous Membership Plan. What is the procedure?

ANSWER:

A member of a lodge in North Carolina, who resides in another Grand Jurisdiction recognized by our Grand Lodge, who desires to transfer his membership to a lodge in that Grand Jurisdiction may do so only by an absolute demit issued by the North Carolina Lodge.

If the other Grand Jurisdiction does not have a rule or law under which the member may be elected before the demit is granted, but *subject to the receipt of a demit from our lodge*, then there is no method of transfer except by absolute demit.

North Carolina has no procedure permitting Certificates of Good Standing, Certificate of Transfer, Conditional Demits, or other similar documents to be used *outside* of the State. Our Regulation 83-22 applies only between lodges within the state.

Opinion No. 74

Mr. B. L. B. petitioned our Charles M. Setzer Lodge No. 693 for the degrees. The petition was received and read December 12, 1957, and subsequently he was elected thereon January 20, 1958. Due to a severe accident, Mr. B. has not received any of the degrees.

The Secretary of our Lodge No. 693 reported to the Grand Secretary that this petition had been *withdrawn* on March 20, 1959, and later changed that date to March 20, 1958. Whereupon, the Grand Secretary inquired as to the authority for the *withdrawal*, since it was prohibited by Regulation 73-09, the petitioner having been balloted on and elected.

Neither the lodge nor the Secretary had authority to withdraw the petition, see Regulation 73-09. Further investigation has developed that the petition has *not* been withdrawn according to the records, and that the three reports thereon by the Secretary were false and misleading.

The election on January 20, 1958, (two years ago) is now void under Regulation 77-02, and Mr. B. would be required to fill out and file a new petition when he desires to receive the degrees.

The Grand Secretary will give such directions as may be necessary to make his records and those of the lodge conform to this opinion and the case may be closed.

Opinion No. 75

Reference is made to your letter of October 6, 1959, in which you ask for an opinion on these facts:

FACTS:

"We need some clarification of Regulation 83-22 of THE CODE as it relates to the date on an Application for Affiliation, and the date on a Certificate of Good Standing."

"We received an Application for Affiliation which was dated September 28, 1959. It was read at the stated communication on October 1, 1959. The Certificate of Good Standing which was attached was dated August 25, 1959."

QUESTION:

If a member was in good standing with dues paid for a period of four months or more when the Certificate of Good Standing was issued, is it proper for us to certify these applications for affiliation even though the date on the application may be after September 1st, but still with sufficient time left in the year to complete the transfer of membership before the end of the year?

The answer to your question is Yes.

It is my opinion that a Certificate of Good Standing, Official Form No. 9, issued under the provisions of Regulation 83-22, must bear date *not less than* four lunar months, or 112 days, in advance of the date the Certificate is issued, and not from the date of the Application for Affiliation. See Note 2 on Official Form No. 9.

If the ballot is not taken before the expiration date named in the Certificate of Good Standing, the Certificate automatically becomes VOID and of no effect.

Regulation 83-22 applies *only* between lodges within North Carolina and not outside of this State. See also REG. 94-06.

Opinion No. 76

As I interpret Regulations 35-09 and 35-10, it is the intent of the Grand Lodge that each lodge individually should have the services of a Lecturer, and I do not have the authority to over-rule or set aside the regulation to permit two or more lodges to enter into a joint enterprise in the Lecture Service.

Opinion No. 77

Reference is made to your inquiry of October 9, 1959, about the above subject and I quote in full the second and third paragraphs of your letter:

"We have recently received many Reports of Doings showing that several lodges have excluded members on the 3rd, 5th, 8th and other September dates. In each case so far we have asked the Secretary to quote the minutes of their November, December and March meetings at which time extensions were granted, and apparently the actions taken were legal except that in each case the extension granted at the March meeting was to 'the first Stated Communication in September.' It seems to us that this extension should have been to the last Stated Communication in August in order to comply with Regulation 85-34(3) of THE CODE.

PROCEEDINGS OF THE

"This Regulation says, 'but in no event shall an extension be given beyond the first day of September in the year next following the date of the Official Notice of Delinquency'."

It is my opinion that you are correct in stating that the extension should have been made to the last stated communication in August.

I attach a photocopy of procedure for handling delinquent members which was prepared by M. W. James G. Johnston, Grand Master, and circulated to all lodges, and District Deputy Grand Masters in February of this year, and also in June I distributed additional copies to all lodges through our District Deputy Grand Masters; therefore, none should pretend ignorance of this procedure which has been the law since 1940. (See Proceedings 1940, Page 125).

Any exclusion for non-payment of dues that does not conform strictly to Regulations 85-33 and 85-34, is void. See Regulations 85-30.

Opinion No. 78

In the report of the Committee on Finance, Proceedings 1959 at page 176 and 177, there is no item set up in the budget for this repair, and the paragraph on page 177, dealing with the subject accepts the donation of Brother McClenaghan for the express purpose of repairing the grave marker.

Let the item be used for the purpose for which it was accepted by the Grand Lodge; to repair the grave marker of General Benjamin Smith, Past Grand Master.

Opinion No. 79

D. D. C., a member of our Fairfield Lodge No. 520, was suspended on October 30, 1931, for one year for un-Masonic conduct. He now desires to be restored to membership in lodge No. 520. What is the procedure?

ANSWER:

At the expiration of the one year term of suspension, this brother was *automatically* restored to membership in lodge No. 520, on October 30, 1932, and he has been a member since that date.

This case is governed by THE CODE of 1924, Section 207, Page 114, first five lines.

The records of the office of the Grand Secretary and those of Fairfield Lodge No. 520 shall be made to conform to this opinion, and the Grand Secretary will issue such directives as may be necessary to carry out this opinion and to settle any financial matters.

Opinion No. 80

Brother John Jones Collins, Jr., a member of our Franklinton Lodge 123, requested a demit which was granted at the stated communication of January 6, 1959, and so entered on the minutes, but there is some reason to believe that the certificate of absolute demit on Official Form No. 36 has not been filled out and delivered. The Secretary is very ill and cannot attend to any business.

QUESTION:

Can this lodge now issue an absolute demit to the brother dated January 6, 1959, and signed by the Acting Secretary?

ANSWER:

The lodge has already issued, or granted, the demit by its action of January 6, 1959, duly recorded in the minutes. (1) If the Certificate of absolute demit on Official Form No. 36 has been heretofore filled out and delivered, and thereafter it has been lost, then a duplicate of Form No. 36 can NOT be filled out and delivered. Regulation 84-13 must be followed in such a case, and Official Forms No. 62 and 63 must be used. Duplicate demits are NOT permitted. (2) If the certificate on Official Form No. 36 has NOT been filled out and delivered, then the Secretary, or in this case the Acting Secretary, may fill out a copy of that form, date it January 6, 1959, sign, affix the lodge seal, and deliver it to the brother. Your investigation should determine which of the two procedures applies.

Opinion No. 81

Brother B. H. C., Secretary of our Lodge No. 170, resigned. The Master ordered an election before obtaining approval of the resignation by the Grand Master. REGS. 64-02 and 65-09. Brother A. C. was elected and installed. The Grand Secretary quotes REG. 65-02 with some changes in punctuation, and contends that Brother A. C. should sign as Acting Secretary and not as Secretary. Brother A. C. disagrees. Which one is correct?

In this case neither one is correct.

REG. 65-02 only applies *after* there is a *vacancy* in office. It does not *create* the vacancy. When the resignation was filed it did not *automatically* create a vacancy. A vacancy may be created by resignation, see REG. 65-01(2), but a resignation does not become effective until it has the consent of the lodge and the Grand Master, see REG. 64-02 and 65-09.

If this lodge did not obtain the approval of the resignation by the Grand Master before the election, then there was no vacancy to fill; therefore, REG. 65-02 does not apply, and the lodge should now proceed under REGS. 64-02 and 65-09, report the case and observe such directives as the Grand Master may give. It may be safely assumed that the lodge consented to the resignation by its action in electing a successor.

ONE-STORY LODGE BUILDINGS

Two requests were presented to me during the year for permission to erect a one-story lodge building, and after investigation, permission was granted to Richard Caswell Lodge No. 705, Kinston, N. C., on October 14, 1959, and to Semper Fidelis Lodge No. 680, Jacksonville, N. C., on October 19, 1959.

RESIGNATION OF LODGE OFFICERS

Eighteen (18) resignations of various installed officers of lodges were received and approved under Regulation 64-02. Vacancies created by these resignations were filled as provided in THE CODE.

PROCEEDINGS OF THE**SUSPENSION OF OFFICER**

The Master of one of our lodges found it necessary to suspend the Senior Warden for a good cause. He asked for my approval for his action which was granted. See Regulations 66-02; 66-04 and 66-05.

DISQUALIFIED FOR OFFICE

An installed Steward was not qualified for office because he had not made suitable proficiency in the catechism of the Third Degree as required in Regulation 80-08; the District Deputy Grand Master instructed the Master to declare the office vacant and to appoint and install a successor. This action was approved by me.

LODGES NOT REPRESENTED

Eleven (11) Lodges have not been represented in the Grand Lodge for two or more consecutive years as required by Regulation 49-02(12). On February 12, 1960, I notified each of them to be represented at this Annual Communication or show why their Charters should not be arrested.

BOARD OF GENERAL PURPOSES

The stated meeting for the Board of General Purposes on Friday, March 11, 1960, had to be deferred because of weather conditions which prevented travel, and on Saturday, March 19, 1960, a special meeting of the Board of General Purposes was held at the Grand Lodge Office Building in Raleigh, North Carolina, at 10:30 p.m.

PAST GRAND MASTER CHARLES BAILEY NEWCOMB

I wish to record here my sincere appreciation for the valuable advice and assistance given to me by Brother Newcomb during my term of office. I have called on him often during the year for advice, and he has always been ready and willing to give unselfishly of his time and service.

More than fifty years ago, Brother Newcomb first began his untiring efforts of service to the Fraternity, and since then he has gained a vast store of knowledge of Freemasonry.

I do not know of any man who has given so much of himself; who has been as loyal and untiring, and who has contributed as much to the Fraternity as this truly great Mason.

It is with a deep sense of gratitude that I now express my heartfelt thanks to him, and it is my wish and prayer that he will have continued health and happiness for many years to come.

25-YEAR SERVICE AWARDS & 50-YEAR VETERANS' EMBLEMS

During the year 1959 there were presented 333 Twenty-Five Year Service Awards and 147 Fifty-Year Veterans' Emblems, or a combined total of 480. Several inquiries concerning the Awards for 25 and 50 years of continuous membership were presented for my consideration and several of them were authorized; however, there were several that were not in my opinion, entitled to either of these awards and it was necessary that I disapprove those requests. I cannot conceive of a brother who has been non-affiliated for over twenty-four years, being entitled to the 50-Year Award, or one who has been non-affiliated for more than two years being entitled to the 25-Year Award, where, in each case, the records are complete and proves the non-affiliation without question. I am definitely of the opinion that our regulations on these subjects are liberal enough, in fact too liberal, and to further devalue these awards will make them meaningless, especially when our certificates testify to facts that do not exist, or to records that are false.

**GEORGE WASHINGTON MASONIC NATIONAL
MEMORIAL ASSOCIATION****CONFERENCE OF GRAND MASTERS OF MASONS IN
NORTH AMERICA****MASONIC SERVICE ASSOCIATION**

The 50th Annual Convention of The George Washington Masonic National Memorial Association was held in the auditorium of the Memorial at Alexandria, Virginia, Monday, February 22, 1960, at 10:00 a.m. The Conference of Grand Masters of Masons in North America was called to order at 9:30 a.m., February 23, 1960 in the Congressional Room, Hotel Statler, Washington, D. C., and was adjourned at noon on February 24th. The Masonic Service Association started its session at 9:30 a.m., February 24, 1960, at the Hotel Statler.

In addition to your Grand Master, the following were in attendance from this Grand Jurisdiction: R. W. Harvey W. Smith, Deputy Grand Master; R. W. James W. Brewer, Junior Grand Warden; M. W. Charles A. Harris, Past Grand Master and Grand Secretary; W. Charles C. Ricker, Senior Grand Deacon; W. J. Edward Rooker, Jr., Junior Grand Deacon; M. W. William J. Bundy, Past Grand Master; M. W. Wallace E. Caldwell, Past Grand Master; M. W. Robert L. Pugh, Past Grand Master; W. Robert N.

PROCEEDINGS OF THE

Bass, P.M.; W. Adam A. Husman, P.M., and W. Alfred A. Kafer, Jr., P.M.

M. W. Robert L. Pugh, Past Grand Master, is our elected representative to the George Washington Masonic National Memorial Association and the Masonic Service Association, and will report to you on their activities during this session of our Annual Communication. It is my recommendation that the Grand Lodge contribute \$1,000 to the George Washington Masonic National Memorial Association, and \$3,000 to the Masonic Service Association for hospital visitation, which are the same amounts as contributed in 1959.

The interior of the George Washington Memorial at Alexandria, Virginia, is complete and the Association is now endeavoring to secure sufficient funds for an endowment that will produce investment revenues in the amount required for the upkeep and maintenance of the building and grounds. I am certain that the report of M. W. Robert L. Pugh will contain information relative to the idea that was proposed at the convention for the raising of such funds.

THE OFFICE OF GRAND SECRETARY

The Grand Master, M. W. James G. Johnston, in his report last year, called attention to the delinquent condition of the work in the office of the Grand Secretary. Immediately after my installation last April, I visited the office and solicited the aid of the Grand Secretary and his staff in clearing up this backlog of work. I am happy to report that the Grand Secretary states that at the present time the work in his office is practically on a current basis. To each and every member of the Grand Secretary's office I wish to express my sincere appreciation for the services rendered to the Grand Lodge and also extend to them my thanks for their assistance to me during my term of office.

**OXFORD ORPHANAGE
MASONIC AND EASTERN STAR HOME**

It is not necessary for me to say anything to you in regard to these institutions because the brethren in charge of such institutions, Brother A. DeLeon Gray and Brother George R. Bennette, keep you advised throughout the year with respect to the current conditions and their planned and future needs. Further, the committees on these homes will make a report to you during this session of our Grand Lodge.

I recommend that the Grand Lodge contribute \$50,000 to Oxford Orphanage and \$16,000 to the Masonic and Eastern Star Home during the year 1960.

THE DISTRICT DEPUTY GRAND MASTERS' CONFERENCES

In order to minimize travel time it was decided to have two conferences of District Deputy Grand Masters. The first of these conferences was held in Goldsboro, N. C., on June 6, 1959, and the second in Marion, N. C., on June 13, 1959. Districts 1 to 26, inclusive, and 30 to 32, inclusive, were invited to the Goldsboro meeting, and the remaining districts (27 to 29, inclusive, and 33 to 58, inclusive) were invited to the Marion meeting. Most of the District Deputy Grand Masters were in attendance at these meetings and there was a good representation of District Deputy Grand Lecturers who had been invited to attend. Last year Past Grand Master James G. Johnston invited the District Deputy Grand Lecturers to attend the District Deputy Grand Masters' conference and expressed a hope that future Grand Masters would continue this practice. I am in agreement with such recommendation and hope that such plan will be followed in future years.

DISTRICT DEPUTY GRAND MASTERS

It is not necessary for me to repeat that which has been said time and time again with respect to the potential value of the District Deputy Grand Masters, but I do desire at this time to express my sincere appreciation for the services that have been rendered by the District Deputy Grand Masters during my term of office. It was necessary that I assign to some of the District Deputy Grand Masters certain special duties that required a great amount of their time and effort, and to them my word of commendation is especially directed. I will not call them by name for by so doing the spotlight would be thrown on lodges and places, and no useful purpose is served by recalling bad situations after they have been corrected. I have previously referred to the potential value of the District Deputy Grand Masters and the word *potential* was used advisedly, because it is my opinion that a much greater contribution can be made to the Grand Lodge by the District Deputies. To bring this about will require first an education as to their duties, and thereafter it will depend on the capacity of the men that are selected to carry out such duties.

MASONIC CEREMONIES AND THE VARIOUS HANDBOOKS

In accordance with the recommendation of M. W. James G. Johnston the committees that had been appointed to prepare handbooks for the Masters and Secretaries of our subordinate lodges, the District Deputy Grand Masters, the

PROCEEDINGS OF THE

District Deputy Grand Lecturers, and a Trial Manual, were reactivated under the leadership of M. W. Brother Robert L. Pugh, Chairman of the Committee on Ceremonies. To the members of these committees I wish to express my deepest gratitude for their effort during the year. M. W. Brother Robert L. Pugh will make a status report during this session of our Grand Lodge.

CONCLUSION

To the Grand Lodge officers, the District Deputy Grand Masters, the District Deputy Grand Lecturers, the Past Grand Masters and to all members of the craft, I wish to express to you once more my sincere appreciation for your loyal support during the year. Your wholehearted support and cooperation are earnestly solicited for my successor in office.

I also wish to extend my heartfelt thanks to the Management of the Atlantic Coast Line Railroad for their cooperation in permitting me to participate in Grand Lodge affairs during the past several years. Nothing could have been accomplished without their help. The General Offices of the Coast Line will move to Jacksonville, Florida within the near future and as an employee of that Company it will be necessary for me to move my residence to that city. Such move will deprive me of the day-to-day association with you brethren and I do not relish being denied this privilege. Instead of giving you the customary invitation of "come up and see me sometime" I think it more appropriate to say "come down and see me sometime". My office will be on the fourth floor of our new General Office building located in the downtown area of Jacksonville, Florida, and my residence will be at 7204 San Carlos Road.

It was indeed a privilege to have served you as Grand Master, and for permitting me to have this opportunity I shall be grateful to you always.

Respectfully submitted,

W E Hand
Grand Master.

**REPORT OF THE BOARD OF GENERAL PURPOSES
ON THE DISTRIBUTION OF
THE REPORT OF THE GRAND MASTER**

(Docket No. 28)

The following report of the Board of General Purposes on the distribution of the report of the Grand Master was read, entered on the record and unanimously adopted:

To The Most Worshipful Grand Lodge of North Carolina:

The Board of General Purposes, in compliance with the provisions of THE CODE, has reviewed and considered with care the report of the Most Worshipful Grand Master, William Eli Hand, in all of its detail, and submit this report:

We congratulate the Grand Master upon his performance of the manifold duties of the position of Grand Master, as reflected in the clear and concise report of his activities. The benefit of such exemplified and efficient service and leadership inures to the everlasting credit of Masonry and, as the beneficiary of it, we congratulate the Grand Lodge and Masons of North Carolina.

The Board recommends:

- (1) That the parts of the Grand Master's report which relate to decisions, dispensations and other legal matters be referred to the Committee on Masonic Jurisprudence;
- (2) That the portions relative to matters of finance be referred to the Committee on Finance;
- (3) That the portions concerning the Oxford Orphanage and the Masonic and Eastern Star Home, respectively, be referred to the respective committees on those institutions; and
- (4) That other matters be assigned without further specific reference to the committee or commission which should promptly consider them.

Respectfully submitted,

**REPORT OF THE COMMITTEE ON MASONIC AND
EASTERN STAR HOME OF NORTH CAROLINA, Inc.**

(Docket No. 29)

The following report of the Committee on the Masonic and Eastern Star Home of North Carolina, Incorporated, was read by W. Brother Louis W. Shrier, P.M., received,

entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

Your Committee on the Masonic and Eastern Star Home met in Greensboro on Friday, March 18, 1960, in conformity with Regulation 38-16 of THE CODE.

We were met by those sincere and devoted Masons, Brother George R. Bennette, Superintendent of the Home for past twenty-nine years, and his assistant, Brother Troy G. Robbins.

In conference with Brother Bennette, we were shown the operating income and disbursements for the year. The Committee was favorably impressed by the fact that our Home is being managed in an efficient manner, for the comfort and care of its guests, yet the daily per capita cost is only \$4.25.

We were conducted on a tour of inspection of the entire plant by Brother Robbins. The general condition of the buildings has been improved by the new tile flooring, plastering and painting. We were very pleased to find that the safety of the main building, which is now forty-eight years old, has been greatly improved by the addition of six fire escapes and six fire doors, which makes it possible for each person in the home to have two avenues of escape in case of fire. The building has also been rewired for the safety and convenience of the guests.

The spiritual needs of our guests are being provided for by devotional services each morning, and each Sunday afternoon at 3:00 worship service is conducted in the Chapel by our Assistant Superintendent, Brother Robbins, who is also available at all times for private counseling.

While on our tour of inspection, we could not help but notice the pleasant smiles and happy greetings from the guests as they went on their cheerful way. They seem to be happy and content in their surroundings. When one views all of this serenity and home-like atmosphere, he knows that all of the time, effort and attention given by all of the staff are assets that cannot be measured in monetary values.

We solicit your continued support of this marvelous home, and we urge you to visit this home and share with us the joy and satisfaction of having had a part in contributing to its success.

Respectfully submitted,

LOUIS W. SHRIER, P.M., *Chairman*,

REPORT OF THE COMMITTEE ON OXFORD ORPHANAGE, Inc.

(Docket No. 30)

The following report of the Committee on Oxford Orphanage was read by W. Bro. Cecil W. Henderson, P.M.,

entered on the record, and referred to the Committee on Finance:

To The Most Worshipful Grand Lodge of North Carolina:

Your Committee visited Oxford Orphanage in March. The overall picture was not too good as the grounds were all messed up, much of which was due, of course, to our building activities and the inclement weather during the month. We are looking forward to the day when all these improvements shall be completed.

Your Chairman oftentimes expressed the belief that other things were more necessary than putting too much stress on recreation and sports and it is with pleasure that we see the completed main building and the new dining hall nearing completion. We were much impressed with the Steward who without a doubt knows what it is all about and performing his assignment most creditably.

We also visited the Shoe Shop, Printing Department and Electric Department. We believe these activities are of immense value in the proper training of many of our boys who are so inclined.

The financial condition of the institution is excellent and the Board of Directors are to be congratulated.

We have found through the years that our children are indeed very well behaved and a credit to the institution for which we can be both proud and thankful.

Respectfully submitted,

A. A. HUSMAN, *P.M., Chairman*

REPORT OF COMMITTEE ON UNFINISHED BUSINESS

(Docket No. 31)

The following report of the Committee on Unfinished Business was read, received, and entered on the record and adopted:

To The Most Worshipful Grand Lodge of North Carolina:

Your Committee on Unfinished Business begs to report that all matters of business have been handled, and there remains no unfinished business.

Respectfully submitted,

HARRISON KAUFFMAN, *P.M., Chairman.*

REPORT OF THE GRAND LECTURER

(Docket No. 32)

The Grand Lecturer presented the following report, which was read, entered on the records, and referred to the Board of Custodians:

To The Most Worshipful Grand Lodge of North Carolina:

The year 1959 has been a very successful and satisfying one so far as progress made in the ritualistic work of Masonry in North

Carolina is concerned. To the various Grand Lodge Officers and others who have given generously of their time and wise counsel goes the credit for whatever achievement has been accomplished. Most Worshipful Brother Eli Hand has made himself available at all times, in spite of his busy schedule and numerous other duties, to furnish friendly advice whenever called upon. Brother Charles B. Newcomb, Past Grand Master and Past Grand Secretary, without whose help this job would have been extremely difficult, if not impossible to accomplish, has lent his wealth of experience and illimitable ability at all times. Brother Charles A. Harris, Grand Secretary, has been of unmeasured assistance by placing his own service, as well as the facilities of his office, at my disposal throughout the year. To the members of the Board of Custodians I express sincere thanks for having backed me up with kind advice and instruction where needed. However, the real work was done by our fifty-eight District Deputy Grand Lecturers who have given unreservedly of their time and talents in the fulfillment of their important tasks for which, I feel, too little recognition is given. It is encouraging to note the extent to which the District Deputy Grand Masters have cooperated with the District Deputy Grand Lecturers in carrying out their various assignments, and I am glad to take this means to thank them for their spirit of helpfulness.

This year for the third consecutive time this Grand Jurisdiction finds itself in the enviable position of having every subordinate lodge current as to the Lecture Service, as of December 31st. I am sure the Grand Lodge is grateful to the District Deputy Grand Lecturers who have been primarily responsible for this perfect score.

According to my records, 167 of the 355 lodges in the state were lectured during the year, 12 were excused, and 176 did not require lecture service in 1959, leaving none delinquent.

Forty-three Districts report that two or more schools of instruction were held, ten Districts reported one school only, and I have no information that a school was held during 1959 in five Districts.

The Lodge System of Masonic Education, which has been stressed and promoted vigorously by The Board of Custodians, is being used extensively throughout the Jurisdiction, 287 lodges reporting that they are taking advantage of this most valuable instrument. Thirty lodges state that it is not being used and no information on this subject is available from 35 lodges. It is hoped that during 1960 every lodge will have availed itself of this very important tool.

A report of activities has been received and filed from fifty-two Districts, six having failed to make such a report. We have fifty proficiency reports, eight districts not being heard from on this subject. A careful study and analysis of these reports indicates that the interest in the ritualistic work is high throughout the state and that steady progress is being made towards having proficient degree work in every lodge.

The following recommendations are hereby made to The Board of Custodians as to appointments as District Deputy Grand Lecturers for the ensuing year:

REPORT OF THE COMMITTEE ON NECROLOGY

(Docket No. 34)

The following report of the Committee on Necrology was delivered by W. Brother Armon E. Baggett, P.M., and entered on the record:

To The Most Worshipful Grand Lodge of North Carolina:

*There is a stream we all must cross,
The river of human years;
Now lying calm in summer light,
Now splashed with rain of tears.
Out from the hill of God it flows,
And on the shadowless sea,
Where the noontide sun no shadow throws
And time is Eternity.*

No man can live his present life or plan his future without a thought of the past; its joys, its sorrows, its mistakes and its wisdom. For us to turn our thoughts and emotions backward is wholesome and necessary in planning our vision of the future.

Each year as we gather in this annual meeting, we are forcefully reminded that "In the midst of life we are in death." The curtain has been drawn since we last met together, on many of our number. The hand of death has been placed upon many of our brethren beckoning them into the realms beyond. The all-devouring scythe of time continues to take its accustomed toll with the steady passing of the years. Each year as we meet here more familiar faces have disappeared.

Year by year we pause here in our deliberations in silent memory of our brethren who have joined the ranks of those on high. Words of faith and hope have been spoken by those whose ministry it is to comfort the sorrowing and interpret the ways of God to man.

Their lives were filled sometimes with gladness and sometimes with sadness. Yet they had caught a glimpse of that something that enables man to meet life's trials as they are presented and overcome, the fears of evil and despair. Theirs could well serve as a guide for our lives, as we attempt to mould them into a form acceptable to Him who dwells on high.

Sadness is inevitable, when we realize that we are met here in this annual meeting from which there is absent those brethren who were with us before, but are here no more. Those who have in the past year laid down forever the working tools of life and passed on into "That far distant country from whose bourne no traveler returns." Their fellowship is missed among us here but their memory

will forever be fresh in our hearts. We cherish their memory and hope that we may think, not so much of the separation, but more of the happy meeting again, "In that house not made with hands eternal in the Heavens."

We can say, then, of these brethren that we find joy in the knowledge that they are not dead, but they are only sleeping, and not forever, and that we shall not seek future fellowship with them in vain.

The happy privilege was yours and mine to know and to love these brethren as they dwelled among men. Our lives have been enriched because of their contributions to this Order, to their communities, to this State, to this Nation and to the world. It is because of the contributions of men like them that you and I can live in a free world today, and worship our Creator in our own special way. We are thankful that God gave them to us, if only for a little while. Their memory will be cherished until time shall be no more. We recall their services to Masonry and realize, that through their lives and their services, there has been made to our cause many valuable contributions. As we review these contributions, we realize that they have not lived in vain, and that our lives and the whole world has been made richer because they lived. It is worthwhile to live well that those who follow may live better.

Life's journey for each of us may be long or may be short. We might, at any moment, be called upon to cancel all earthly engagements and assume our stations in that Realm where error is not known. We are, therefore, to imitate those great men whom God has paraded before us, and by their examples, strive to so live that when at last we are called upon to present our Master's Piece, that all the world will be glad that we have lived, will regret that we have died, and all the Angels will rejoice at our coming.

*A breath of joy, an hour of pain,
Dark paths to trod, bright heights to gain,
A little joy, a little strife
And this is life.
A little rest, a swift new birth,
A snapping of the bonds of earth.
A joyous stride, a tingling breath
And this is death.
For life and death walk hand in hand,
With never a span between,
And our paths lead to that other land
Where sunlit fields are green.*

TRIBUTE TO
R. W. BROTHER LESTER HAYWOOD GILLIKIN
Senior Grand Warden of
The Grand Lodge of North Carolina
(Docket No. 35)

W. Brother Berl M. Kahn, P.M., C.L., read the following tribute to R. W. Brother Lester Haywood Gillikin, Senior Grand Warden of The Grand Lodge of North Carolina, and it was received and entered on the record.

LESTER HAYWOOD GILLIKIN
Senior Grand Warden 1959-60

LESTER HAYWOOD GILLIKIN

*There is an Oasis bright and fair,
The Unseen Temple is over there,
That Perfect Temple where all is light,
Where there is no darkness, there is no night.
When the Master calls our friends obey,
And fold their tents and steal away
To the land where the crystal waters flow,
Where the beautiful palms of the Master grow.*

The Supreme Grand Master of all men, on August thirteenth, nineteen hundred fifty-nine, proclaimed the following to the Senior Grand Warden of the Grand Lodge of North Carolina: "Well done thou good and faithful servant, thou hast been faithful over a few things, I will make thee ruler over many things, enter thou into the joy of the Lord." Thus, our beloved friend and brother, Lester Haywood Gillikin, entered a place of perfection where all good Masons hope at last to arrive, where the wicked cease from troubling and the weary shall find rest.

Lester was born on August twenty-third, nineteen hundred and eleven, at Goldsboro, North Carolina. He was the third son of Uriah Melvin Gillikin and Mary Wrenn Gillikin. Many of his admirable traits were instilled in him because of the influence of his parents upon his life. His father was an active and ardent Mason.

Lester was united in marriage to Elizabeth Cranford of Salisbury, North Carolina, on November twenty-sixth, nineteen hundred thirty-six. This happy marriage was blessed with two fine sons, Robert Douglas, age twenty, and Haywood Wrenn, age seventeen.

It was been said, "He lived a life." His life's span was very short, only forty-eight years, but life cannot be measured in the term of years alone, but it can be measured in the results and accomplishments that are obtained during those years, be they many or few. Lester firmly believed that all mankind has a responsibility to his fellowman regardless of the position that fate has placed him upon the spoke of fortune's wheel. The prophet Micah drew the designs for Lester's life upon the trestle board when he said, "What doth the Lord require of thee but to do justly, love mercy and walk humbly with thy God." His life exemplified this thinking.

Lester was a devoted church worker. While residing in Goldsboro, he was an active member of St. Paul Methodist Church. He served as Bible teacher and held various offices in both the Sunday School and Church and served as member, secretary and chairman of the board. He was very active in the Wayne County Sunday School Association, which is composed of various Protestant denominations. Upon moving to New Bern, he became an active member of Centenary Methodist Church and at the time of his death was a member of the official board of that Church. He was an outstanding speaker and was well known as a lay minister. His sermons were always down to earth and true to life. They were always filled with encouragement and hope and offered spiritual food for the hungry soul of man.

He took a keen interest in civic and community affairs. He was elected to the Wayne County Board of Education in nineteen hundred and fifty and served as chairman of the board during the entire four years of his term in office. He was an active participant in Red

Cross, Community Chest and other worthwhile endeavors. It would seem that these activities alone, would constitute a full life for the average person, but he was better known for his Masonic work. He was a member of Wayne Lodge, Number One Hundred and Twelve in Goldsboro, North Carolina. He was initiated an Entered Apprentice on October fifth, nineteen hundred and thirty-two, passed to the degree of Fellowcraft on November second, nineteen hundred and thirty-two and raised to the sublime degree of Master Mason on November seventh of the same year. He was elected secretary of Wayne Lodge in nineteen hundred and thirty-nine and served his lodge in that capacity until his departure from Goldsboro in nineteen hundred and fifty-five. Because of the love and esteem in which his brethren held him, he was elected to life membership in Wayne Lodge in nineteen hundred and fifty-six.

He was appointed District Deputy Grand Master of the old Sixth Masonic District in April of nineteen hundred and thirty-seven, a position which he held for nine consecutive years. Due to his untiring efforts and capable leadership, the lodges of this district were inspired to new life and today are active and progressive.

He was active in the affairs of the Grand Lodge of North Carolina. He was appointed to the Committee on Finance in nineteen hundred and thirty-nine, and remained on this committee until April of nineteen hundred and fifty-nine. He was a member of the committee appointed in nineteen hundred and forty-nine to revise all the Masonic ceremonies. This work was completed and approved by the Grand Lodge in nineteen hundred and fifty-one. During nineteen hundred and fifty-one, he served as Grand Orator at the Annual Communication of the Grand Lodge in Chapel Hill, North Carolina. He was appointed Grand Steward in nineteen hundred and fifty-three and was serving as Senior Grand Warden at the time of his death. He was a representative of the Grand Lodge of Denmark near the Grand Lodge of North Carolina since nineteen hundred and thirty-nine. He was a certified lecturer of the Grand Lodge since nineteen hundred and forty-five.

Lester was a member of Goldsboro Chapter Number Twenty-Nine Royal Arch Masons and served as High Priest in nineteen hundred and forty-four, and secretary from nineteen hundred and forty-five through nineteen hundred and fifty-five.

He was a member of Goldsboro Council Number Thirty-three, Royal and Select Masters of Goldsboro, North Carolina, and served as Illustrious Master in nineteen hundred and fifty-five.

He was a member of Goldsboro Commandery Number Twenty-six, Knights Templar, and served as Commander in nineteen hundred and forty-four and was elected Recorder in nineteen hundred and forty-five, and served as such until nineteen hundred and fifty-five.

He was elected Grand Warden of the Grand Commandery of North Carolina in nineteen hundred and forty-nine and advanced in line each year and served as Grand Commander during nineteen hundred and fifty-seven.

He received the Scottish Rite Degrees at Wilmington, North Carolina in November of nineteen hundred and forty-four. Upon moving to New Bern, North Carolina, he transferred his membership to the New Bern Scottish Rite Bodies and took an active part in the degree work.

He was a member of Goldsboro Chapter Number Fifty-four, Order of the Eastern Star, and served as Worthy Patron in nineteen hundred and forty-eight and nineteen hundred and forty-nine.

He was initiated a Noble of the Mystic Shrine at the January Ceremonial of Sudan Temple in nineteen hundred and forty-one. He was appointed on the Divan as Outer Guard in nineteen hundred and forty-four and was elected to serve as Illustrious Potentate in nineteen hundred and fifty-three. He accepted the appointment as Assistant Recorder of the Temple in nineteen hundred and fifty-five and elected Recorder in nineteen hundred and fifty-seven, a position which he held until his death.

Due to his interest and contributions to Masonry, he held membership in numerous honorary Masonic organizations. He was a member of the Duke of Beaufort Council Allied Masonic Degrees of the United States of America, and a Past Sovereign of St. John's of Jerusalem Council Number Seven; Saint Titus Conclave Number Seventy-two, Red Cross of Constantine; Knight of the York Cross of Honor, Lily of the Valley Priory Number One. He was a member of the Order of the High Priesthood of North Carolina and received the grade of Thrice Illustrious Master. He was also a member of the North Carolina College Societas Rosicruciana In Civitatibus Foederatis. His honorary memberships in Masoinc Lodges and Shrine Temples are too numerous to mention.

Man can neither create nor destroy, he may only change the form. Man plants a tree and generations later, those whom he knew not, rest in the shade of it. Man sows and generations later, others reap the harvest. It is the dead that govern, the living only obey. Although Lester is not with us today in the form of years past, his spirit and influence are still among us and will have their effects upon men and upon Masonry for ages to come.

The Man of Gallilee said, "If anyone desires to be first, the same shall be last and servant of all." These words were a challenge to Lester Haywood Gillikin. If the honors of Masonry were the sole motive for his service, they would be as sounding brass or a tinkling cymbal. However, we know this not to be true. The honors of Masonry alone could never compensate for his long hours of service. His reward lies in a life that did not fail his God, his fellowman, nor his Masonry. No one but Lester and God above, knew of his long hours of unselfish service which often ran into the wee hours of the night, as he endeavored to help others with their problems.

As man travels down the pathway of life, it is indeed a rarity that he has the opportunity to be acquainted and associated with one so dedicated to high principles. One who is inspired to make the utmost use of his time and talents to such an extent that he would be an inspiration to those with whom he came in contact. Lester's sincerity was a radiating force and gained for him the respect and confidence that made him an outstanding and a natural-born leader of men.

The example of his life causes us to more firmly believe in the Biblical quotation: "Many are called but few are chosen."

I want to leave with you the words of a most beautiful poem and many of us who were privileged to know Lester, have heard them from his lips on numerous occasions. The thoughts they express seem to typify his thinking and the mission of his life among us.

PROCEEDINGS OF THE

*An old man, going a lone highway,
Came at the evening, cold and gray,
To a chasm, vast and deep and wide,
Through which ran a sullen tide.*

*The old man crossed in the twilight dim;
The sullen stream had no fears for him,
But he turned when safe on the other side,
And built a bridge to span the tide.*

*"Old Man," said a fellow pilgrim near,
"You are wasting your time building here;
You will never again pass this way,
Your journey will end with closing day.*

*"You have crossed the chasm deep and wide;
Why build you this bridge at eventide?"*

The builder lifted his old gray head,

"In the way that I come," he said,

"There follows after me today

A youth whose feet must pass this way.

*"This sullen stream, that has been as naught to me,
May to the fair haired youth a pitfall be;*

He, too, must cross in the twilight dim;

My friend, I am building this bridge for him."

Yes, "He lived a life," and he earned a Master's wages.

PRESENTATION OF BOOKS TO THE GRAND LODGE OF NORTH CAROLINA LIBRARY

By M. W. Brother Charles H. Pugh, P.G.M., in behalf of
Brother Earley W. Bridges, P.M. (76)

THE GRAND MASTER: At this time, I will recognize M. W. Brother Charles H. Pugh, Past Grand Master.

M. W. Brother Charles H. Pugh: Most Worshipful Grand Master, I have been requested by Brother Earley Bridges to present to you and through you to the Grand Lodge Library these two books. One, William R. Davie, written by Blackwell P. Robinson, which is an important history of one of the greatest Grand Masters that we ever had, having served, I think, a longer time than any other Grand Master. The other is a history of Greensboro Council No. 3, Royal and Select Masters, of which Brother Bridges is the author, and of which they will celebrate their centennial next month in the City of Greensboro. He requested me to present this to you as a contribution to the historical part of the Grand Lodge of North Carolina and that it be put in the Grand Lodge Library.

THE GRAND MASTER: On behalf of the Most Worshipful Grand Lodge of North Carolina, I accept these books and extend our sincere thanks to Brother Bridges. They are now being turned over to our Grand Historian, Brother Charles H. Pugh.

REPORT OF THE GRAND HISTORIAN

(Docket No. 37)

M. W. Brother Charles H. Pugh, P.G.M., Grand Historian, presented the following report, which was entered in the record, adopted, and referred to the incoming Grand Master:

To The Most Worshipful Grand Lodge of North Carolina:

I hereby present to you my third annual report of the activities of the Grand Historian.

Two years ago a letter was sent to the Master of each Lodge in North Carolina requesting him to appoint a Historian, or Historical Committee, to bring the history of his Lodge up to date. A large number of the Masters responded, and quite a few have completed a recording of the important events in their Lodge's history.

A larger number of Ladies' Nights, Past Masters' Nights, presentation of 25-Year Certificates and 50-Year Veterans' Emblems, Cornerstone Layings, Temple Dedications, and other meetings of special importance, have been reported.

This year, only a few weeks ago, a letter was sent again to each Master in North Carolina calling his attention to the importance of keeping the history of his Lodge up to date, and also reminding him of the benefits that can be derived from Anniversary Celebrations. We are planning to follow up this request, especially to those Lodges that

are celebrating their 5th, 10th and 25th Anniversaries of the year they received their Charter. It will be much better to prepare a history of their Lodge for a period of 5, 10 or 25 years than to neglect it for half a century.

The response to this has been very enthusiastic. A larger number of Brethren have reported to me, even at this Annual Communication, giving me the name of their historian; that is, those that have not already done so, and in several instances of their intention to have a celebration this year of one of these anniversaries.

Last year we called the attention of this Grand Lodge to the approaching Anniversary of 175 years of the history of this Grand Lodge. This is the 173rd Annual Communication. Two years from now, 1962, will be our 175th Annual Communication. Let us be reminded that this is not too early to plan for a celebration in connection with our Annual Communication of the 175th Anniversary of this Grand Lodge.

We, therefore recommend that the incoming Grand Master appoint a Committee to investigate the feasibility of planning such celebration, with power to proceed accordingly.

This appears to your Grand Historian to be an important matter for our Grand Lodge, and I hope we may act accordingly.

Recommendations made by several Past Grand Masters have requested the appointment of a Committee, or Commission, that would make a careful survey of the entire field, taking into consideration the Grand Lodge Library, the Grand Historian, and a complete history of this Grand Lodge as far as possible, including a history of Masonry in general, a lodge of research or an organization representing research duties and expected results, and even considering an historical publication, including a department of history and make a recommendation to this Grand Lodge. I, therefore, recommend that such a Committee be appointed by the incoming Grand Master.

THE EXECUTIVE OFFICE BUILDING OF THE GRAND LODGE

It is my considered opinion that we have an office building on the Durham highway that is adequately equipped to furnish ample and convenient quarters for all of the functions of the Grand Master, the Grand Secretary, and all the activities heretofore referred to. It could be a center of Masonic history, activities, and future expansions that would be the envy of all sister Grand Jurisdictions.

MURALS

The Board of General Purposes, at a former meeting, has requested the Grand Historian, in conjunction with the Grand Secretary, to prepare a brochure, including all the principal parts of the building, together with a short, authentic historical sketch of all the episodes of the history of the Grand Lodge depicted on the walls of this building. This would be an elaboration of the small brochure published at the time of the dedication of the building, giving a fuller account of all events referred to, together with a full discussion of each of the scenes shown by the murals, which when seen would make every Mason in North Carolina proud of its historic past. We would

urge every Mason present, and every interested Mason in North Carolina, who has not already been through this wonderful building, to do so at this Annual Communication.

We feel that we are laying the foundation upon which to build a history of a Jurisdiction that is proud of its historic past, is awake to the responsibilities and opportunities of the present, and revels in glory of its moral, spiritual and Masonic future.

Respectfully submitted,
CHARLES H. PUGH, *P.G.M., Grand Historian.*

PRESENTATION OF "SYMBOL OF GOOD WILL" TO M. W. BROTHER WILLIAM ELI HAND,

Grand Master

BY M. W. BROTHER ELI JAMES SMITH,

Grand Master of Mississippi

M. W. BROTHER ELI JAMES SMITH: This is a box with a beautiful Masonic Jewel in it that was made by the brethren of a lodge in Canada, and it is going around the world as a symbol of good will. It has a letter with it that is self-explanatory. Certainly it is a nice gesture. It has been to many of the foreign Grand Lodges and Grand Lodges in these United States. As I present to you this Jewel of Good Will, I also bring to you the good will of our brethren in Mississippi. Brother Hand, now I place this box in your care.

GRAND MASTER HAND ACCEPTS JEWEL OF GOOD WILL

M. W. Brother William Eli Hand, Grand Master of Masons in North Carolina, accepted the "Masonic Jewel of Good Will," in behalf of the Grand Lodge of North Carolina, signed for the same and in turn delivered it over to the incoming Grand Master.

(Grand Secretary's Note: SEE the APPENDIX to these Proceedings for facsimile of the "Symbol of Good Will").

REPORT OF THE BOARD OF DIRECTORS OF THE MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, INCORPORATED

(Docket No. 38)

The Board of Directors of the Masonic and Eastern Star Home of North Carolina, Incorporated, presented the following report which was read by M. W. Brother Robert L. Pugh, P.G.M., received, entered on the record and referred to the Committee on Finance and to the Committee on Masonic and Eastern Star Home:

To The Most Worshipful Grand Lodge of North Carolina:

WHO WANTS A BABY?

Millions of men and women want a baby!

There was a baby left on the doorsteps of a home one night. The news was noised abroad, and in less than twenty-four hours more than one hundred couples called, asking to be allowed to adopt that baby. Just suppose, some old man or some old lady had been left on the doorsteps. How many persons would have called and asked to be allowed to take him or her into their home?

Because of the great need of a home for the aging, and for men and women who had outlived their relatives and used up their life's savings, your Masonic and Eastern Star Home was opened forty-six years ago. During that time, more than four hundred and seventy-five have found our Home a haven of rest.

The year 1959 just closed was the best we have ever had. We worked over the main building and the two wings, re-wired them completely, installed six new, modern fire escapes and put in fire doors where necessary. Our operating income amounted to \$138,093.05, which not only paid for the regular operating expenses, but for the above-mentioned improvements also. The Masons and Eastern Stars were most generous.

Our Regular Endowment fund was increased by \$11,295.69, and the Current Operating fund by \$14,218.19.

At the beginning of the year we had seventy-five guests in the Home. We lost fourteen by death and fourteen were admitted.

During the year, twenty-eight spent some time in the Infirmary, and we had a total of 6,389 days of care, or an average of 17.5 guests in the Infirmary all the time.

The Carson York Rite Fund and the Sunshine Fund continue to bring a great deal of pleasure to the guests. These funds furnish them with reading material, extra fruits, ice cream, bus and taxi fares. We have a happy and contented family.

We wish to again express sincere and grateful thanks to the Masons, Eastern Stars, and our many friends for their continued generous and loyal support of the Home. We would love for you to visit your Home at any time.

PRESENTATION OF BROTHER GEORGE R. BENNETTE, RETIRING SUPERINTENDENT OF THE MASONIC AND EASTERN STAR HOME OF NORTH CAROLINA, INC.

M. W. ROBERT L. PUGH, *P.G.M.:*

At the last meeting of the Board of Directors of the Masonic and Eastern Star Home, approval was given to the retirement of the man who has served as the Director of that great institution for a period of thirty years, beginning in November of 1930. Brother George Bennette has presided over the affairs of that institution. He has traveled throughout the State of North Carolina in its behalf and has done a very masterful work indeed. I am sure the Grand Lodge at this time would like to make some recognition of the splendid service that he has given. I know that if we had searched the country over, it would have been impossible to have found a man who could have more ably filled all the requirements necessary as the head of that great institution. Those people in the sunset of life need the attention of tender hands and loving care and gracious thought, and George

Bennette has provided that in a most remarkable manner. Most Worshipful Sir, I would like to ask then at this time that you have Brother Bennette to stand at my right in order that we might make some recognition of the service he has rendered for thirty years of wonderful service as the head of that great institution. Brethren, may we stand and give Brother Bennette a rising ovation for the work that he has done. (Applause).

BROTHER GEORGE R. BENNETTE:

Most Worshipful Grand Master and Brethren, I listened last night with a great deal of interest to the address of our Orator and the thought came back to me as it has during all these past thirty years. "George could not have done it, but George and his God did." During these past thirty years, I suppose that I have had as many problems as most any man living. On the other hand, I know that I have lived as rich and as full a life as any man living. It has been one continuous happy experience. I knew when I went there that George couldn't do the job and I am frank to confess to you the morning that I walked in, nearly thirty years ago, that I would have walked out if, as the Japanese say, I could have saved face, but I couldn't. But things changed. They accepted me and many, many times I have come to the place that I did not know where to turn or what to do, and in my extremity, I went to my God for direction and advice and He has never failed me. I want to pay a tribute also to the Masons of North Carolina. In all these thirty years, I have never called on a Mason or a Masonic Lodge in any emergency, or in any cause, that they didn't come to my assistance and help to the fullest extent. Now, I appreciate that more than words can possibly express. I thank God for Masonry, like the Masonry we have in North Carolina. I want to say, too, don't think this is my "swan song" because I am going to keep right on working for the Masonic and Eastern Star Home and for the Masons of North Carolina because there is not a better or finer group in all the world to work for than you boys and the ones back home. I thank you, and I will continue as long as the Board and the Lord are willing for me to in a line of capacity.

M. W. ROBERT L. PUGH, P.G.M.:

Brother Bennette's retirement becomes effective July 1, 1960, after which time he will serve as Treasurer and as Assistant Superintendent of the Masonic and Eastern Star Home.

**PRESENTATION OF BROTHER TROY G. ROBBINS,
SUPERINTENDENT OF THE MASONIC AND EASTERN
STAR HOME OF NORTH CAROLINA, INC.**

M. W. ROBERT L. PUGH, P.G.M.:

Now, I would like to present to you the man who is going to succeed him as Superintendent there, Brother Troy G. Robbins. Brother Robbins, will you please come to the front. Brethren, I present to you a very fine Baptist Preacher, born in Gastonia, and educated in the Southern College of Pharmacy in Atlanta, which is a branch of the Georgia Institute of Technology. Also, at Clemson and at Guilford Colleges. Then, went for his Theological training to the Southern Baptist Theological Seminary in Louisville, Kentucky. He has served pastorates in the First Church of Clay, Kentucky, and also of the

Emmanuel Baptist Church in Greensboro. Brother Robbins is a married man. He has two children and he is well qualified for the work to which the Board of Directors has called him. I am very happy to present him to you now. He will be visiting you throughout the year as the occasions may arrive. We want you to use him in every way and in any way that you see fit. Our new Superintendent of the Masonic and Eastern Star Home, Brother Troy G. Robbins.

BROTHER TROY G. ROBBINS:

Most Worshipful Grand Master and Brethren, I realize that I am not called upon this morning to give to you a platform, but I would just simply say that I appreciate the confidence that the Masons and the Eastern Stars have placed in me and to them and to those who come to live at our Home, I would pledge to minister to them by having you minister through me. I could say it in the form of a poem perhaps better than any words I might frame or put together. The poem goes something like this.

Lord help me live from day to day
In such a self-forgetful way
That even when I kneel to pray
My prayers shall be for others.
Help me in all the work I do
To ever be sincere and true,
And know that all I do for you
Must need be done for others.
And when my life's work on earth is done
And my new work in heaven's begun,
May I forget the crown I've won,
While thinking still of others.

Brethren, thank you so much for your trust.

The following report of the Committee on Finance was read, unanimously adopted by sections, and then unanimously adopted as a whole:

To The Most Worshipful Grand Lodge of North Carolina:

Your Committee on Finance reports that they have checked the report of the Grand Secretary and the audit of the Grand Auditor, and find that the Grand Secretary's Office received the following amounts from the sources tabulated and in parallel columns are shown estimates made in 1959.

ITEM: II

We underestimated our income by \$3,564.38, which was caused by sale of books, charters, dispensations and miscellaneous items of income. We did not take into account income from Permanent Fund of \$41,042.63 and interest earned of \$291.64. We underestimated our expense by \$4,945.83.

We have carefully checked the report of the Board of Directors of the North Carolina Masonic Foundation, Incorporated, and we commend the management of this Permanent Fund in their charge. We recommend that net income from this Fund be left in the General Fund.

We are delighted to report that on December 31, 1959, there was due from Lodges only \$417.25, which we consider an exceedingly small Accounts Receivable.

Operating Balance-----		13,446.61
	<u>\$251,191.61</u>	<u>\$251,191.61</u>

In the above Estimate of Income, it is noted that there was a balance on hand December 31, 1959, of \$66,366.61. This balance was created by the Grand Lodge having borrowed from the North Carolina Masonic Foundation \$57,000.00 in November of 1958 for current expenses. This note was still outstanding December 31, 1959, because we had placed \$50,000.00 in Building and Loan Associations certificates at 4% interest and were only paying 3% interest on our note. Your Finance Committee was aware that its finances would amply take care of this note early in the year of 1960. We wish to state that the Grand Lodge note of \$57,000.00 has been paid in full and we have no outstanding liabilities.

REPORT OF COMMITTEE ON APPEALS

(Docket No. 40)

The Committee on Appeals presented the following report, which was read, and upon motion, duly seconded, was adopted by sections and then adopted as a whole:

To The Most Worshipful Grand Lodge of North Carolina:

The Committee on Appeals respectfully submits the following report:

1. We have reviewed the record in all cases which have been completed since the Annual Communication in 1959, and now pending before the Committee, in all of which the punishment imposed was expulsion, and in none of which the accused appealed from the decision of the Trial Commission. We directed our attention to the validity of the appointment of Trial Commissioners, the service of notices upon the accused, the competency and weight of the evidence presented at the trial, and the decision of the Commission, all in accordance with the Regulations of this Grand Lodge as contained in Chapters 98 to 106, inclusive, of THE CODE of 1948, as amended. Your Committee approves the decision of the Trial Commission in the following case, and recommends that the judgment of the Trial Commission in the case be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 141: In the matter of charges preferred against a Fellow Craft of Creasy Proctor Lodge No. 679, A. F. & A. M.

Expelled: February 28, 1959.

2. We have reviewed the record in all cases which have been completed since the Annual Communication in 1959, and now pending before the Committee, wherein the accused has been expelled under the provisions of Regulation 99-22. We particularly directed our attention to the strict compliance with the Regulation, and in each of the following cases we recommend that the decision of the Judge Advocate be affirmed by the Grand Lodge:

TRIAL DOCKET NO. 149: In the matter of charges preferred against a Master Mason of Hiram Lodge No. 98, A. F. & A. M.

Expelled: March 10, 1959.

TRIAL DOCKET NO. 150: In the matter of charges preferred against a Master Mason of Belmont Lodge No. 627, A. F. & A. M.

Expelled: March 10, 1959.

TRIAL DOCKET NO. 151: In the matter of charges preferred against a Master Mason of Belmont Lodge No. 627, A. F. & A. M.

Expelled: March 10, 1959.

TRIAL DOCKET NO. 152: In the matter of charges preferred against a Master Mason of Excelsior Lodge No. 261, A. F. & A. M.

Expelled: April 7, 1959.

TRIAL DOCKET NO. 155: In the matter of charges preferred against a Master Mason of Black Mountain Lodge No. 663, A. F. & A. M.

Expelled: November 17, 1959.

TRIAL DOCKET NO. 157: In the matter of charges preferred against a Master Mason of Doric Lodge No. 568, A. F. & A. M.

Expelled: December 15, 1959.

TRIAL DOCKET NO. 158: In the matter of charges preferred against a Master Mason of Keller Memorial Lodge No. 657, A. F. & A. M.

Expelled: December 29, 1959.

TRIAL DOCKET NO. 159: In the matter of charges preferred against a Master Mason of Monroe Lodge No. 244, A. F. & A. M.

Expelled: January 30, 1960.

3. In the matter of the Application of William Parrott Taylor for Restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on April 12, 1958 (TRIAL DOCKET NO. 130). A true copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Jerusalem Lodge No. 95, A. F. & A. M., in accordance with Chapter 109 of THE CODE of 1948, as amended, more than ninety days before this Annual Communication, which application for restoration was favorably recommended and approved by that lodge and so certified to this Committee over the signatures of its Master and Secretary on March 12, 1960. After carefully examining the record in this matter, this Committee recommends the Grand Lodge restore William Parrott Taylor to all the rights and privileges of a nonaffiliated Mason.

4. In the matter of the Application of C. E. M. for Restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. The petitioner was dismembered on January 7, 1952 (TRIAL DOCKET NO. 24). A true copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Bula Lodge No. 409, A. F. & A. M., in accordance with Chapter 109 of THE CODE of 1948, as amended, more than ninety days before this Annual Communication. By resolution adopted at a stated communication of Bula Lodge on January 25, 1960, a petition in opposition to granting restoration to the applicant was certified to the Grand Lodge over the signatures of the Master and the Secretary of the lodge under its seal. After carefully examining the record in this matter, this Committee is of the opinion that the seriousness of the charges for which the petitioner was dismembered are such that petitioner is not entitled to restoration at this time. For that reason this Committee recommends that this Grand Lodge deny such application for restoration.

5. In the matter of the Application of E. L. B. for Restoration to Masonic Rights and Privileges. The application of the petitioner was filed with the Grand Secretary more than thirty days before this Annual Communication. This petitioner was dismembered on February 18, 1953 (TRIAL DOCKET NO. 59). A true and complete copy of application with statement of the grounds upon which the petitioner seeks restoration was served on Fair Bluff Lodge No. 190, A. F. & A. M., in accordance with Chapter 109 of THE CODE of 1948, as amended, on January 15, 1960, more than ninety days before this Annual Communication, and no petition has been presented to

the Grand Lodge in opposition to granting restoration to the applicant under the provision of Regulation 109-07. It appears that this petitioner applied for restoration on August 18, 1958, and after carefully examining the record in the matter, this Committee reported to the Annual Communication of 1959, that it was of the opinion that the seriousness of the charges for which the petitioner was dismembered were such that the petitioner was not entitled to restoration at that time. The petition now before us contains no new matter in mitigation of the charges. This Committee is still of the same opinion. For that reason we recommend that this Grand Lodge deny such application for restoration.

Respectfully submitted,

LUTHER T. HARTSELL, JR., *P.G.M., Chairman*,
NORWOOD P. PARKER, *P.M.* (98),
ARMON E. BAGGETT, *P.M.*,
CLARENCE B. SHULENBERGER, *P.M.* (500).

**REPORT OF SPECIAL COMMITTEE RELATIVE TO
DEVISING A SYSTEM OF EDUCATION,
QUALIFICATION AND CERTIFICATION OF
MASTERS AND PAST MASTERS
FOR DISTRICT DEPUTY GRAND MASTERS**

(Docket No. 41)

The following report of the Special Committee relative to devising a system of education, qualification and certification of Masters and Past Masters for District Deputy Grand Masters was read by W. Brother Armon E. Baggett, P.M., received, entered on the record, and referred to the incoming Grand Master:

To The Most Worshipful Grand Lodge of North Carolina:

We make reference to the action taken at the Annual Communication of this Grand Lodge in 1959, concerning the first recommendation of M. W. James G. Johnston, Grand Master, in his report, whereof authority was granted the incoming Grand Master to act on the captioned matter at his discretion.

On September 1, 1959, M. W. Eli Hand, Grand Master, appointed the undersigned committee to study the feasibility and practicability of devising and establishing a system of education, qualification and certification of Masters and Past Masters of our lodges from whose ranks District Deputy Grand Masters may be selected. Your committee has held several conferences and discussed the advantages that could be gained by such a system. Several well-informed brethren have been contacted and they have been most helpful in this study. The committee acknowledges with appreciation the views and suggestions offered by the many brethren who were contacted.

It is our conclusion that such a system is entirely feasible and would result immeasurably in the dissemination of our laws and usages to the benefit and improvement of our lodges.

The study that has been made convinces us that there are many more considerations that should be given such a system; however, time has not permitted our offering you a firm proposal to consider.

We believe, from our study, that much good and benefit could be derived from such a system; therefore, we recommend that the incoming Grand Master appoint a committee to continue the study of this matter and report their findings and recommendations.

Respectfully submitted,

ARMON E. BAGGETT, *P.M., D.D.G.M., Chairman*,
ROBERT N. BASS, JR., *P.M., D.D.G.M.*,
CECIL W. HENDERSON, *P.M., P.D.D.G.M.*

REPORT OF THE COMMITTEE ON CHARTERS AND DISPENSATIONS

(Docket No. 42)

The following report of the Committee on Charters and Dispensations was read and adopted:

To The Most Worshipful Grand Lodge of North Carolina:

The Committee on Charters and Dispensations met on April 20, 1960, and examined the Petitions for Charters and other documents of Troy Lodge U.D., Troy, North Carolina, and Horse Creek Lodge U.D., Columbus, North Carolina.

Officers of these lodges under dispensation talked with the committee and we are satisfied that they meet the requirements of THE CODE relating to chartering of new lodges.

We, therefore, recommend that these lodges be granted Charters to work under The Grand Lodge of A.F. & A.M. of North Carolina.

We also recommend that Troy Lodge be given the number 718, and that Horse Creek Lodge be given the number 719.

This committee recommends that the members listed below be named as the principal officers of these lodges:

Troy Lodge No. 718:

Michael Albright Nicholson, Master,

REPORT OF THE BOARD OF CUSTODIANS

(Docket No. 43)

The following report of the Board of Custodians was read. Thereafter, W. Brother G. Dudley Humphrey, *P.M.*,

Grand Steward, made the following motion, which was adopted:

"That the report of the Board of Custodians be received and entered on the record and that the resolutions and recommendations proposed in that report each be adopted."

To The Most Worshipful Grand Lodge of North Carolina:

FIRST MEETING

The Board has held four meetings since the last annual communication of the Grand Lodge.

On June 12, 1959, the Board met in the Grand Lodge Office Building, 2921 Glenwood Avenue, Raleigh, North Carolina. All members were present except M. W. James G. Johnston, P.G.M., C.L. M. W. William Eli Hand, Grand Master *ex-officio* Chairman, presided. The Board organized as required under Regulation 35-02. W. Nathan P. Strause, P.M., C.L., was elected Chairman; and M. W. Charles B. Newcomb, P.G.M., P.G.S., was re-elected Secretary.

FEES FOR LECTURE SERVICE

No change was made in the present allowance for fees for the Lecture Service to lodges. We recommend that no change be made at this time in the allowance for fees for this service.

REPLACEMENT OF DISTRICT DEPUTY GRAND LECTURERS

The Grand Lecturer reported two changes in the roster of District Deputy Grand Lecturers had been made. District No. 46, W. Percy A. Crater, P.M., C.L., succeeds W. Duke L. Whitaker, P.M., C.L.; and in District No. 54, W. Alfred O. Goins, P.M., C.L., succeeds W. Cecil L. Ham, P.M., C.L. Brothers Whitaker and Ham found that they could not accept these appointments due to business reasons. These changes were approved by the Board.

RULES GOVERNING THE LECTURE SERVICE

The Rules Governing the Lecture Service may be found in the Appendix of THE CODE, also in these Proceedings at pages 251-254, inclusive. The last issue of the rules is dated June 14, 1957.

MINIMUM REQUIREMENTS FOR A SCHOOL OF INSTRUCTION

The revised Schedule of Minimum Requirements for an Area or District School of Instruction, which was adopted by the Board on June 8, 1956, has proved to be satisfactory and repeals all schedules heretofore promulgated. We do not recommend any change in those rules at present. They may be found in these Proceedings at page 256.

DUTIES OF A DISTRICT DEPUTY GRAND LECTURER

The duties prescribed for a District Deputy Grand Lecturer will be found in Regulation 35-08(2B) of THE CODE, as adopted April 17, 1957.

We call attention again to these duties because several inquiries have been made which could easily have been answered by referring to THE CODE.

LODGES NOT LECTURED IN TWO YEARS

The Grand Lecturer reported that the active work last year with those lodges which needed the Lecture Service has produced excellent results and he hopes to make a better report for the Annual Communication of 1960. (For his report, see page 146 of these Proceedings).

SECOND MEETING

On September 11, 1959, a meeting of the Board was held in the Grand Lodge Office Building, 2921 Glenwood Avenue, Raleigh, North Carolina. All members were present except M. W. James G. Johnston, P.G.M., C.L.; W. Scott S. Fay, P.M., C.L.; and W. W. Howard Hardy, P.M., C.L. M. W. William Eli Hand, Grand Master, *ex-officio* Chairman, presided.

The Grand Master suggested that this Board increase its efforts to have The Lodge System of Masonic Education actively used in all lodges.

The Grand Lecturer reported the following:

1. That he had notified each lodge due for lecture service in 1959, and urged those lodges to take action at once to comply with the rule.
2. That he had vigorously continued his effort to promote Proficiency Examinations, Schools of Instruction and the Lecture Service, and would continue to do so.
3. That our District Deputy Grand Lecturers are much more efficient, and they are doing a better job due to a better understanding and appreciation of the program of the Board of Custodians.
4. That he had sent out several circular letters of instructions and programs that should be helpful to all District Deputy Grand Lecturers.

The Secretary reported that plans had been completed for the Proficiency Examinations next week, September 21 through September 25, 1959.

CERTIFICATES EXPIRED

The Board adopted the following resolution:

* BE IT RESOLVED, That the six brothers whose names follow shall be dropped from the Roster of Certified Members unless they are re-examined by or before September 25, 1959, since their certificates have expired or will expire by that date:

NAME	COUNTY	AREA
Collier, David S.	Mecklenburg	IV
Moore, John J.	Harnett	II
Palmer, Randal D. L.	Mitchell	V
Rakestraw, William G.	Rockingham	III
Swift, Hamil N.	Wake	III
Wilson, Lane A.	McDowell	V

These six brethren did not report for, or pass the, re-examination after due notice, and their certificates having expired, they were dropped from the roster of Certified Members as of September 25, 1959.

* This resolution was adopted by the Grand Lodge.

THIRD MEETING

On March 19, 1960, a meeting of the Board was held in the Grand Lodge Office Building, 2921 Glenwood Avenue, Raleigh, North Carolina. W. Nathan P. Strause, P.M., C.L., Chairman, presided. All members were present except M. W. James G. Johnston, P.G.M., C.L.; W. William Howard Hardy, P.M., C.L.; and W. William K. Price, P.M., C.L., Grand Lecturer.

The Secretary reported:

1. That the Area plan for the Proficiency Examinations has again proved very satisfactory. The Board unanimously decided to continue that plan for 1960.
2. That there will be due for re-examination in 1960, 42 Certified Lecturers, and eight Certified Instructors, a total of 50.

EXEMPLIFICATION OF DEGREES

The Board decided not to exemplify the Three Degrees at the Annual Communication of the Grand Lodge in 1960, because the change in the hour of convening from 7:30 p.m., to 3:00 p.m., on Tuesday does not allow enough time to do the work creditably.

PROFICIENCY EXAMINATIONS—1959

The Secretary reported on the Proficiency Examinations held in September 1959 as follows:

Area	Examined		Passed		Re-Exam			New B-to-A	Total A & B	Failed A	Did not report Apps.-Examiners

FOURTH MEETING

The Board held a meeting on Monday, April 18, 1960, at the Hotel Sir Walter in Raleigh, North Carolina. All members were present except M. W. Eli Hand, Grand Master, and M. W. James G. Johnston, P.G.M., C.L. W. Nathan P. Strause, P.M., C.L., presided. Also present: R. W. Harvey W. Smith, Deputy Grand Master.

The Grand Lecturer reported on the Schools of Instruction held in 1959, and to date in 1960. He will include this data in his annual report to the Grand Lodge.

He will also include in that report, details of the work done under his leadership for the past year.

(See Docket No. 32 in these Proceedings).

MASONIC EDUCATION

There is a sustained and increasing interest in the Lodge System of Masonic Education. Therefore, we recommend that the Grand Lodge continue this educational effort; and, for the purpose of carrying out this recommendation, we present the following resolution and recommend that it be adopted:

* BE IT RESOLVED, That the Lodge System of Masonic Education approved by the Grand Lodge in 1935 (Pro. 1935, pages 32 and 86, and again in 1949, Pro. 1949, page 197) be continued and that each lodge be requested to put that plan in operation promptly.

* This resolution was adopted by the Grand Lodge.

We do not recommend at this time that this program be made mandatory.

RESOLUTION OF APPRECIATION TO THE MASONS OF RALEIGH AND THE 23RD MASONIC DISTRICT

(Docket No. 45)

M. W. Brother William J. Bundy, P. G. M., presented the following resolution, moved that it be adopted, and it was adopted by a rising and standing vote:

To The Most Worshipful Grand Lodge of North Carolina:

The One Hundred Seventy-Third Annual Communication of The Grand Lodge of Ancient, Free and Accepted Masons of North Carolina convened in the Capital City of Raleigh, on April 19, 1960, anticipating a most successful session. Our faith was well founded. Our expectations came to pass, due to the excellent planning and highly efficient execution of those plans by the local committees of the Twenty-third Masonic District Masons, chairmaned by that arranger and doer par excellant, than whom there is none better in such capacity, Brother Robert N. Bass, Jr., providing everything—I say everything—for our convenience, comfort, pleasure and edification, leaving nothing undone looking thereto they spread the cement of brotherly love and affection, which has inspired us to go and do likewise. Peace and harmony have prevailed. The true spirit of Masonry obtains as much as I have ever observed it. We have over \$51,000.00 more cash money than we have ever had. We have a great Grand Master elected for this year, endowed with great qualities of mind and heart, who loves this Fraternity and the brethren.

We have never had everything arranged smoother or done better, and more cause to be thankful.

THEREFORE, BE IT RESOLVED, That we greatly appreciate and are deeply indebted to Brother Bass and the brethren of Raleigh and the Twenty-third Masonic District assisting him, and hereby give visible and audible expression of our appreciation by standing and resounding applause.

Fraternally submitted,
 W. ELI HAND, *Grand Master*,
 WILLIAM J. BUNDY, *P.G.M.*

RULES FOR GOVERNING THE OFFICIAL STANDARD OF THE WORK AND THE VOCABULARY

(In Effect June 8, 1951)

The Official Standard of the Work and the Vocabulary adopted by the Grand Lodge in April, 1942, are to be distributed under the following rules made by the Board of Custodians, pursuant to Regulation 30-08, as adopted in 1948, and as amended in 1951.

(Promulgated by the Board of Custodians, at Charlotte, N. C., June 8, 1951).

Rule 1. The Grand Secretary shall be the Custodian of all unissued copies of the Official Standard of the Work and the Vocabulary, and shall issue them only upon proper written application. He shall provide all forms of application, receipts and other documents necessary to account for the same, and shall keep a record of all copies issued, and to whom issued.

Rule 2. Receipts for the Official Standard of the Work or the Vocabulary shall be given on such forms as may be prescribed by the Grand Secretary. Immediately on receipt of a copy of either, the brother receiving the same shall sign proper receipt, which shall be transmitted to the Grand Secretary promptly.

Rule 3. The Vocabulary shall be issued only to Secretaries of our subordinate lodges, who shall receipt therefor and be held responsible for the same. He shall transfer the Vocabulary, so issued to him, to his successor in office and take his receipt for the same, which shall be forwarded immediately to the Grand Secretary. In the event he is unable, for any cause, to deliver to his successor the copy of the Vocabulary in his possession, the Master of his lodge shall take up his copy of the Vocabulary and re-issue it to his successor in office, taking his receipt for the same which shall be forwarded immediately to the Grand Secretary.

Rule 4. Only each of those in the following categories are qualified to apply for and obtain the loan of one copy of the Official Standard of the Work, to-wit: Masters, Senior Wardens, Junior Wardens, Senior Deacons and Junior Deacons and the two Stewards of our subordinate lodges; Grand Lodge Line Officers, District Deputy Grand Masters; members of the Board of Custodians; Certified Lecturers, and Certified Instructors, while they occupy the said offices and positions and while they are qualified as indicated in this Rule.

Rule 5. (a) At the installation of officers following the annual election, each retiring officer elective or appointive in the Grand Lodge and in our subordinate lodges shall deliver to his successor in office the copy of the Official Standard of the Work held by him, and in the event his successor has a copy, then the retiring officer shall transfer his copy to a new officer entitled to the same, who does not have a copy, and the successor so receiving the Official Standard of the Work shall sign the prescribed receipt therefor, which shall be forwarded immediately to the Grand Secretary. It is the purpose of this paragraph to make it possible for a brother to retain the same copy of the Official Standard of the Work originally issued to him so long as he is entitled to have the use of the same under Rule 4.

(b) In case a brother, who holds a copy of the Official Standard

of the Work under Rule 4, should vacate his office or lose the qualification which entitles him to the use of a copy of the Official Standard of the Work, due to death, resignation, lapse of certificate, or for any other cause, then the Master of his lodge shall take up the copy of the Official Standard of the Work held by such brother and either forward it to the Grand Secretary, or re-issue it to a brother who fills the vacancy, if any, and take a receipt for the same, which receipt he shall forward to the Grand Secretary immediately.

Rule 6. No writing, marking or notations of any nature whatsoever shall be made in or upon any copy of either the Official Standard of the Work or the Vocabulary, and it shall be the duty of any Grand Lodge Officer, District Deputy Grand Master, District Deputy Grand Lecturer, or any Certified Lecturer, at any time, to call for any copy of either, and examine the same to determine whether this Rule has been violated; and if it has been violated, he shall immediately take up such copy marked in violation hereof, and forward the same at once to the Grand Secretary, and report his action to the Grand Master without delay. [See also Regulation No. 30-07(4)].

Rule 7. In case of loss or destruction of either the Official Standard of the Work or the Vocabulary, the Grand Secretary shall be notified immediately, giving a full report of the circumstances surrounding the said loss or destruction.

Rule 8. Neither the Official Standard of the Work nor the Vocabulary shall be used in any lodge while conferring the degrees, nor at any time in coaching or instructing candidates.

Rule 9. Neither the Official Standard of the Work nor the Vocabulary shall be issued to one entitled to the use of the same under these Rules, unless applied for in writing on the proper form, except as provided in Rule 5.

RULES FOR THE GOVERNMENT OF THE LECTURE SERVICE

(June 14, 1957)

(Promulgated by the Board of Custodians June 11, 1948, effective July 1, 1948, and amended in 1953, 1956, and April 17, and June 14, 1957).

1. Lecture Districts are hereby abolished.
2. A Class "A" Certified Lecturer may accept an invitation to instruct in the Ritualistic Work from any lodge in the State of North Carolina, regardless of location.
3. Class "A" Certified Lecturers are urged to co-operate in this work by accepting invitations to instruct in the Ritualistic Work from lodges located near their residences.
4. (a) The revised and amended Regulation 35-09, effective April 17, 1957, reads as follows:
 1. REG. 35-09. Each subordinate lodge shall engage the services of a Certified Lecturer for instruction in the ritualistic work for one week or the equivalent thereof every two years.
 2. At least fifteen consecutive calendar months shall elapse between the dates of such instruction.
 3. However, the Board of Custodians in its discretion, and upon application, may excuse a lodge from this requirement for not more than one year from the date of its application; and thereafter the Board in its discretion, and for good reasons, and upon another application, may excuse the lodge for not more than one additional consecutive year (making a limit of two consecutive years that such lodge may be excused), and after which no further excuse shall be granted such lodge until after it has been actually instructed as hereinbefore required.
 4. A lodge that has been excused shall obtain the required instruction in the ritualistic work through the Lecture Service within one year after the last day of the period for which it was last excused.
 5. A lodge that has not been lectured *within four years* shall *not* be excused.

(b) For the instruction required in Regulation 35-09, as quoted			

PROCEEDINGS OF THE

above in lines numbered 1 through 5, the Grand Lodge will allow credit, or will refund to a lodge the fee, as set forth in Rule 5 below.

(As amended and approved by the Board of Custodians. 6-14-57).

5. The required one week of instruction may be complied with in either of the two following methods:

- (a) The lecturer may visit the lodge for the entire week on one trip, and he shall give not less than thirty hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also that there shall be instruction on each of not less than five different days, *all within seven consecutive days*, and for this class of service the fee shall not exceed \$50.00 per week, or

(As amended and approved by the Grand Lodge. Page 185. Pro. 1956).

- (b) He may make several trips to the lodge, in which case instruction must be given for not less than twenty-four (24) hours of ACTUAL INSTRUCTION, *excluding* travel time and time when he is not actually instructing; *provided*, also, that there shall be instruction on each of not less than five different days, and all within a period of thirty (30) days, beginning the first day of the lecturer's engagement, and for this class of service the fee shall not exceed \$40.00 for twenty-four hours of instruction. (See Rule 13).
6. The Board of Custodians recommend that the instruction be rendered on consecutive days, whenever it is practical or if circumstances render it more efficient, but this is not mandatory.
7. A Class "A" Certified Lecturer, during the period he is on the roster of such class, is authorized to instruct subordinate lodges for compensation.
8. A Class "B" Certified Instructor, during the period he is on the roster of such class, may give instruction in the scope of work coming under Class "B," for which he shall *not* receive compensation; but this class of instruction shall not be considered as compliance with Regulation 35-09.
9. The Grand Lodge will refund to a lodge, or will allow it a credit for, the fee actually paid out as set forth in Rule 5, when the lodge is instructed for the minimum of one week in every consecutive two years as required in Regulation 35-09, and in these rules. If the lodge does *not make a payment* for the instruction the Grand Lodge will not allow a credit nor make a refund, but a *report* of the instruction given shall be made as required under Rule 13.
- (a) A subordinate lodge will pay the lecturer the fee for instruction according to the class of instruction given, as defined in Rule 5 (a) or (b). After payment of such fee, the lodge shall, within ten days, forward the lecturer's certificate of service, under the seal of the lodge, and the lecturer's receipt for payment to the Grand Secretary, who will determine whether, under Regulation 35-09, and these rules, the lodge is entitled to a refund for the instruction, and if it is, he will either reimburse the lodge by voucher the stipulated amount, or credit the lodge's account with the same.

- (b) All such certificates for reimbursement of fees for lecture service paid out by lodges shall be filed with the Grand Secretary on Official Form No. 38 before December 20 of each year. (See Rule 13).
10. A lodge desiring instruction in the Ritualistic Work shall make all the necessary arrangements and agreements for the service with the Class "A" Certified Lecturer of its choice. Immediately after such service has been rendered, the lodge shall:
- (a) Pay all proper transportation, board and lodging expense, necessary to fill the engagement, incurred by the lecturer.
 - (b) Transportation expense shall not exceed eight cents per mile actually traveled, each way, when private automobile is used, or it may be the actual railroad or bus fare between the residence of the lecturer and the lodge served. Transportation expense may properly be the subject of a special agreement between the lodge and the lecturer, before the instruction is commenced. It is the intent of the Board of Custodians that travel expense, board and lodging shall not be made an unreasonable burden on lodges.
 - (c) Comply with Rule 13, below.
11. A lodge *not entitled* to instruction in the Ritualistic Work, under Regulation 35-09, and these rules, which accepts instruction from any Class "A" Certified Lecturer, will pay the fee, as defined in Rule 5 (a) or (b), for such instruction and the expenses of the lecturer rendering the service without reimbursement from the Grand Lodge. (See Rule 13).
12. A lodge may obtain *special* lecture service or instruction as often as it desires. But the lodge, in such case, will pay all fees as set forth in Rule 5 (a) or (b) and such expenses incident thereto which exceed one week in every two consecutive years as set forth in Rule 4, without reimbursement from the Grand Lodge. A report of any such work done must be made as required in Rule 13. (See also Rule 10).
13. Within ten days after *any* lecture service is rendered a lodge under Rule 5 (a) or (b), whether or not it is *paid for* by the lodge, shall be reported by the Secretary of the lodge to the Grand Secretary on N. C. Official Form 38, for the Grand Lodge records. [See also Rule 9 (b)].
14. In all cases in the ritualistic work where the Official Standard of the Work is silent as to any action in floor work, or other work, no Certified Lecturer or Certified Instructor, or any brother, shall be authorized to insist that his idea of the subject is positively the only way to do that particular thing; he may state "his opinion," but he is not authorized to insist that his way is the only way to do such work.
- (As approved: Pro. 1953 P. 161. Effective 4-22-53).
15. The Grand Secretary shall prepare and provide all forms for certificates, reports and records under these rules.

PROCEEDINGS OF THE

16. When these rules become effective on June 14, 1957, all previous rules which are in conflict herewith are hereby repealed.
17. In computing the time elements set out in Regulation 39-09, the *last* day of any determinative-period-of-actual-instruction shall be used.

By authority of Regulation 35-08 (3).

CHAIRMAN OF COMMITTEE ON
FRATERNAL CORRESPONDENCE

REVIEWS OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

A review of the Proceedings of the Grand Lodges of the United States presents a curious contradiction. A large number of Grand Lodges report a decline in numbers of membership in spite of increasing population. The number of demits and of suspensions N.P.D. is very large. A number of Grand Masters express concern about the fate of small rural lodges due to the increasing urbanization of the country as the young men move to the cities. The Grand Master of Illinois found it necessary to order forty-two lodges to merge with other stronger bodies. Almost all of the Grand Masters complain about poor attendance at lodge meetings. Here it is noted that percentage of attendance is much better in small lodges than in large ones.

The other side of the picture is amazing in view of this gloomy prospect. Nearly every Grand Lodge reports the formation of new lodges and a quite extraordinary amount of activity in the building and dedication of new temples, strengthened activities in the realm of Masonic education, a greater interest in the promotion of such youth organizations as DeMolay, Rainbow for girls and Job's Daughters, and in other lodge activities. The answer to this contradiction seems to lie in the quality of leadership in the lodges. Where the brethren are active under good leaders Masonry prospers. Where leadership lags Masonry lags.

The difficult situation between the Grand Lodge of Mississippi and the Grand Lodge of Nova Scotia unfortunately has not been cleared up. Many Grand Lodges report receipt of Bro. Harris' letter explaining the situation and found his explanation satisfactory. We also received a copy of the letter with the same result.

Apart from this the Proceedings report most cordial relations. The mobility of our young men is indicated by a surprisingly large number of degrees by courtesy asked and given. We also note many cases of lodges with proper permission from both Grand Masters crossing state lines with candidates of their own lodge to confer degrees and thereby exemplify the work of their own jurisdiction. Many lodges in the East secured permission to take their candidates to Alexandria and confer the third degree in the Symbolic Lodge Room in the George Washington Memorial Masonic Temple.

The interest of Masonic bodies in youth programs is increasing. While some Grand Masters report that the Constitution of their Grand Lodge forbids sponsorship by lodges they urge Masons individually to take an interest in DeMolay and the societies for girls. Most allow sponsorship without expenditure of funds. Some permit the latter and in a few Grand Lodges funds are provided through a committee or a deputy to promote this work. Rhode Island's youth program still leads the field.

The tremendous number of dispensations and decisions listed by Grand Masters leads one brother to call the governing of our Grand Lodges "government by dispensation."

A review of individual Proceedings will serve to illuminate these remarks and provide other items of interest.

Alabama reported a total of 76,057 members, a net gain of 626. Of these members, according to the Grand Secretary, 1,853 were ministers. Eleven cornerstones were laid. The Grand Master refused permission for a Florida lodge to confer a degree on an Alabama candidate. He would not allow a lodge to solicit money from other lodges for their new temple.

The Grand Master ruled that a member of a Lodge was not required to vote when the Master called for a standing vote if the matter concerned his own personal interest. The Committee on Jurisprudence gave its approval with the necessary restrictions applied to voting by secret ballot.

The Masonic Board of Relief in Birmingham and Jefferson County established by the lodges in that area was given permission to cooperate with the Masonic Relief Association. (Many of these local Boards are appearing in the Proceedings of the Grand Lodges.)

Arizona reported a net gain of 418, one new lodge and one cornerstone. The Grand Master noted the building of new Temples and Lodge Halls along with improvement in the work. He added, however,

Lack of attendance at Lodge meetings continues to be a problem. Changes in our mode of life, competition from other organizations, entertainment and distractions, and other social influences, all contribute to the problem. And I am not wise enough to prescribe a cure. The solution may lie in more social activity in the Temples and Lodge Halls. It may lie, partly, at least, in more active promotion of programs of Masonic Education. In this latter field there appears still to be considerable apathy among some of the officers and members. I repeat what I have said so often during the past year, that it would please me to see officers of the various Lodges take an enthusiastic interest in improving their Masonic educational background. Mere time serving does not produce good officers. And this applies not only to officers of constituent Lodges, but to those of the Grand Lodge as well. As to the latter, the Grand Master is in a position to know. The duties and responsibilities of the office quickly bring into focus his deficiencies, and make him wish frequently that he had been better prepared for the awesome task of leading this great fraternity in Arizona.

Arizona lodges gave 94 courtesy degrees for 26 jurisdictions. The Grand Lodge provides five DeMolay scholarships with the amount increased to \$300.00 each.

The Masonic Sojourners Association in Salt Valley assisted by the Grand Lodge looks after Masons in need in that area and the Tucson Masonic Memorial Association arranges for and conducts Masonic funerals in Tucson.

The Grand Orator Ray F. Akin spoke brilliantly on Masonry and the Community. We quote a pertinent paragraph with which we are in hearty agreement.

There seems not much doubt that what we need now is not more scientists and technologists, but more humanities. We need to educate the people to a broader understanding of the morality and sympathy needed for people to live together in peace and harmony. Instead of more leisure hours, which if used for personal enlightenment and charitable enterprise

would be a goal well worth striving for, but which, so far, have proved to have a demoralizing effect on both young and old in morals and philosophy of life, we should find some compulsion to keep us gainfully occupied during more hours of the day. Voluntary compulsion in community work of practical usefulness would be a good answer and would create such an interest in the Fraternity that more intelligent and enterprising candidates would be knocking on our doors. Lectures on the moral lessons of the rituals and charges, as well as constructive discussion of basic principles will, in my opinion, tend to solve the attendance problems which are faced by every Lodge. The potential of every Mason in every Community is a valuable asset and only needs the right spark to ignite it to action in unselfish service.

Arkansas, total membership, 55,903, reported a loss of 242, 1,591 suspended N. P. D. The Grand Lodge contributed \$2,000 to the Children's Hospital for dental equipment. It supports a Masonic building for children at the Arkansas Tuberculosis Sanatorium.

Fourteen Educational Institutes were held in the state for the improvement of the work.

The Public Schools Committee made such a significant report on the importance of public education that we quote at some length.

In the first half of this century there has been a momentous change in the structure of American society and it has added greatly to the burden upon the schools. The burden of living in America today and of governing America today is much heavier than it was fifty years ago and the increase of our effort in education is not keeping up with the burden. In spite of recent improvement in our educational program in Arkansas there is still a serious deficit between what we do to educate ourselves and what the kind of world we live in demands of us. It is a strange paradox, indeed, that in an era in which the importance of the role of our public schools is increasing at a geometric rate, an amendment to the Constitution of the State of Arkansas which removes the Constitutional guarantee that a free public school system shall ever be maintained has been submitted to a vote of the people in the General Election of 1960. We urge every Lodge—every member—to study thoroughly every detail of this proposed amendment and its implications to the preservation of our heritage. The members of our committee are well aware of the fact that Arkansas, along with the other Southern States having a dual education program, has undergone severe emotional strain as a result of the Supreme Court decision on segregation in the public schools. We know that in a way the effects of this emotional strain have permeated all of our activities in recent years as they relate to our public schools, including the proposed amendment. On the other hand, we know there has been much indication that the public concern for an adequate program of education which resulted in the outstanding educational accomplishment of the 1957 session of the Legislature, was able to channel itself into such constructive areas as that exemplified in a state-wide curriculum study. Even such shaking experiences as those we have gone through in the past two years have not dissipated the unified determination of the people of this State that adequate educational opportunity shall be provided for all the children and youth of the state through a system of free public schools.

We must not only maintain the Constitutional guarantee of a "general, suitable, and efficient system of free public schools," we must also continue a systematic, planned and organized movement by interested citizens to develop a sufficient awareness of the facts of this era to produce a willingness to measure our educational effort, not by what it is easy or convenient to do, but what it is necessary to do for our nation to survive and flourish.

Public education must recapture its role as a pioneer in its efforts to satisfy human needs. As a modern pioneer it must utilize the tools and procedures of the hour. There are those who condemn as the sure road to serfdom all kinds of planning, except planning for war. We believe, however, that education must play a major part in a planned effort to develop in every American child, rural as well as urban, personal competencies with which he can solve his own problems; social conscience and competence by which he can recognize that our modern social order will not operate on an every-man-for-himself basis; self discipline based upon democratic understandings, skills, attitudes and ideals which will stand against both chaos and dictatorship. Education must play a major part in a planned effort to preserve peace, in a planned effort to make government of the people, for the people, and by the people an effective instrument in the establishment of social, economic, and political justice.

California reported a gain of 2,474, much smaller than in preceding years. However, the Grand Secretary considers the 7,047 men raised a satisfactory number with a total membership of 240,128. He presents a very interesting analysis of membership by occupations and by age groups showing 17 per cent 21-29 and 67 per cent 30-49, 513 fifty-year buttons were awarded, 2,428 joined California lodges by affiliation, nine new lodges constituted, and cornerstones laid for eleven new Temples in addition to other buildings public and Masonic.

California has three Research Lodges! A group of brethren proposed a Committee on Fine Arts. It was felt that the Grand Secretary took good care of these matters and the resolution was defeated. A new hospital has been completed at the Home for the Aged.

The Committee on Commercialism reported trouble with a journal calling itself the "Masonic Review Digest" which is definitely non-Masonic and a Chicago publication "National Fraternal News" which the Grand Master of Illinois called "the largest blot on the reputation of our fraternity for the past several years."

The Grand Lodge helps support a Masonic Club House at Berkeley. Over 100 lodges sponsor DeMolay. California continues its Public School Week with great success. We append a small portion of the Committee's report.

III. "What *school students* have learned by participation in Public Schools Week activities during forty years."

This is the greatest good that has come out of our devoted efforts during these forty years.

Public school pupils have learned that there is a great body of men who have faith in youth. Public school students have been taught by our efforts with the schools during these forty years that every thinking man of us cares, and cares sincerely, that public school pupils have the very best opportunity that can be provided.

School pupils have learned that their good efforts are recognized, applauded, and appreciated by our great group of men in California.

Public school pupils have learned that their learning efforts and accomplishments will open doors to our hearts, our friendship, our support, our readiness to aid them in any and all of those ways in which good citizens, Brotherly men care for a needy young member of our society.

....

IV. "What *Masons* have learned during forty years of Public Schools Week Observance."

Masons have profited more than all the others as Grand Lodge public schools activities have developed and advanced. California Masons have found a practical cause and purpose to which they can tie their united and organized efforts in home, community, and state life. Masons have found a field of learning that gives challenge to their thinking and to their acting.

Masons have learned of the history of public education, of its backgrounds of strength, of the leadership of Masonry in the development of public schools. Masons know of the responsibilities which free-thinking, *light-seeking*, and operative craftsmen have performed and must continue to perform if free public education is to be sustained as the fundamental rock upon which American life for all is established.

Masons have learned that our public schools are not perfect, but that as those schools strive to be better they are dependent upon the understanding, the friendship, the support of Masonry.

Masons have learned that young people in our schools need to have strong defense of their schools expressed by men in the community. Thus it is that youth will sense worth in high standard school effort on their part.

Masons have learned that they too can stimulate young people to hold fast to the opportunities in public school, to prepare well for good and important responsibilities in California life.

Masons have learned that what they think, what they say, what they support concerning public schools counts for much indeed. Masons think and express themselves in forthright manner about public education from no vested or selfish interest and when issues, elections, community attitudes favorable to public schools are before people for consideration, the opinions of Masons count for much.

Most of all—California Masons have learned that they have great and grave responsibilities concerning public education.

Public education is only as free, as good, as available, as unhampered, as effective for our pupils as the million Masonic thinking members in our state are willing to work, sacrifice, and fight to have it be.

Colorado (46,490) reports a net gain of 201 with four new lodges. The Masonic Hall in Denver was dedicated and a meeting was held at the site of the first Colorado lodge. Dual membership outside Colorado was approved if the other jurisdiction permits it. Plans are on foot for a Centennial Celebration in 1961. A History of the Grand Lodge is nearing completion and the lodges are being urged to write their own histories.

An Armed Forces Welfare Committee visits veterans in the hospitals.

The Grand Master refused to make a Mason at sight.

Connecticut (48,095) reported a loss of 36. The Grand Master answered a question as follows: "Are the Prince Hall lodges clandestine?" "No. They have a Grand Lodge the same as we. However, they have not asked for recognition nor have we extended the same."

A large number of meetings were held outside the state to confer degrees on their own candidates with appropriate consent. One lodge was allowed to appear in full Masonic regalia to aid in the celebration of the 325th anniversary of the founding of Windsor.

No trials for un-Masonic conduct during the year.

The report of the Committee on Youth Organizations is worth quoting.

Whereas: Throughout the ages, youth has been a vital factor in the advancement of mankind and

Whereas: Countries, states, cities, industry, civic, public utilities, in fact all business and the Professions, have looked to youth to keep pace with progress, so we in Masonry today must look to youth or we will be unable to keep up with the present conditions.

In Masonry some of our outstanding leaders in recent years have had the benefit of youth training in DeMolay and other youth organizations. Realizing the significance and value in this work, we venture to make the following

RESOLUTIONS:

First: That we bring to all Master Masons the hope that they as individuals do all in their power for the advancement of youth organizations such as DeMolay, Rainbow, Order of the Golden Court, and others sponsored by Masonic Bodies as well as Boy Scouts, Girl Scouts, and such kindred youth movements.

Second: That Masonic Lodges continue to sponsor and assist all such youth organizations, especially DeMolay and Rainbow, not for the selfish purpose of educating Masonic Leaders but for the general good of our country and humanity.

In so doing we feel that we are taking a great step forward in training youth in those fundamental virtues of Filial Love, Reverence, Courtesy, Comradeship, Fidelity, Cleanliness and Patriotism, which are the very foundation of toleration, justice, prudence, relief and truth.

The boys and girls of these organizations today are individuals of the highest type and the support of the Masonic fraternity would be so welcomed it would react very favorably to our fraternity.

Delaware (8,553) reported a gain of 152. The Grand Master laid a cornerstone at Wesley College and one for a public library. The Masonic Home contains nine men and thirty women. The Grand Lodge holds a Masonic Home Day and a Masonic Church Day. The Grand Secretary reported the giving of many courtesy degrees and several burial services requested by outside jurisdictions. The Grand Lodge recognized the bodies in Salvador and Ecuador.

The Grand Lodge Committee for the advancement of DeMolay reported the formation of new chapters. It received money for its work from the Grand Lodge Charity Fund.

Because of trouble with a club based on Masonic affiliation which had to be ordered dissolved the Grand Master recommended the appointment of a committee of three to investigate all such bodies and report. The topical review was excellently done, provided interesting reading, and provoked thought.

Florida (65,240) showed a big gain of 1,603 of whom 896 were affiliated, seven lodges U. D. and one constituted. Two Memorial lodges were established for the performance of Masonic funerals.

The Grand Master issued many dispensations to allow the conferring of degrees short of the required time. He also gave 73 rulings. Many of these had to do with persons engaged directly or indirectly in the sale or serving of alcoholic beverages. The Grand Master ruled them ineligible for membership except those selling light wines or beer.

The use of Masonic emblems in shop windows or on commercial cars was forbidden. However, such emblems can be displayed on private cars. Parenthetically this is not allowed in North Carolina.

A few cases appeared in various Proceedings regarding applicants who had assumed names other than real. According to the Grand Master the laws of the State of Florida permit this without court action. Accordingly the petitioner may be accepted under the name by which he is known.

"It would be highly improper to confer the degrees of Freemasonry upon a substitute for a candidate because the candidate is personally incapable of conforming literally to the requirements of the several degrees."

It was ruled that there was no ground for action against Nova Scotia.

The Grand Lodge permitted the formation of Masonic clubs of Masons not members of Florida lodges under the supervision of the District Deputy Grand Masters.

Georgia (98,971) showed a gain of 393 with two new lodges, ten cornerstones laid and three new Lodge Halls dedicated. The Grand Master reported that rural lodges were having difficulty in carrying on their work.

In Georgia the sale of beer in a grocery business is against Masonic law.

An interesting problem was sent to the Grand Master. A member of a Georgia lodge in the Armed Forces in Germany took part in the organization of a lodge in Germany under the United Grand Lodge and became its Master. The law of Georgia forbids dual membership. The Grand Master called upon the brother to resign his membership abroad within thirty days. The Grand Lodge voted to change the law and permit dual membership to members of the armed forces if stationed in a jurisdiction that permits such membership. It was voted to admit children of non-Masons to the Georgia Home until the Home was filled to 90 per cent of capacity.

"Much work on the part of the Grand Master could be alleviated if the Lodges would only seek the answers to their questions in the Code." Every Grand Master will echo that sentiment!

Idaho (14,758) reported a gain of 104. The Grand Master ruled that Regulation No. 60 forbade any lodge to sponsor any such organization as would be necessary to conduct a Masonic Blood Bank in Idaho.

The Grand Orator gave a fine address on The Masonic Opportunity. In speaking of lodge meetings he concluded:

No need to compete with TV on a strictly entertainment basis; what Masonry has to communicate to its members is far more important than most of the trivia spooned-out to us by producers of shows who utilize the wonders of Modern electronics. No need to compete against those escapist programs designed to amuse the mind at rest; the field in which Masonry engages and holds human interest is as different from these as is night from day. No need to conflict with, and surrender to, organized sports, social functions and the deluge of printed matter which inundates us. Experience has proven that a well thought-out Masonic program will hold its own against even modern-day competition. But it must be prepared, initiated, and carried through to completion by an active Master. It will not materialize by inaction or by wishful thinking.

The most welcome and far-reaching contribution you may make to your Lodge and its brethren is a stimulating program or series of programs under your leadership. Space does not permit us to list here a compilation of suitable programs, but two general subjects are commended to you as being worthy of consideration and most timely.

The first is an examination of the American political scene, not on party lines, but with particular reference to the relationship between the citizen and his Government. What shall the relationship be in all facets of political life? How shall the Government be made responsive to the will of the people? How shall its vast powers be put to use so as to avoid the evil of its exercising stifling control over the very citizenry it was designed to liberate and serve?

The second field is consonant with and tied-in to the first; namely, our American Educational System. What are our responsibilities to youth? How shall we prepare them to meet the problems of mid-20th century and the uncertainties of the future? How do we educate both young people and adults to practice responsible citizenship so as to maintain our American democratic republic?

These are rough areas and the questions are thorny, but I know of no way to resolve them save by action which is dictated by first thinking through the problem. Participation by Masons in these fields is urgently needed. The local Lodge may act as a valuable sounding board from which the faults and opinions of thousands of good men may rebound and be communicated to all. We need the talents, skill, abilities, and knowledge of our ablest men if these problems are to finally yield to solution. Gentlemen, what better place to start than in the local Masonic Lodge?

The Grand Master of *Illinois* (243,238 with a loss of 3,291) went rigorously to work to revitalize Masonry in Illinois. Some small lodges

he found weak due to insufficient funds or the depletion of industrial or rural centers. As a result noted above 43 lodges merged with stronger lodges. He found in many places incompetent leaders or officers with no knowledge of the ritual. He removed some who did not know the ritual. The Jurisprudence Committee disapproved this action. He further recommended a program of minimum requirements for knowledge of the ritual for advancement from Junior Deacon to Master. He suggested a cipher code for the assistance of junior officers, remarking that many now use illegal and incorrect codes.

The Grand Lodge Program called for increased social activity, More interesting lodge meetings, cleaner halls, paraphernalia, and temple grounds, the raising of fees and dues, the creation of a lodge Charity Fund and the enlargement of the Homes Endowment Fund.

Sponsorship of youth organizations is forbidden by Grand Lodge law but he urged individuals to take an interest in these bodies.

Brother Cole's Oration was most inspiring.

When we take the Degrees in our Fraternity, we have the opportunity of placing in our minds a mental book with pages and chapters of the truth and beauty of Masonry. Some of us put the book on a shelf in our mind, and never bring it out. Some of us forget it is there as we meet our fellowman. But some of us study it over and over again as we face the problems of life, or as we muse or pray. As we permit the book of Masonry to inspire us, so may we inspire our fellowman. There is a spark of destiny in us. Masonry fans it into a flame. It bursts forth like a butterfly emerging from a chrysalis, into the beautiful colors of brotherly love, relief and truth.

We have been reminded that the moment we are born, we begin to die. Since we cannot lengthen life, let us fill it more deeply. Let us transfuse each day with nobility and a warm sense of brotherhood. In a time when there is so much hatred, let us generate the oxygen of love to keep the soul of the world still breathing. Religion and Fraternalism must impel us to cherish each other, and to make life for one another strong and brave and beautiful. We must make up for the threatened brevity of life by heightening its intensity. Selfishness, animosity and loveliness are the instruments which shorten life. Our practice of the tenets of Masonry will serve to deepen life, even though we cannot lengthen it.

Throughout history, Masonry has led every movement for progress, and has survived every attack. Today it faces its most glorious opportunity. New vistas are just over the horizon. Ours is a magnificent heritage. As you and I each live our Masonry, Masonry will live. Just as our Fraternity, through the years, has played a vital role in the true achievements of man, so Masonry will continue to go forth in shining spiritual armor to its rendezvous with Destiny.

The fundamental tenets upon which we have reared our nation are sound. As long as we remain true to such ideals, we need have no fear. The future of our country is dependent upon our determination and ability to maintain and vitalize the principles which made the America of 1776 and the America of today. This we can do only if we consecrate ourselves to the faith which inspired these tenets, and only if we give ourselves and dedicate our nation to the service of Him who creates all men and all nations.

Our material prosperity rests upon the character of our people; and that, in turn, rests upon our spiritual faith. If we are to carry on and perfect the structure which our fathers built, we must have a deep and abiding faith. We must devote ourselves unreservedly to the ideals of our forefathers and our Fraternity. As long as we are inspired by these fundamentals, as long as we embrace individual freedom, as long as we maintain individual responsibility, as long as we preserve the opportunity for individual achievement—just that long may we, with confidence, look forward to a better day—a day for which Masonry largely will be responsible.

We cannot be sleeping, lethargic Masons. We must be active, alert, dedicated, motivated and consecrated Masons. Let us rise, my brethren, to opportunity, to challenge, to need. Let us lift up our eyes to the hills whence cometh our help. Let us lift up our minds to the sun which brings light, and more light to all mankind. Let us stand shoulder to shoulder with our fellowman. Let us kneel heart to heart with God.

Indiana reported 185,117 members, net loss 94, for the first time in years. A statistical survey showed that a majority of the 546 lodges have between 100 and 200 members. The Grand Master also reported nine new temples. The law permits lodges to encourage and support youth organizations with limitations. The Grand Lodge contributed \$1,000 to the Indiana DeMolay Foundation. The Grand Master was made an honorary member of the Acacia college fraternity.

The Committee on Masonic Education is preparing a road map of Indiana showing Masonic Shrines and significant landmarks.

The Grand Lodge withdrew its recognition of the Grand Lodge of the Dominican Republic.

Circulars sent out to many members and officers by a brother calling himself "Committee on Masonic Information" were declared illegal.

Iowa (94,381) reported a loss of 482. The Grand Master noted the decrease in membership and activity of many country lodges due to the movement to the cities. He urged that steps be taken to keep these lodges going. On the other hand he noted with pride the activity of younger members in many lodges both in lodge work and in their communities.

We learn with regret of the retirement of Earl Delzell as Grand Secretary. He has worthily maintained the tradition of great Grand Secretaries in Iowa. Do all know of the marvelous Masonic Library of Iowa and of the services its staff is willing to and does perform for Masons of all jurisdictions?

The Grand Master pointed out that there is no Grand Lodge line in Iowa. Care is taken, however, in the selection of nominees for office.

Kansas (100,885) reports a loss of 418, with one new lodge, two new temples and five cornerstones laid. Here also the Grand Master notes the decline of country lodges and at the same time reports great activity in others with improvement in lodge halls.

The Committee on Masonic Education conducted an active program distributing booklets and holding area meetings for the informal discussion of Masonic problems and ideas.

The Oration on the Holy Saints John was brilliantly done.

Louisiana (50,593) reported a gain of 295. A Southwestern Relief Lodge was organized to provide for Masonic funerals and for the relief of sojourners. Cornerstones were laid for four new temples and one church. Two new halls were dedicated.

Some lodges accepted candidates who could not measure up to the requirements for "reading, writing, speaking and understanding of the language used to confer the degrees and conduct the business." The Grand Master stopped these violations of the law. He urged all lodges to hold some kind of meeting which would serve to revive interest in our system of Public Education. The report on those meetings was good. The Masonic Home Educational Fund is helping children of Masons to get a college education. At present they are helping nine. The Masonic Educational Foundation has already helped over 100 who, the report shows, have become useful citizens in their communities. The Grand Master refused permission for a lodge to own a cemetery and for the purchase and operation of a Masonic Hospital and Old Folks Home in the New Orleans area by selling stock. Past Grand Master Lieber has prepared a Handbook of Masonic Law for the use of the lodges.

The Grand Master found it necessary to issue an edict against "a rough or abusive manner" in the conferring of the degrees.

Plans are being made for the 150th anniversary of the Grand Lodge in 1962.

Maine (47,964) had a gain of 70—200 less than the preceding year.

The Grand Master forbade the transport of candidates to other lodges inside or outside Maine. He held that every man is entitled to receive the degrees in his own lodge.

A new book containing the Constitution, Regulations and Digest of Decisions was completed and distributed to the lodges.

The Masonic Blood Bank program continues to be most successful.

We wish to congratulate Brother Pollard on his Elder Brother Plan for education and his article "What a Mason should know about Masonry," published by the M. S. A.

Michigan (176,383) presents the same contrast as other Grand Lodges. The first loss (111) since 1940 but ten dedications of new Lodge Halls. The Grand Lodge recognized the new Grand Lodge of Turkey. It supports DeMolay with a State Deputy. Membership in DeMolay is third largest in the country.

The first volume of the History is about ready for publication. The Committee on Historiology presented a paper on Henry Jackson Hunt, first Grand Treasurer.

Minnesota (69,568) had a gain of 315. The Grand Master noted the losses by demit and N. P. D. and urged personal visitations and more interesting programs to reclaim these and save others. He also spoke of the need for attracting new members. Six Fellowship meetings were held with mixed audiences with this in mind.

Over \$1,000,000 was raised to build and equip the Masonic Memorial Cancer Hospital at the University of Minnesota, which was dedicated October 4, 1958. A majority of the Directors are to be elect-

ed by Grand Lodge. A substantial balance remained to help needy Masons and their families to receive the benefits of the Hospital. This Hospital is open to all without regard to creed, color, or national origin.

The Grand Master refused permission for the Masonic Casualty Company of Boston which is not Masonic to advertise in a magazine authorized by the Grand Lodge. He also refused to allow a lodge to invite a group from another Grand Jurisdiction to confer the Master Mason's Degree and to another to offer a door prize to increase attendance.

Four and one half pages of fifty year medals!

The Committee at Rochester urges all secretaries of lodges to send names of members or their families going to Mayo Clinic to Brother Leslie M. Thornton who does such a splendid work there.

We quote from the Oration, Masonry in the 20th Century

Masonry has a great deal to offer the world in its idealism. Unfortunately nothing is ever accomplished by the mere mouthing of vague generalizations. For most of us, our "labor" has become listening—our "refreshment", freeloading. We delight at the expression of our "belief" in the Brotherhood of Man. Too often what is so beautifully phrased in ritual, never even becomes a brotherhood of brothers. Why is this? Brotherhood is not based upon intellect, but upon experience and the conviction that follows. For example, children are born in a sense, mortal enemies. They learn to love one another within the family and eventually in wider circle of human relationships as they gradually make the discovery that they are loved with an equal love by the same parents. The only really valid reason for such a concept as that of the Brotherhood of Man is the discovery that we are all loved with an equal love by the same God. Not even this exalted concept is sufficient. There must be a motive. Someone requires understanding and compassion of us, and strengthens us, motivates us to incorporate them in human relationships.

The current best seller, "Dr. Zhivago", by Boris Pasternak, has this to say: "Now you can't advance in this direction without a certain faith. You can't make such discoveries without spiritual equipment. And the basic elements of this equipment are the Gospels. What are they? To begin with, love of one's neighbor, which is the supreme form of vital energy. Once it fills the heart of man it has to overflow and spend itself. And then two basic ideals of modern man (without them he is unthinkable) the idea of free personality and the idea of life as sacrifice."

The gap between the "ought" and the "is" has a perfect Bridge. The great "G" that confronts us in the East is not specifically meaningful to enough of us. Geometry supplies no motive power whatever. The fact of a Supreme Being does little more. Ironically, the cave man and the twentieth century intellectual have this in common—that they both have made the discovery that at the center of the Universe "There is something there." It is only when we grapple with the question—What kind of a "Something", that results are forthcoming. The savage envisioned a power to be kept at bay. At least his was a quest and not a status quo. There was some action, however barbaric his response of human sacrifice may have been. But the sophisticate's admission of a "First

Cause, is as devoid of motive as is his belief that he himself is clever. When the wiseman is wise enough to turn to the research of the centuries of men searching for God, even as he turns to research in other fields of information, he finds that those with a genuine and deep-seated motivation for brotherhood have tapped a Power that sprang from the conviction that at the heart of the universe is Purpose, Power, Love. These are the men who have made history and have themselves outlasted it. When I know that God is more than "G"—that He has an unselfish concern, purpose (love if you will) for me, and for all humanity, then my reaction is so great that it spills over into other lives. I accept as my obligation the privilege of treating all for whom God cares as brothers.

General Omar Bradley once said: "The world has achieved brilliance without wisdom, power without conscience. Ours is a world of nuclear giants and ethical infants." Men spiritually infantile can do little more than Gen. Bradley observes. It is the constant association with God as a Divine Parent that leads me, His child, toward that maturity which can convert sentiment into constructive action in behalf of all mankind.

The Grand Lodge of *Mississippi* (50,447) gained 297.

Question: A member of our Lodge has been arrested for bootlegging. He is also suspended for non-payment of dues. Can this lodge try him? Answer: The answer is yes.

The Fraternal Correspondent reports as follows:

The Grand Lodge of Nova Scotia seems to have gone overboard in regard to the Prince Hall group of Negro Freemasons. Several years ago the Grand Lodge of Nova Scotia became embroiled in a jurisdictional dispute with the Prince Hall group and the matter has been settled by agreeing to allow the subordinate Lodges of Nova Scotia to accept applications for membership from the members of the infringing Prince Hall group. Thus in settling a jurisdictional dispute in this manner—or even entering into a Masonic dispute or discussion with this group which all the American Grand Lodges either ignore completely or hold to be irregular and clandestine—Nova Scotia puts a stamp of legitimacy and regularity on the Prince Hall group which we cannot and will not condone. This action by Nova Scotia might well be the opening wedge that will cause a great deal of trouble to our Grand Lodge and others in the United States if they are permitted to "get by with it," and so we recommend terminating our relations with them.

Several years ago the Grand Lodge of Mississippi in a moment of laxity granted fraternal recognition to the Grand Lodge of Syria and Lebanon with headquarters in Beirut, Lebanon. We quote herewith an excerpt from a letter from a Past Master of an Ohio Lodge then visiting in Beirut which has only recently come to our attention: "... I had the pleasure (?) of meeting and shaking hands with the first woman that I have ever known to be the worshipful master of her Masonic Lodge. A very ardent and well behaved Mason who was raised in Egypt under the English Constitution, has organized his own Grand Lodge and Supreme Council here in Beirut. That was in 1948. In 1954 he chartered two Masonic lodges for women in Beirut and both are now operating. His wife is worshipful master of one of the lodges. It has

about seventeen members. Although the men and women may visit each other's lodges, men may not belong to the women's lodge nor women to the men's lodge."

No further comment is necessary and we must take the only course left to us and sever relations at once—and then try to forget that Mississippi ever recognized a Grand Lodge which numbers women among its members.

Missouri with 124,068 members reports a loss of 205. The Grand Master speaks also of the shift to the cities and the consequent decline of rural lodges and of an unfortunate degree of conflict between the brethren from the rural areas and those of the big-city lodges. He cites figures to show the shift but emphasizes that both the rural and urban members are important and that rivalries and competitions can only weaken the Grand Lodge.

He called a "Statewide Conference of Masonic Leadership" with men from the York and Scottish Rite Bodies and the Shrine Temples meeting with all the officers of the Grand Lodge.

He held a series of Grand Master's Breakfasts in the State. He laid fourteen cornerstones.

Special emphasis was laid on Public Relations.

The public relations of Masonry is an important factor in the solution, or at least in the diminution, of the difficulties which confront our Lodges in these days. It is therefore our duty to be alert to every opportunity for wholesome public presentation of the work and of the character of our Institution.

One of the outstanding instances of wholesome public relations during the past year arose in the publication by the St. Louis *Globe-Democrat* in its issue of Sunday, January 18, 1959, of an article entitled "The Masonic Brotherhood." This article depicted in a most readable and highly accurate manner the nature of the many branches of our Fraternity and the essential character and quality of Freemasonry. It received widespread distribution and made an impression for which we are very grateful to the newspaper and to its publisher, Brother Richard H. Amberg. I think it proper to mention, so that credit is properly given, that the leadership of the Scottish Rite Bodies in St. Louis provided the stimulation for the development of this fine newspaper story.

It would be impossible to chronicle all the instances of excellent activities which have had a wholesome effect upon the public understanding and approval of the Masonic Fraternity. The hospitals and other philanthropic endeavors of various appendant organizations have elicited general approbation among the public, and these activities surely bring great credit to Freemasonry.

At a special ceremony the Grand Master presented a 50 year button to M. W. Harry S. Truman with many distinguished guests present.

DeMolay sponsorship was urged as was encouragement of the Acacia fraternity and the societies for girls. However lodge funds may not be spent for this purpose.

The Home contains 25 children, 249 women and 69 men.

Missouri allows men physically unable to take part in the degrees to receive them under special dispensation and with the supervision

of the Grand Lecturer. One such man after receiving the First Degree moved to South Dakota. The Grand Master ruled that no such degrees can be conferred outside the territorial limits of the state.

Montana (26,227) was another Grand Lodge to report a loss, 60 with 70 lodges losing membership, yet with three new temples.

The Grand Master instituted a competition for an award between lodges for programs to stimulate interest in attendance. He listed twelve possible special events which could be held. It seemed to have great success.

The Grand Chaplain discussing the relationship between Masonry and the Church expressed opposition to the funeral service. The Grand Master recommended the appointment of a Support of Churches Committee and of a special committee to study the problem of the funeral service.

The Grand Historian reported on the beginnings of Masonry in Montana.

Nevada (5,787) gained 108. The Grand Lodge received a Bible and a carrying board as a memorial of Brother M. J. Hersey, Grand Chaplain 1933-48. The Grand Master laid eight cornerstones of schools and churches. "It is my belief that the wearing or displaying of an emblem consisting of two balls and a cane is vulgar, lacking in good taste and is inconsistent Masonic propriety."

It was voted to establish a DeMolay Committee of the Grand Lodge "whose duty shall be to cooperate with the sponsoring Bodies and DeMolay Chapters in the training of youth and adult leadership," with \$500.00 appropriated for its expense.

The Grand Lodge laid the cornerstone of the Centennial Monument at Virginia City. On this occasion the Oration by Louis D. Gordon of the University of Nevada dealt with the early history of this famous settlement.

New Hampshire (17,173) showed a gain of 12 as against a loss of 2 last year. The Grand Lodge held Lodges of Instruction in each of the districts with the Grand Master present. At a special Communication the 175th birthday of Jeremy Ladd Cross was held. The highest award of the Grand Lodge is named for him. A large number of fifty-year medals were presented. General Sullivan medals are also presented to members of the fraternity in New Hampshire. A number of visitations in other jurisdictions with conferring of degrees were approved.

The Grand Master urged further support of DeMolay. Ten cents out of a fifty cent assessment of the Grand Lodge goes to its support. "With enough Chapters of DeMolay and Rainbow we could defeat the problem of juvenile delinquency." Five cents goes to the Committee on Masonic Education and 35 cents to the Masonic Service Association for its hospitalization program. An amendment was proposed to require an examination on the third degree between the first and second sections. It was not approved.

New Jersey (107,469) gained 331 with four new lodges and four cornerstones of new temples. The Daniel Coxe medal for distinguished service was established. In 1961-62 the Grand Lodge will celebrate its 175th anniversary. The Grand Master was given a gavel made of

beams in White Hall Tavern in New Brunswick where the Grand Lodge was formed.

New Mexico (14,658) had a net gain of 456 with one lodge U. D.

Question: May we sell pocket coins to raise funds for building programs?

Answer: No. Solicitation outside your own members would be un-Masonic. The Grand Lodge provides a travelling lending library and holds Masonic Workshops in each of the districts attended by the Grand Master and the Grand Lecturer. "It seems that the larger the Lodge the poorer is the attendance in proportion to membership." The Grand Master reported on the Southwest Masonic Conference. A very fine Oration was entitled Freedom and Masonry.

New York with a membership of 305,404 reported a loss of 1,929. With New York we mourn the loss of a dear friend and a trusted counselor, Past Grand Master Henry C. Turner. The office of the Grand Master and Grand Secretary will never be the same now that Miss Fisher has retired. She did many a favor for this reviewer.

The Masonic Foundation for Medical Research and Human Welfare in cooperation with Syracuse University and other centers is proceeding with its study of geriatrics.

The Grand Master in dealing with the problem of membership had this to say.

Earlier in this address, I made the statement that we must not, in the slightest degree, lower our rigid standards for membership. I have frequently been asked to express my views as to how far a Brother may go in encouraging inquiries on the part of those seeking information about our Fraternity.

While emphasizing the prohibition against solicitation for membership, I have replied that when a man who obviously measures up to all our requirements indicates such interest, there is much information that can be given legitimately, such as would arouse his desire to "seek further light."

In other words, a slight "nudge" in that direction would be perfectly proper. I, like many another, would probably never have become a member without such "nudge", which, in my own case, was being told that I was the type of man who belonged in Masonry.

He favors small lodges perhaps limiting membership to 300.

The Youth Welfare Committee assists the lodges in a wide variety of youth programs—so wide that it is worth quoting.

From the reports received we know that nearly every commendation we made has been acted upon by one or more Lodges, and many Lodges have presented new worthwhile ways of contributing to youth welfare. One district is sponsoring a minstrel show with young ladies and men taking part; sponsoring an annual boat trip for young folks, also a "Gay Nineties" show and other novel features. One Lodge is organizing a Drum and Bugle Corp in a DeMolay Chapter; four Lodges have assisted in organizing DeMolay Chapters; over forty Lodges in one District have sponsored "teen-age" talent shows; four Lodges have sponsored hog-raising con-

tests—with trophy; at least three Triangle Chapters have been organized; one District is in the process of organizing a 60 voice Youth Chorus; in one District each Lodge will take its High School football team to a giant sportsmanship banquet and one High School science teacher who is Senior Warden of his Lodge is receiving the support of his Lodge in organizing a Science Club. Talent shows, essay contests, sports, dinners and dances seem to predominate in Lodge activity but one Lodge has added an Easter Egg Roll and a Steer Roast.

North Dakota (14,109) lost 161 members. Past Grand Master Cumming of Alberta, a native of North Dakota, presented a set of Grand Lodge Jewels to the Grand Lodge. They were specially made to a North Dakota design.

From the Grand Oration:

A Mason is a man of ideals, a man of integrity, loyalty, rectitude of conduct, who believes in living a full life, who believes in tolerance and in freedom.

A Mason is a man of conviction, a man of truth, and a man of positive thinking, who is fearless, and who lives and acts in accordance with his conviction.

A Mason is a man of service, who believes in rendering a life of service to his brethren and to his community, State and Nation, a benevolent man who believes in charity within his means and capacity.

Freemasonry asks of its members today obedience to well establish and well defined principles consistent with honor, justice and humanity.

The fate of Masonry today is in our hands, in the hands of the individual members of the fraternity, and their subordinate and Grand Lodges. Freemasonry today is no better than the average member. We must permit it to lose none of its worth and purity through our indifference.

May I quote: "The primary function of a Masonic Lodge . . . is to train its members to an understanding of the truths which its rituals and its ceremonies are calculated to inculcate, to develop its members as benevolent men, and to propagate the knowledge of the art. The chief concern of the lodge is with its welfare, the happiness, the Masonic development of its members, not with the admission of those who seek entrance to its doors. Its success as a Masonic Lodge cannot be gauged by the length of its membership rolls or by the size of its accumulated funds."

Ohio (282,793) gained 170 with two lodges constituted and four U. D., eleven cornerstones and eleven dedications. Nine lodges celebrated 100th anniversaries. Said the Grand Master, "I recommend that a very careful analysis of each of the districts be made to determine whether Freemasonry could be better served by the establishing of new lodges." He further proposed a study to see what the Grand Lodge can do to further the interests of youths. In another place he remarked, "We must continue to attract that fine group of young men to our doors." He held it was not against the law for lodges to sponsor DeMolay. Eight hundred nineteen 50-year awards were made and three seventy-year awards. In contrast to other Grand Lodges a decline was noted in city lodges rather than rural.

Chain letters have appeared again in Ohio.

The Grievance Committee reported no grievances!

Oklahoma (87,241) had a net gain of 181. Oklahoma law maintains the Doctrine of the Perfect Youth. The Grand Master recommended its relaxation. The Jurisprudence Committee asked for time to study the matter.

The Masonic Charity Foundation which supports a Home for the Aged and for Children (filled to only one third capacity) has assets of \$4,255,000.

"A Master Mason shall not petition for the degrees of other Masonic bodies until six months after the date of his becoming a Master Mason or shall have passed his proficiency in the Master Mason Degree."

Oregon (44,546) gained 56. The Grand Master had quite a list of dispensations granted or refused. He refused to allow a lodge hall to be used for religious instruction of children on released time. He also felt that the lodges could not properly participate as such in the State Centennial.

In the conclusion of his address he said:

It is my sincere hope that Masonry will more enthusiastically assume its proper place in American society and government as a leader in defending and promoting those principles and standards which are so essentially necessary to the life of a free and progressive people. We can accomplish this position only by acquiring knowledge ourselves, then teaching it to others. We must teach not only by precept but by example as well. We must believe and live what we preach. Our most fertile field for long-range benefits from our teaching effort is with the youth of the land and more especially in our public schools. We must first understand that the free public school is the most sacred and vital part of our American society and culture. From that point we must strengthen it and protect it from any and all influences subversive of its continued welfare. We must create in the minds of all citizens the absolute impregnability of our fortress of the free public school in so far as religious or political doctrine is concerned. We must work to raise the intellectual, economic and social standards of all people who hold teaching or administrative positions and our first duty in this regard is quite obviously to raise the standards of the citizenry to the point where they realize and understand what is needed and how to acquire and retain it.

We have taken our public schools for granted because we have them. We have taken our liberty and freedom for granted ever since our forefathers made the great sacrifices for it. We have done little in late years to protect that great heritage. We have drifted along blindly allowing a little chip here and a little chip there to be broken off until now our whole system of government, including our free public schools, is in serious danger.

The Grand Lodge Public School Committee was active in support of the schools and in the maintenance of the separation of church and state in education.

Pennsylvania (1958) reported for 1957 a membership of 257,062 with an increase of 1,810. The most inspiring activity of this Grand Lodge continues to be its Masonic Juvenile Court Institute which brings together jurists of every faith along with many Grand Masters

for a study of juvenile problems. One hundred-fifty judges are fellows of the Institute, Protestant, Catholic and Jewish. The Grand Master announced that he has become interested in the work of DeMolay and is planning to investigate and rule on its sponsorship by lodges.

One lodge is 200 years old and sixteen celebrated their 100th anniversary. The Masonic Temple and the Recreation Building at the Masonic Homes were dedicated. The auditorium in the Recreation Building was the gift of Past Grand Master George H. Deike.

Requests or gifts in 1958 amounted to \$568,000.

The Committee on Masonic Culture (a good title) publishes the Pennsylvania Free Mason and maintains a circulating library.

The Philadelphia Freemasons Memorial Hospital is studying geriatrics.

We quote a passage from an address by the Grand Chaplain, Bishop Corson.

Masonry is a great world force without which our hopes for freedom and democracy and the settlement of our international problems would be greatly dimmed.

One of my friends, speaking at the time when America was upset itself at the demonstrations of nuclear physics, which proved to be quite a propaganda offensive for the Russians, said to me that what this world needed at that time, and what America should be thinking about, was not a guided missile that could pierce outer space, but a guided missile that could pierce the human heart and destroy the evil that is in the human heart; because, he said, it is the human heart, after all, that directs the weapon, and man and not science may in the end destroy our civilization.

I come back from this world tour with a stronger conviction that the Masonic fraternity is that kind of missile. When we fulfill the obligations of our membership we pierce human hearts, advancing in culture and character. We expel the evil in those hearts and with it will come a new and better day.

Rhode Island (19,171) reported a decrease of 38. The Masons of Rhode Island attended divine worship on the aircraft carrier *Tarawa* on December 21, 1958. Over 1700 Masons attended. The Grand Master was made an Honorary Admiral of the Bellingham Navy Yard.

The Grand Master recommended the creation of the office of Deputy Grand Secretary. He stated the qualifications of a Grand Secretary as follows:

Your Grand Master has given serious study to this problem, has obtained advice from valued members of the Craft, and presents his conclusions at this time. These conclusions are presented with due respect and appreciation of our venerable older members of Grand Lodge.

1. The Grand Secretary should be a man in his middle years.
2. He should be a man with knowledge of, and devotion to, the principles of Freemasonry.
3. He should be an able, respected, and recognized leader with ability, mental capacity, and willingness to thoroughly study and honestly interpret the Constitution, Rules and Regulations of our Grand Lodge.

4. The Grand Secretary should be a man with a practical business background with supervisory experience.
5. Above all, he should be a man with the God-given ability to work with his fellow employees and the members of the Craft in peace and harmony.

Action on his recommendation was deferred.

He also recommended the creation of a Standing Committee to give financial advice to lodges for guidance on investments.

He closed his address with a poem this reviewer liked.

Friendship needs no symbols,
Or vows to make it whole;
It's just a sacred covenant
That's locked within the soul;
It knows no creed or station,
Or thought of gain or fame,
For what it does is sacred,
And is done in Friendship's name.

The Youth Program continues all its varied activities with basketball, softball, track, bowling, etc., tournaments, a Recreation Center for outings and a Masonic Family Day at the Center.

South Carolina (56,513) had a gain of 820 with two lodges U. D. with three dedications. In these the Grand Lodge opened on the First Degree.

All are delighted at the complete recovery of Grand Secretary Henry Collins.

The proposal to take over a college as a Masonic University was again laid over, referred to the incoming Grand Master for consideration.

The Grand Chaplain preached on St. Andrew "who was content to play second fiddle."

There is joy and satisfaction in work well done, no matter how lowly that work may be. There is an honest pride which comes when duty, however humble, has been faithfully performed. There is a deep sense of satisfaction in knowing that one is of some use to the world and to one's fellowmen. These joys and satisfactions are within reach of us all.

....

Down through the ages and today God is building the "Temple" of a redeemed humanity and He permits us to be His fellow-workers. Tasks that are great and conspicuous are assigned to some, and they are honored. Duties that are apparently small and unimportant are allotted to others, and few are the voices of praise that cheer them. These may say, "What difference does it make whether these tasks are done ill or well, whether they are performed or neglected?" It makes a vast difference! If the work is done faithfully the Great Architect of the Universe may one day show us that our contribution to the great "Temple" has been far more important than we ever dreamed.

Freemasonry has a mission to the world. It cannot content itself with a beautiful ritual. If the great teachings of the Craft are to end with dramatic exhibitions in Lodges, it is contributing very little to the world. Every member of the Craft is either an asset or a liability. Every member of the Craft who is not a real benefit to the world is a liability. Ser-

vice is a law of nature. Labor and service are the two dominant notes of the Craft. Whether we play first or second fiddle in our Lodge or out in the world, let us so labor and serve that we can say: "I'm glad I did it well!"

South Dakota (21,414) was another to report a loss but of only 20. The cornerstone of the temple at Sioux Falls was laid. The gavel was made of wood from the Old Chapel at Fort Randall. In this state the Grand Senior Warden is in charge of youth organizations.

The Grand Master with others of the area attended a Peace Pipe Ceremony at Pipestone, Minnesota.

The Historian is preparing a map of spots of Masonic interest.

Tennessee is on the march, 87,980 members, increase 900, two new lodges and two new temples. The Grand Lodge appropriated \$2,000 to DeMolay and \$1,000 to the Order of Rainbow for Girls.

The Proceedings contain the Constitution of the Grand Lodge and a digest of the Edicts of the Grand Masters.

Texas (1958) reported a membership of 250,568, an increase of 3,128,960 lodges, 7 constituted and 3 U. D. Twelve temples were dedicated and 12 cornerstones were laid. Masonry thrives there.

The Salute to the Texas Flag is of historical as well as Masonic interest.

The Lone Star flag of beautiful Texas, we proudly salute you; born under the leadership of great pioneers and great Masons; designed by a Master Mason, Dr. Charles B. Stewart, a signer of the Declaration of Independence, and a charter member of Montgomery Lodge No. 25, Montgomery, Texas. This great flag flew over the Republic of Texas from March 2, 1836, until February 19, 1846, a total of nine years, 11 months and 17 days. It was raised in Texas when Andrew Jackson, a Master Mason, and Past Grand Master of the Grand Lodge of Tennessee, was President of our country.

It was lowered February 19, 1846, to become the twenty-eighth shining star of Old Glory, when James Knox Polk, a Master Mason, was President of our land. Under this flag Sam Houston, the organizer of the first Grand Lodge of Texas, whose statue now stands in our foyer, was elected the first president to serve under this flag.

Under this flag Anson Jones, a Master Mason, the first Grand Master of the Grand Lodge of Texas, was elected to serve as the last president of the Republic of Texas. Under this flag on March 6, 1836, came the greatest battle of all time, the great battle of the Alamo. Under this flag at the Alamo was written the bravest letter ever mailed in the history of the world. It was William Barrett Travis, the Master Mason, who wrote to the outside world that "We are here surrounded by an enemy of more than 3,000 well trained men; we have agreed with ourselves that we will never surrender, we will never retreat. It will be either liberty or death for us."

Under this flag just 46 days after the fall of the Alamo came the great battle of San Jacinto. Of the 850 men who followed Sam Houston in the battle that day 149 were Master Masons. When that battle was over, the enemy had lost 630 men killed, 280 wounded, 730 captured. We had lost two men killed, and 23 wounded. So as we assemble here today as

Masons 112 years since that flag was lowered, we proudly salute you, the Lone Star Flag of beautiful Texas. May we here as Americans and as Masons pledge anew our loyalty to this flag, and may that loyalty be real, be as firm and as sincere as it was to Bowie, Bonham, Crockett and Travis, who gave their all at the Alamo that you and I might enjoy this kind of freedom: freedom of religion, freedom of speech and freedom from dictatorship, under the greatest flag that ever waved over a free state. Long live the spirit of the people of those pioneer years who lived under and died for that flag. We proudly salute you here today.

The Grand Master sent a message to the Craft each month. In these the Grand Master insisted on the dignity and high importance of Masonry, the need for proper decorum in the lodge room and for Masonic living in accordance with our obligations.

A Handbook for D.D.G.M.'s of great value is printed in full in the Proceedings.

The Grand Master discussed the propriety of smoking in lodge rooms.

The Grand Chapter of Electrical Craftsmen consisting of Masons in the electrical industry was forbidden in Texas.

The military lodge Ort Bavarian under dispensation from Texas was discontinued.

Grand Lodge laws forbid the sponsoring of DeMolay.

A jeweler wanted to make a pin with Masonic insignia on a gold State of Texas with name and number of the lodge. The Grand Master said: No.

Texas requires a birth certificate with petitions for membership.

Many thanks to the Reviewer for his kind remarks which I greatly appreciate.

Utah (6,838) gained 15 with three new lodges and many new temples building or projected.

A Special Youth Activity Committee in the Salt Lake City area is developing a Recreation Area in that city under the sponsorship of the six local lodges.

The Grand Lodge is represented on a Youth Protection Committee of Salt Lake City to examine magazines and literature of questionable nature.

Vermont (18,307) reported a loss of 132. "Our losing trend continues and it is hard to understand why, unless the reason may be found in an indifferent leadership in too many lodges." Some lodges showed fine activity. DeMolay is prospering but more chapters are needed.

Past Grand Master McAllister of New Hampshire gave a marvelous address on Freedom at the banquet, which address should be read in entirety.

Virginia (68,606) gained 472. With that Grand Lodge we mourn the loss of Grand Secretary Hillman.

The Committee on Education sends out service letters, maintains a Speakers Bureau, has records of speeches and of music for ritual use and movies of the Home.

Search is being made to discover why Virginia uses the word Ancient.

The Doctrine of the Perfect Youth appears in modified form. A candidate who could not walk without a special shoe on the right foot was rejected, as was a man who had lost the little finger of his right hand. However, a man who had lost the thumb and two fingers of his left hand was declared eligible.

The Grand Master permitted a large number of degrees by other states in Alexandria. It took three pages to list the 50 year awards.

Two paragraphs from the Grand Master's address follow:

We may look with some pride at the new peak in membership we have reached at the close of this Masonic year, yet accepting it as the true measure of our progress would be deceiving ourselves. It is by applying the square, level and plumb to the individual members of our household that we must gage the growth or shrinkage of our Masonic edifice. Solomon, in his wisdom, permitted no stones to be raised in his temple until they had been tried and found true. Have we been as wise as he? Have the rough ashlar we received as material for our temple been enlightened as to the philosophy of Freemasonry and inspired by its moral teachings so they are fitted for a niche in the facade of our institution? Have all the members of the fraternal family been guided in all their relationships to mankind by the three great lights? If our answer to these questions is "yes", then our progress has been great indeed.

.....

Let us remember that the space ship of tomorrow will not convey man to his final destination, but only to another point in the plan which the Great Architect of the Universe has for the development of mankind. Within the walls of this Lodge room and the thousands of others like it, we must keep constantly before us the fact that the lifeline of man extends beyond the stars and into the boundless realms of eternity. This fact and not the mundane consideration of outer space must assume prime importance as we seek to fit ourselves of the all important concerns of Eternity.

Washington (69,195) had a net loss of 90 with one new lodge and one U. D. Three cornerstones of new temples and two schools were laid and three new temples dedicated.

Can a lodge sponsor a chapter of DeMolay? No, but you may as individual Masons form a group to do so.

The Grand Lodge celebrated its Centennial on December 7-8, 1958. The record of the Convention of 1858 is printed in the Proceedings. In 100 years the Grand Lodge has had only three Grand Secretaries. A very interesting report is made on the derivation of the names of lodges in Washington and Alaska.

"When the petition of a candidate for the Degrees has been rejected by a Lodge through mistake or misapprehension, the Lodge may correct the error at the same Stated Communication in the following manner: The member or members who have balloted in the negative by mistake or under misapprehension shall announce the same in open Lodge and the number of members, if more than one, shall correspond with the number of negative ballots by which the candidate was rejected."

It was recommended that apartments be built at the Home but separate for those who can afford them.

West Virginia (48,254) had a net gain of 240, with two lodges U. D. The Grand Master called for attention to the Public Schools. "The Lodges could also do a great work by establishing scholarships for those young people who find themselves worthy. He attended the State Conclave of DeMolay and urged its continued support.

The Committee on the Masonic Home felt that funds were not available for the building of Hospital facilities at the Home.

Wisconsin (64,256) reported a loss of 418, two cornerstones and three dedications.

The Grand Master proposed and after discussion secured adoption of a motion to spend money on a campaign for the Home Endowment Fund.

A very active Education Committee provides materials for lodges to use as they wish.

Lodges may sponsor and spend funds for the support of DeMolay.

The Committee on Lodge Rejuvenation for the weaker lodges reported the need for leadership and better programs. "If you think there is any strength in Masonry, then I say to you, with better leadership, increased lodge activities, exchange of work between lodges and lodge reunions, then to the altars of Masonry, bring the fires and not the ashes of free men."

Decision No. 8. Can a lodge hold open house for the public at its new Masonic Temple on a designated Sunday afternoon? Ruling: This would make it possible to exhibit the beauty of our newly built temple to the community and was not in violation of the Code.

Pending further study members of the Order of the Eastern Star without Wisconsin affiliation are to be admitted to the Home.

A photographer asked the secretary of a lodge to send out cards soliciting business. The Grand Master approved because no list was given to the firm. The Jurisprudence Committee disapproved.

Wyoming (12,916) had a gain of 95, one new lodge and one temple dedicated. A gavel was made of timber at the time Wyoming No. 8 was organized in South Pass City, an old mining camp in about 1869.

The Grand Master called on all lodges to celebrate George Washington's Masonic Birthday. All but two complied.

The Second volume of the Grand Lodge History is in the press.

A Masonic Educational Council supervises and assists lodge work in Masonic education.

Acacia and DeMolay are both recognized by the Grand Lodge.

A tabulation in the Proceedings of the Grand Lodge of *Iowa* shows 4,101,057 Masons in the United States, 19 Grand Lodges showed a decrease but the statistics gave a net gain of 14,015.

In Canada there were 257,720 Masons, one only showing a decrease of 16, with a net gain of 1,545.

The Grand Lodge of *New Brunswick* with one new lodge showed an increase of 38. In that Grand Jurisdiction three or more negative

votes are required for rejection of a candidate. The histories of the lodges are being written.

Nova Scotia showed a small loss. The Grand Lodge authorized a Square Club in Frobisher Bay composed of American Masons stationed at the Air Force base. Nine Grand Lodges are represented in the Club.

The Proceedings gave in full *Nova Scotia's* answer to the charges made by the Grand Lodge of Mississippi.

Saskatchewan with a gain of 41 shows activity with eleven new temples. The Grand Master is a physician and his presentation is opened with the celebrated Oath of Hippocrates—still taken by physicians.

The Grand Master suggested that urban lodges visit rural lodges and confer degrees on their members to keep up interest. The rural lodges seem to be in trouble in Canada also. One hundred twenty-one lodges carried out 177 different activities in the Youth Program—Youth nights, social evenings, picnics, sports events, handicrafts, school drama, Boy Scout activities and DeMolay. The programs seems to be most successful.

We mourn with them the loss of Grand Secretary Robert A. Tate.

Alberta constituted two new lodges with two U. D. The Grand Master presented a parchment to W. Bro. Sprague, 100 years old and 75 years a Mason. He called for leadership in the community on the part of Masons. He too was worried by absenteeism.

In closing, I wish to refer to the number of one worry we hear so much about—absenteeism. Why are there so many empty seats in our lodge rooms? What can we do to get the members interested?

My answer is that we must embrace our first tenet which is to labour in the service of God and mankind. Too many of us lose sight of the fact that Masonry stands for the things that are eternal—that it has a mission and that mission is to bring men closer together in one great human family. If we keep Masonry's mission uppermost in our minds and live truly Masonic lives, the glories of our Craft can be made apparent to all. It would immediately cure our poor attendance worry. The practice of the science of Masonry can be exciting and full of satisfaction. Meetings become more interesting because we look forward to associating with our brethren in fraternal fellowship. We must work to fully discharge our responsibilities to the Craft. It requires the best that we can give in time and talents. It needs patience and hard work, but in it there is great joy and satisfaction. Let us all remember that we are trustees of an ancient philosophy and a way of life that has come down to us across the centuries and which contains a priceless heritage. We must maintain and strengthen these blessings that they may be handed on to those who come after us.

The Grand Lodge gives bursaries (scholarships) for higher education of deserving youths.

An address was given on the history of Masonry in Western Canada.

The Quarterly Reports of the Grand Lodge of *England* give every indication that Masonry is prospering there.

The Grand Lodge of *Scotland* recognized the new Grand Lodge of Indonesia and Brother Monteith and others took part in an installation of a lodge apparently connected with the new Grand Lodge of Belgium.

Ireland reports the death of R. W. Frank Lowe, Deputy Grand Master. We mourn the passing of a friend who was most gracious to us on our visit to Dublin some years ago.

Six lodges in Ireland celebrated bicentennials. One of these took part in making Joseph Warren Provincial Grand Master in Massachusetts.

Two new lodges were reported in Rhodesia.

Down under in *Australia* Masonry is thriving. May I be forgiven for a personal note. I had just finished reading the Proceedings of the United Grand Lodge of Queensland when my daughter came home from Bryn Mawr College bringing a charming friend Beryl Wilkinson with her. Beryl told me her father was a Grand Lodge officer in Queensland. We looked him up and found V. W. Bro. W. R. Wilkinson Assistant Grand Superintendent of Working. It was quite a thrill. She told me that she was once a recipient of a bursary from the Grand Lodge. Now she is doing brilliant work as a graduate student of Classics at Bryn Mawr. It is pleasant indeed to establish such personal contact.

Queensland reported six new lodges and three new temples. No non-Masonic organization can use lodge halls.

Past Grand Master Jones reported on his visit to England, Scotland, Canada, and San Francisco. His description of American workings as they compared with Australian was most interesting. He noted particularly the dramatic character of the third degree and the absence of the festive board. He went on to describe the new temple in San Francisco. "With regard to the Order of DeMolay, I suggest that a visit to the United States would largely remove any misgivings felt by some leading Australians regarding the introduction of this Order into Australia . . . I personally have no such misgivings with respect to the value and quality of DeMolay."

A very learned address was given on Tubal Cain and the beginnings of working in metals.

Western Australia reported its Quarterly Communication. Said the Grand Master, "The moral world is our parish. Freemasonry says to a man 'Whatever your religion or mode of worship, believe in a Supreme Being and lead a good moral life.'"

Masonic dress in this area is full dress or black tie with white gloves. Those who cannot afford it should wear dark suits. In summer, December 1-April 30, a white mess jacket may be substituted for full dress and gloves omitted.

South Australia reports five new lodges. Two new scholarships were established based on necessity not brilliance of pupils.

Smoking is forbidden with Masonic regalia. Some brethren switch their aprons around to smoke. This is forbidden. The Grand Lodge is building "flatlets" for aged couples.

Victoria has built a new wing to Freemasons' Hospital. Indigent brethren and their dependents are provided for.

Two new temples were dedicated.

New Zealand has a long list of Masonic bursaries, most for 60 pounds. The Proceedings indicate healthy activity and great interest in the craft, particularly in its benevolences.

The Grand Lodge of the *Philippines* (10,463) reported a gain of 389 with one new lodge and four U. D. The Grand Lodge urges interest in the improvement of Public Schools rather than the creation of a Masonic school.

The Grand Lecturer complains that some come to lodge in polo shirts and some smoke during degree work. He suggests these departures from decorum be stopped.

The Grand Master urges support of the Acacia Mutual Aid Society, an insurance plan of minimum cost.

The Masonic Hospital for Crippled Children treated and cured many.

Latin American Masonry is doing well except for a few trouble spots. The difficulties between the Grand Lodge Valle de Mexico and the York Grand Lodge continue. We have received two letters from an American Mason in Guatemala, who is a member of the new Grand Lodge. The regular Grand Lodge was ordered dissolved by government decree and its properties turned over to a newly organized body. The Grand Lodge of North Carolina continues to recognize the original Grand Lodge. I do not know of any American jurisdictions who have recognized the usurping body.

The Proceedings of Sao Paulo, Brazil, for 1958 are on hand translated into English. With a declaration of amity with the Grand Orient the cause of dissension vanished. The seceding lodges have rejoined the Grand Lodge and all is peace. "There exist possibilities for a solution to the unification of Brazilian Masonry." This would be a great achievement. With one lodge constituted and three U. D. the Grand Lodge aims to have 200 lodges, at least one in each county in the State. The Grand Lodge is building a new temple. They have established an obligatory Masonic Mutual Fund to provide insurance for families.

Magazines are at hand from Chiapas and Coahuila in Mexico. Unida Mexicana sent an invitation to a literary and musical evening. Ecuador and Nicaragua also sent journals. The Commission of the Grand Masters' Conference reports Masonry strong in quality in Ecuador.

Costa Rica sent a bulletin with list of officers and of its six lodges. Again the Commission reports this body as regular and working hard in spite of dissidence and false reports.

The bulletin of Peru reports sixty-three lodges.

The United Grand Lodges of Germany sent a magazine *Die Bruderschaft*. According to this we find five DeMolay Chapters in Germany. One number contained a very fine tribute to Past Grand Master Truman by Dr. Vogel, now Past Grand Master.

A magazine from Israel *The Freemason* in Hebrew and English reports a Masonic Pilgrimage to Israel of Masons from the United States and Canada. They visited lodges including those speaking Arabic and the Old Age Home of the Grand Lodge. Highlight of the trip was the consecration of the site for the Temple of Peace in Jerusalem.

Publications come regularly from the Grand Lodge of Denmark which is not recognized by any American jurisdictions as far as this reviewer knows.

The Grand Lodge of France has broken off relations with the Grand Orient after efforts at union failed. Negotiations continue among the three bodies. It is hoped that union on a regular basis will be achieved sometime.

In Belgium five lodges resigned from the Grand Orient of Belgium to form a regular Grand Lodge. The vote to make the Grand Orient regular failed by a very narrow margin. Three more lodges are under dispensation in the new Grand Lodge. We wish it success.

No word has come about the condition of Freemasonry in Cuba since the recent revolution. We are sure it will weather every storm if any arise.

Respectfully submitted,

WALLACE E. CALDWELL, *P.G.M., Chairman*
